of hundreds of questions on a wide range of topics from ethics metaphysics philosophy of mind and philosophy of religion to dogmatic theology sacramental theology moral theology eschatology and much more And unlike his other disputed questions none of the questions treated in his Quodlibetal Questions were of Aquinas's own choosing they were all posed for him to answer by those who attended the public debates As such this volume provides a window onto the concerns of students teachers and other interested parties in and around the university at that time For the same reason it contains some of Aquinas's fullest and in certain cases his only treatments of philosophical and theological questions that have maintained their interest throughout the centuries      Tough Questions Leader's Guide Garry Poole, Garry D.
