Russia The Ussr And Eastern Europe A Bibliographic Guide To English Language Publications 1964 1974:

Russia, the USSR, and Eastern Europe Rosemary Neiswender, 1978 *A History of Russia Volume 1* Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss's accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful with both professors and students including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps that supplement and amplify the text fully updated bibliographies accompanying each chapter as well as a general bibliography of more comprehensive works a glossary and chronological and genealogical lists Moss's *A History of Russia* will appeal to academics students and general readers alike

Russia, the USSR, and Eastern Europe Stephan Horak, 1978 **Russia, the Ussr, and Eastern Europe** Horak, 1978 Russian and Soviet Education 1731-1989 John T. Zepper, William W. Brickman, 2014-02-04 Volume 9 in the series of Reference Books in International Education This bibliography is intended to provide a reference aid to mature Russian Soviet scholars to those beginning a life long study of this field and to students in Russian Soviet Studies and allied fields This title provides a resource to scholars students and professionals seeking to understand the role played by education in various societies or regions of the world

Eastern Europe Bibliography, 1993 A selective work that documents the formative impact of the region's earlier history Includes reference aids and bibliographies general and descriptive histories of the land peoples and economies and works depicting intellectual and cultural life

Russia, the Roots of Confrontation Robert Vincent Daniels, 1985 This book examines the historical contrasts between East and West and elucidates the Russian enigma It springs from the thesis that Russia's national character and its international relations can be understood only in light of the traumas and triumphs privation and privileges that the country weathered under the tsars and the Soviets

Bibliography On Soviet Intelligence And Security Services Raymond G Rocca, 2019-03-08 This annotated bibliography is a valuable tool for research and teaching on Soviet intelligence and security services and its role in the country's domestic and international affairs It categorizes nearly 500 books articles and government documents pertaining to Soviet intelligence

Russian Messianism Peter J. S. Duncan, 2002-11 This unique work will be of great interest to those engaged in politics and Russian studies as well as professionals dealing with Russia

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on

the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state *The Soviet Union and Eastern Europe* Stephan M. Horak,1985 Intended to aid librarians in small and medium sized libraries and media centers this annotated bibliography lists 1 555 books focusing on the Soviet Union and Eastern Europe The book is divided into four parts 1 General and Interrelated Themes Union of the Soviet Socialist Republics and Eastern European Countries 2 Russian Empire Prior to 1917 and the USSR 3 USSR Non Russian Republics Jews Other Peoples and 4 Eastern European Countries Each part is arranged by subject with priority given to general studies followed by special studies sections where appropriate Titles in Part 1 focus on economics government and law political theory and communism international relations history language and literature dissent nationalism and religion sociology and social conditions and military affairs Titles in Part 2 deal with anthropology and folklore the arts fine arts and architecture economics education and culture geography demography and population government state and politics diplomacy and foreign relations history military affairs Russian language Russian literature philosophy and political theory psychology and psychiatry religion science and research and sociology Part 3 presents titles related to the Baltic Republics Belorussia Ukraine Caucasian Republics and peoples Central Asian Republics and peoples Jews Moldavians Germans and Tartars and the peoples of Siberia and the Volga Basin The last part focuses on Albania Bulgaria Czechoslovakia Hungary Poland Romania Yugoslavia National minorities and dissent and language and literature LH Special Bibliography Series ,1957 Historical Dictionary of Ukraine Ivan Katchanovski,Zenon E. Kohut,Bohdan Y. Nebesio,Myroslav Yurkevich,2013-07-11 Although present day Ukraine has only been in existence for something over two decades its recorded history reaches much further back for more than a thousand years to Kyivan Rus Over that time it has usually been under control of invaders like the Turks and Tatars or neighbors like Russia and Poland and indeed it was part of the Soviet Union until it gained its independence in 1991 Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path although it remains uncertain of which way to turn Nonetheless as one of the largest European states with considerable economic potential it is not a place that can be readily overlooked The problem is or at least was where to find information on this huge modern Ukraine and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition and now even more so with this second edition It now boasts a dictionary section of about 725 entries these covering the thousand years of history but particularly the recent past and focusing on significant persons places and events political parties and institutions as well as more broadly international relations the economy society and culture The chronology permits readers to follow this history and the introduction is there to make sense of it It also features the most extensive and up to date bibliography of English language writing on Ukraine **From German Königsberg to Soviet Kaliningrad** Jamie Freeman,2020-11-10 This book explores how the Soviet Union after capturing

and annexing the German East Prussian city of Königsberg in 1945 and renaming it Kaliningrad worked to transform the city into a model of Soviet modernity. It examines how the Soviets expelled all the remaining German people, repopulated the city and region with settlers from elsewhere in the Soviet Union, destroyed the key remaining German buildings and began building a model Soviet city, a physical manifestation of the societal transformation brought about by communism. However, the book goes on to show that over time many of the model Soviet buildings were uncompleted and that the citizens, aware of their Polish and Lithuanian neighbours to both the east and the west and appreciating their place in the wider Baltic region, came to view themselves as something different from other Soviet and Russian citizens. The book concludes by assessing present developments as the people of Kaliningrad are increasingly rediscovering the city's pre-Soviet past and forging a new identity for themselves on their own terms.

