Theological Dialogue with Classical Pentecostals Jelle

Creemers,2015-09-24 The last two decades have witnessed the growing participation in theological dialogues of non institutional free church movements This poses a serious challenge to 21st century ecumenism since ecclesial realities and internal diversity of these movements impede fruitful dialogue in the classical manner The present volume addresses fundamental aspects of this challenge by a critical study of an exemplary case of such dialogues the International Roman Catholic Classical Pentecostal Dialogue 1972 2007 This unique study builds both on primary archival sources and on earlier research on the IRCCPD After providing an ecumenical profile of the Classical Pentecostal dialogue partner Creemers demonstrates how fair representation of the Classical Pentecostal movement has been pursued in the course of the dialogue Next he gives attention to the ecumenical method of the IRCCPD First the development of a dialogue method hinging on hard questions is traced which has allowed a balanced theological exchange between the dialogue partners Regarding theological method it is demonstrated that both partners showed a willingness to experiment together by integrating sources of theological knowledge typically distrusted in their own traditions In conclusion the analyses are integrated in an overview of challenges and opportunities for dialogue with the Classical Pentecostal movement in the context of ongoing discussions on ecumenical method

There are no Right Answers to Wrong Questions Peter C. Wilcox,2016-06-28

Abraham Joshua Heschel said that We are closer to God when we are asking questions than when we have the answers He believed that to be a Christian is not to be a person who knows all the answers but one who lives in the part of the self where the question is constantly being born Most of us don t think very much about our questions In our culture we are accustomed to being able to find out answers to nearly any question just by typing it into Google search or asking Siri But behind any answer there is

always a question Sometimes the question isn't clear to us sometimes it is not very well articulated even to ourselves But it is always there In over thirty years as a psychotherapist and spiritual director Peter C Wilcox has seen how the questions people ask themselves have shaped their lives in some very important ways This book is an invitation to see how important it is to learn how to ask the right questions about our lives This is because our choice of questions leads us on a path of discovery towards answers that help us to grow spiritually and psychologically Our questions orient our lives and give direction to us We will see that they enable us to make fifteen choices that have a tremendous impact on the kind of person we become

The Definitive Answer to the Meaning of Life Jack Abaza, 2023-11-16 This haunting question in all of its variations and interpretations has echoed through the annals of time Since the dawn of philosophy the world's intellectual titans have grappled valiantly with this enigma and many of them dedicated entire lifetimes to unearthing answers in religion aesthetics love personal convictions and myriad other realms but to no avail How has this ineluctable conundrum come to signify everything and nothing To term it the Holy Grail of philosophy is almost to insultingly undersell its gravitas the meaning of life remains maddeningly elusive mocking our most desperate curiosities Despite over 2 500 years of introspection debate and countless theories its mysterious prize remains unclaimed However this tome is no mere philosophical expedition for it is a revolution in the making it manifests a rebellion against the two thousand year old foundations of speculation and dares to shatter the orthodoxy By venturing into the forbidden realm of a science philosophers long denied as relevant and converging the scientific method with peerless reasoning the sort that would stupefy the most weathered thinkers this most eminent opus heralds philosophy's renaissance no longer as a quaint forgotten relic of bygone eras but as a vanguard discipline poised for reawakening

The Moral Theology of Pope John Paul II Charles E. Curran, 2005-01-06 Pope John Paul II is the second longest serving pope in history and the longest serving pope of the last century His presence has thrown a long shadow across our time and his influence on Catholics and non Catholics throughout the world cannot be denied Much has been written about this pope but until now no one has provided a systematic and thorough analysis of the moral theology that underlies his moral teachings and its astonishing influence And no one is better positioned to do this than Charles E Curran widely recognized as the leading American Catholic moral theologian Curran focuses on the authoritative statements specifically the fourteen papal encyclicals the pope has written over the past twenty five years to examine how well the pope has addressed the broad issues and problems in the Church today Curran begins with a discussion of the theological presuppositions of John Paul II's moral teaching and moral theology Subsequent chapters address his theological methodology his ethical methodology and his fundamental moral theology together with his understanding of human life Finally Curran deals with the specific issues of globalization marriage conscience human acts and the many issues involved in social and sexual ethics While finding much to admire Curran is nonetheless fiercely precise in his analysis and rigorously thoughtful in his criticism of much of the methodological aspects of the pope's moral theology

in his use of scripture tradition and previous hierarchical teaching in theological aspects including Christology eschatology and the validity of human sources of moral wisdom and knowledge and in anthropology the ethical model and natural law Brilliantly constructed and fearlessly argued this will be the definitive measure of Pope John Paul II's moral theology for years to come

Welcome Home! Victor R. Claveau, 2011-07-08 Here are the compelling stories of eleven reverts Catholics who fell away from the Church and eventually came back home Some of the people are very well known like Fr John Corapi Rick Strom and Jesse Romero and others are known only in their smaller circles But each person's story of why he left the Catholic Church and why he returned is a unique and moving tale of God's mercy love and grace There is one common denominator though among the writers of Welcome Home To paraphrase Archbishop Fulton Sheen few hate the Catholic Church for what she teaches but millions hate it for what they think she teaches The defining moment of illuminating grace almost always came when our storytellers began to examine Catholic teaching for themselves I have no doubt that those who read Welcome Home will take from these intriguing conversion stories a renewed spirit of confidence and devotion In it they will also find an informative source of Catholic apologetics that will especially attract those who have shared similar life experiences in their sincere search for truth and reconciliation with the Church of their youth which is indeed the Covenant Family of God where the One who is Truth Itself abides forever Fr Bill Casey C P M
