Обработка давлением специальных статей и сплавов N. L. Kljamkin,1967 *Answering the Hard Questions* Robert R. Hill,2022-11-03 No question should be off limits if it is asked with the intent of seeking truth But many Christians do not know how to answer some of the hard questions about the Bible and the Christian faith Could you answer these questions What would you do if you were asked one of these questions from an unsaved friend What would you do if your children asked you one of these questions 1 If God is real then why doesn t he show himself 2 If God is real then why does he allow suffering and evil to continue 3 How can God be real when secular science shows that everything has an explanation without God 4 If God is a merciful kind and forgiving God then why did he order the slaughter of whole people groups including men women children and their animals too 5 Why would a loving God send anyone to an eternal hell 6 How can God be real since the Bible says God is love but commands the barbaric death of innocent animals in the Old Testament and Jesus says to eat his body and drink his blood And there are other weird things in the Bible too 7 How can God be real since we don t see a difference between people who call themselves Christians and the rest of the world This series is designed to equip Christians to answer these types of hard questions in defending the Bible and the Christian faith We must be able to respond to these types of questions or else we will not be confident in our faith and therefore we will be weak in witnessing I want you to be able to answer these questions quickly and confidently to be an effective and passionate ambassador for Christ

Why Am I A Christian Zac Johnson,Ryan Johnson,2012-03 WHY AM I A

CHRISTIAN is a book of more than 200 questions designed to make you reevaluate your beliefs in an effort to grow and improve. None of us can claim to know all the answers or to live mistake free lives and for this reason we always have room to better ourselves and our understanding of humanity, life and God. The questions contained in this book will encourage you to break free from complacency and the false security of unquestioned beliefs. It's not easy to examine your convictions, however, it will leave you with a stronger, more secure faith. This is certainly not a complete list of useful questions and our hope is that you continue to think of your own questions long after you've finished this book. We have seen a tremendous growth in our own lives as a result of asking ourselves these questions and we pray that they have a positive impact on your lives.

Searching Issues Nicky Gumbel, 2011. Offers carefully reasoned answers to the seven questions most commonly raised in the search for faith. *Hard Questions, Real Answers* William Lane Craig, 2003-10-17. Why doesn't God answer my prayers? If God is so powerful, why does evil exist? And if He is so good, why do we suffer? Nonbelievers and even Christians are often troubled by questions about suffering, doubt, failure, and unanswered prayer. Yet careful, compassionate answers are hard to find in part because evangelicals have not taken the life of the mind seriously enough. The intellectual currents of our day are just too strong for simplistic responses. In *Hard Questions, Real Answers*, William Lane Craig doesn't offer trite phrases or pat answers; he offers honest insights gained from a life of study and ministry. Readers in the midst of doubt and confusion will find real answers to these perplexing questions and learn to stand on the only sure foundation for hope: God Himself. This expanded new edition includes chapters on abortion and homosexuality to help readers know how to think about these volatile social issues. *Quick Answers to Tough Questions* Bryan Osborne, Bodie Hodge, 2017-06-23. Today the faith of Christians is being undermined daily. A relentless stream of secular attacks from supposedly solid science has put many Christians on the defensive. Whether the argument is about evolution, history, or theology, every believer must be able to provide an answer for the hope that is within them. But you don't have to be an expert to respond effectively when confronted about your faith. *Quick Answers to Tough Questions* gives you quick and concise answers to the tough questions that are often posed to believers regarding Creation and evolution, Age of the earth, and Noah's Ark, Death and suffering, Origin of life, and missing links. Biblical history and a biblical worldview help us to understand the past, present, and future. Too many believers have fallen victim to those who say that the Bible's history is false or that science has disproved it. Equip yourself to address the skeptical questions and comments of believers and unbelievers alike and successfully stand strong in your defense of the inerrancy and truth of God's Word. *Key Questions about Christian Faith* John Goldingay, 2010. Theologian John Goldingay explores what the Old Testament has to say about twenty-five questions of the Christian faith, drawing practical applications for today's church. He offers biblical alternatives to the often polarized positions of Christian debates from publisher description.