Introduction To Library Research In Anthropology John M. Weeks, 2019-04-11

This book is an introduction to library research in anthropology, written primarily for the undergraduate student about to begin a research project. It contains a summary description of the type of resource being discussed and its potential use in a research project.

The Polish-German Borderlands Barbara Paul, 1994-08-30

This annotated guide to English language materials dealing with all aspects of the history of the borderlands since the 1700s gives special attention to conflicts between Germans and Poles and issues that are again critical in Central Europe. Students, teachers and scholars will find this bibliography of over 1200 entries to primary sources, books, chapters in books, dissertations, journal articles, government documents, fiction and films easy to use. The introduction points to different names given to the region and puts the bibliography into historical context. The chapters cover different historical periods and organize material either by genre of work or by topics significant to a particular era. Author title and subject indexes make the material easily accessible for a wide variety of research needs.

Wings, Women, and War Reina Pennington, 2002-01-22

The Soviet Union was the first nation to allow women pilots to fly combat missions. During World War II the Red Air Force formed three all-female units grouped into separate fighter, dive bomber and night bomber regiments, while also recruiting other women to fly with mostly male units. Their amazing story, fully recounted for the first time by Reina Pennington, honors a group of fearless and determined women whose exploits have not yet received the recognition they deserve. Pennington chronicles the creation, organization and leadership of these regiments as well as the experiences of the pilots, navigators, bomb loaders, mechanics and others who made up their ranks, all within the context of the Soviet air war on the Eastern Front. These regiments flew a combined total of more than 30,000 combat sorties, produced at least thirty Heroes of the Soviet Union and included at least two fighter aces. Among their ranks were women like Marina Raskova, the Soviet Amelia Earhart, a renowned aviator who persuaded Stalin in 1941 to establish the all-women regiments, the daredevil night witches who flew ramshackle biplanes on nocturnal bombing missions over German frontlines, and fighter aces like Liliya Litviak, whose twelve kills are largely unknown in the West. She also tells the story of Alexander Gridnev, a fighter pilot twice arrested by the Soviet secret police before he

was chosen to command the women's fighter regiment Pennington draws upon personal interviews and the Soviet archives to detail the recruitment training and combat lives of these women Deftly mixing anecdote with analysis her work should find a wide readership among scholars and buffs interested in the history of aviation World War II or the Russian military as well as anyone concerned with the contentious debates surrounding military and combat service for women [A History of Russia: To 1917](#) Walter Moss,2002 *The Muslims of Bosnia-Herzegovina* Mark Pinson,1996 Ranging from medieval times to the collapse of Yugoslavia in 1992 this volume concentrates on the internal development of the Muslim community in Bosnia Herzegovina and its relations with various suzerains This updated edition features new bibliographic material including a new section on resources covering Eastern Europe and the former Yugoslavia available through the Internet **Historical Dictionary of the Korean War** Paul M. Edwards,2010-06-10 The Korean War has often been regarded as a forgotten war although that is certainly unfair It was if anything a rather crucial war within the ambit of the Cold War started by North Korea in 1950 and although the bulk of the fighting was over by 1954 peace has never been concluded and the two sides still face off over the demilitarized zone On the other side of the zone is South Korea which has since become a very prosperous and democratic country while North Korea has achieved relatively little So that war is certainly not forgotten by the Koreans And given the large number of deaths and casualties it is still remembered by many in the United States and other allies as well as China and the Soviet Union This Historical Dictionary of the Korean War now in its second edition does much to jolt our memory and inform us about the war This is done first in a lengthy chronology tracking the war but also the path to war and what happened after The introduction covers the war as a whole trying to make sense of it The dictionary section provides all of the necessary details on significant persons places and events battles and other engagements military units and material as well as the political economic and social background There are also maps and a list of acronyms This is really the ideal source for information in addition to which it also has an extensive bibliography

Yeah, reviewing a book **Russia The Ussr And Eastern Europe A Bibliographic Guide To English Language Publications 1964 1974** could build up your near friends listings. This is just one of the solutions for you to be successful. As understood, talent does not recommend that you have fantastic points.

Russia The Ussr And Eastern Europe A Bibliographic Guide To English Language Publications 1964 1974

Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russia The Ussr And Eastern Europe A Bibliographic Guide To English Language Publications 1964 1974 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russia The Ussr And Eastern Europe A Bibliographic Guide To English Language Publications 1964 1974 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russia The Ussr And Eastern Europe A Bibliographic Guide To English Language Publications 1964 1974 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russia The Ussr And Eastern Europe A Bibliographic Guide To English

Language Publications 1964 1974. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russia The Ussr And Eastern Europe A Bibliographic Guide To English Language Publications 1964 1974 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russia The Ussr And Eastern Europe A Bibliographic Guide To English Language Publications 1964 1974 Books

1. Where can I buy Russia The Ussr And Eastern Europe A Bibliographic Guide To English Language Publications 1964 1974 books?
