Qui A Obstrue La Cascade Analyse Semanti

David F. Mayor, Marc S. Micozzi

Qui A Obstrue La Cascade Analyse Semanti:

Qui a Obstrué la Cascade? Wauthier De Mahieu, 2009-06-18 This book which is in French derives from a detailed empirical study of the Komo a population of some 60 000 hunter gatherers in Zaire Dr de Mahieu builds a new theory of ritual practice on to his description and analysis of circumcision rituals among the Komo and draws important comparisons between the significance of these rituals to the actual participants and to wider Komo society and beliefs MY

PHILOSOPHY Adolfo Makuntima, 2014-02 This work consists of displaying some of the Essays I wrote during my studies in Theology It is really intended to help some students to debate my points of view and appreciate my sense of criticism

HOW TO THANK YOUR FATHER Adolfo Makuntima, 2014-02 The book is about the relationships between parents and their children wife and husband belonging and self knowledge **A Colonial Lexicon** Nancy Rose Hunt, 1999-11-15 Colonial relations in Zaire viewed through the attempts of missionaries to impose European midwifery and birthing practices

Religion in Context I. M. Lewis, 1996-04-18 Religious power assumes many strikingly different forms which are often regarded as unique unrelated and even mutually exclusive Religion in Context however adopts a holistic approach and argues that these apparently contradictory mystical experiences are in fact part of a web of mutually defining and sustaining elements Stressing the importance of rigorous social contextualisation I M Lewis analyses phenomena such as spirit possession witchcraft cannibalism and shamanism revealing connections between them and with the world religions This expanded and updated edition illuminates critical aspects of religious power and demonstrates the value of a comparative approach to formulating anthropological theory It will be of value to students of anthropology religion and to anyone concerned with the nature of religion in the modern world Historical Dictionary of the Democratic Republic of the Congo

Emizet Francois Kisangani, 2016-11-18 This book looks at 55 years of independence over eight decades of colonial rule and earlier kingdoms and groups that shared the Congolese territory This fourth edition highlights new developments and the increasing importance of the DRC in the Great Lakes Region and Africa in particular as well as its important role in the international environment This fourth edition of Historical Dictionary of the Democratic Republic of the Congo contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Democratic Republic of the Congo *Unruly Ideas* Nicole Eggers, 2023-10-31 Original oral and ethnographic sources inform this conceptual history of power in central Africa imagined through the lens of Kitawala religious practices Unruly Ideas A History of Kitawala in Congo recounts the multifaceted history of the Congolese religious movement Kitawala from its colonial beginnings in the 1920s through its continued practice in some of the most conflict riven parts of the eastern Democratic Republic of Congo today Drawing on a rich body of original oral ethnographic and archival research Nicole Eggers uses Kitawala as a lens through which to address

the complex relationship between politics religion healing and violence in central African history Kitawala which has roots in the African Watchtower Jehovah s Witness movement has long been viewed both by scholars and by popular historians as a form of male dominated anticolonial insurgency But just as Kitawalists were never exclusively male their teachings and activities were never directed solely at the Belgian colonial state and their yearnings for self rule were never entirely about the secular realms of authority A more comprehensive look at the oral and archival evidence reveals they were and are concerned with the morality of power more broadly on state communal and individual levels Moreover Kitawalist doctrine is itself unruly and its preachers prophets and practitioners have articulated innumerable interpretations most quite different from Watchtower Christianity across space and time More than a case study of a particular religious movement *Unruly Ideas* is a conceptual history of power that investigates how communities and individuals in the region have historically imagined power sought to access it wielded it and policed the morality of its uses By focusing on power and its intellectual and social history in Congo *Unruly Ideas* creates an analytical space in which readers can understand the differing manifestations of Kitawala from its overtly political and sometimes violent moments to those more aptly characterized as individual quests for spiritual and physical therapy as varying themes in the same story the pursuit of wellness in the context of malady On a more practical level the book raises important questions about the project of writing histories of places like eastern Congo a region where the repercussions of decades of political neglect upheaval and violence force us to reconsider how we can think about and use oral and archival sources Finally the book investigates the embodied and gendered nature of field research and interrogates the intersubjective and reciprocal nature of knowledge production

Theoretical Explorations in African Religion Wim van Binsbergen, Matthew Schoffeleers, 2013-10-28 First published in 1985 This collection of papers on theoretical and methodological perspectives in the study of African religion is the outcome of a conference which the editors were asked to convene on behalf of the African Studies Centre Leiden in December 1979

The Social Life of Connectivity in Africa Mirjam de Bruijn, Rijk van Dijk, 2012-12-05 The rapid increase in adoption of modern connective technologies like the mobile phone has reshaped the social landscape of Africa This book examines the myriad possibilities that the post global moment offers African societies to develop and to relate offering profound new insights into the processes of globalization

Bush Base, Forest Farm Elisabeth Croll, David Parkin, 2002-03-11 Taking a unique anthropological approach *Bush Base Forest Farm* explores the management of resources in third world development programmes The contributors all distinguished anthropologists with practical experience of development projects focus on the role of human cultural imagination in the use of environmental resources They challenge the traditional sharp distinction between human settlement and natural environment farm or camp forest or bush and argue that development programmes should place at their centre an appreciation of people s cosmologies and cultural understandings

Energy Medicine East and West David F. Mayor, Marc S. Micozzi, 2011-05-31 *Energy Medicine East and West* A Natural History of Qi provides a

unique comprehensive overview of Qi or bioenergy for students and practitioners of energy medicines Chinese and Oriental Medicine and all disciplines of Complementary and Integrative Medicine Mayor and Micozzi start with a comparative historical account of the ancient concepts of Qi and vital energy before covering theories of Qi a discussion of the organized therapeutic modalities based upon Qi and its applications to specific health and medical conditions Contributions are included from international experts in the field The book moves from anatomical and bioenergetic complementarity of Western vital energy and Eastern Qi through convergence of perspectives and models to demonstrations of how the traditional therapies are being melded together in a new original and creative synthesis David Mayor and Marc Micozzi are experienced medical practitioners authors and editors David Mayor has been actively involved in bioenergy research practice and publishing for over 30 years and is author editor of *Electroacupuncture A practical manual and resource* 2007 as well as other acupuncture texts and studies Marc Micozzi is Professor in the Department of Physiology and Biophysics at Georgetown University School of Medicine Washington DC As author editor of *Fundamentals of Complementary Course* director MSc Acupuncture Coventry University UK Over the last decade most books on Asian medicine paid tribute to the aura of evidence based medicine experience counted little RCTs were convincing This book at last returns to an old tradition of debate opening up quite a few new horizons Reading it my striving for knowledge was married with enjoyment and happiness This book made me happy Thomas Ots MD PhD Medical acupuncturist specialising in psychiatry Graz Austria Editor in Chief *Deutsche Zeitschrift f r Akupunktur* To simply review the chapter headings is to know the truly remarkable expanse of this book a wonderful bridge between the mysteries of the East and the sciences of the West well documented well written and enlarging both Enlightening nicely depicts outstanding advances in energy psychotherapeutics thus ultimately helping to move forward the human condition Maurie D Pressman MD Emeritus Clinical Professor of Psychiatry Temple University School of Medicine Philadelphia PA Emeritus Chairman of Psychiatry Albert Einstein Medical Center Philadelphia PA past President International Society for the Study of Subtle Energies and Energy Medicine Lafayette CO USA

Dans la Forêt D'Afrique Centrale Serge Bahuchet, 1992 Peeters 1992 Cultural Diversity Among Twentieth-Century Foragers Susan Kent, 1996-02-15 This book examines variability within broadly defined African forager societies Foragers have been seen as culturally similar as they all pursue a subsistence strategy emphasising hunting and gathering However new research suggests there may be more diversity among groups than has been acknowledged Here leading scholars contrast groups with in forager societies Chapters range in scope from symbolic to ecological and behavioural providing invaluable data on hunter gatherer life for anyone concerned with past or present foragers **Medicinal Rule** Koen Stroeken, 2018-09-07 As soon as Europeans set foot on African soil they looked for the equivalents of their kings and found them The resulting misunderstandings have lasted until this day Based on ethnography driven regional comparison and a critical re examination of classic monographs on some forty cultural groups this volume makes the arresting claim that

across equatorial Africa the model of rule has been medicine and not the colonizer's despotic administrator the missionary's divine king or Vansina's big man In a wide area populated by speakers of Bantu and other languages of the Niger Congo cluster both cult and dynastic clan draw on the fertility shrine rainmaking charm and drum they inherit Paths in the Rainforests Jan M. Vansina, 1990-10-22 Vansina's scope is breathtaking he reconstructs the history of the forest lands that cover all or part of southern Cameroon Gabon Equatorial Guinea the Congo Zaire the Central African Republic and Cabinda in Angola discussing the original settlement of the forest by the western Bantu the periods of expansion and innovation in agriculture the development of metallurgy the rise and fall of political forms and of power the coming of Atlantic trade and colonialism and the conquest of the rainforests by colonial powers and the destruction of a way of life In 400 elegantly brilliant pages Vansina lays out five millennia of history for nearly 200 distinguishable regions of the forest of equatorial Africa around a new subtly paradoxical interpretation of tradition Joseph Miller University of Virginia Vansina gives extended coverage to the broad features of culture and the major lines of historical development across the region between 3000 B C and A D 1000 It is truly an outstanding effort readable subtle and integrative in its interpretations and comprehensive in scope It is a seminal study but it is also a substantive history that will long retain its usefulness Christopher Ehret American Historical Review

International Handbook of Research on Indigenous Entrepreneurship L. -P. Dana, 2007 This book offers an original collection of international studies on indigenous entrepreneurship Through these specific lenses entrepreneurship greatly appears as a set of cultural values based behaviours Once more culture and human values are placed at the heart of entrepreneurship as an economic and social phenomenon Alain Fayolle EM Lyon and CERAG Laboratory France and Solvay Business School Belgium A must have for researchers of developmental economics as well as for entrepreneurship scholars this collection assembles studies of indigenous entrepreneurship from five continents

IBSS: Anthropology: 1986 International Committee for Social Science Information and Documentation, 1990 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences Journal of Religion in Africa ,1992 *Le coup d'Etat militaire 50 ans après* Michel Wieviorka, 2014-06-12 *Anthropos* ,1988
