

Russia In 1919

Alastair Grant

Russia In 1919:

Civil War in South Russia, 1919-1920 Peter Kenez, 2023-09-01 The Russian Civil War a multifaceted struggle between the Bolsheviks and their opponents offers a profound lens into the dynamics of power ideology and societal upheaval At its core the war was more than a military contest it was a political battle for the hearts and minds of a fragmented nation While the Bolsheviks demonstrated superior political strategy organization and adaptability the Whites floundered due to their inability to construct effective institutions or garner widespread legitimacy This failure compounded by their reliance on outdated systems and resistance to political engagement critically undermined their capacity to govern and mobilize support Despite the seeming advantages of Allied aid and a pool of experienced administrators the Whites internal divisions and lack of cohesive vision rendered their efforts increasingly ineffectual This study delves into the political administrative and ideological shortcomings of the White movement particularly in South Russia as it evolved from initial optimism to ultimate collapse By examining the policies social structures and leadership dynamics within the White territories the analysis reveals a pattern of disconnection between central authority and local implementation Through a comparative approach the book highlights how the Bolsheviks ability to align their actions with the aspirations of the masses starkly contrasted with the Whites entrenched elitism and detachment While military operations and Allied involvement feature as important elements the primary focus lies on the political dimensions and institutional weaknesses that defined the conflict and determined its outcome Ultimately the Whites defeat underscores the essential interplay of legitimacy force and political engagement in shaping the trajectory of civil wars This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977

Six Weeks in Russia, 1919 Arthur Ransome, 2012-02-02 But for Swallows and Amazons some of Arthur Ransome s earlier writings would be better known The extraordinary success Ransome achieved as a children s writer from the 1930 s until his death in 1967 perhaps inevitably eclipsed his earlier work but in the case of his two books and pamphlet on the Russian revolutions of 1917 and the tumultuous events that followed that is a great loss it can be said unequivocally that these writings are on a par perhaps even exceeding such classics as John Reed s Ten Days that Shook the World Arthur Ransome knew Russia He lived there from 1914 to 1918 almost all the time He taught himself Russian and became a foreign correspondent for the liberal Daily News and Manchester Guardian More than that he came to know many of the Bolshevik leaders like Lenin Trotsky and Checherin almost as personal friends and indeed married Trotsky s secretary Evgenia Petrovna Shelepina Arthur Ransome as a commentator on the Russian scene at the most convulsive moment in its history is unique Unlike famous visitors like H G Wells though his marvellous book Russia in the Shadows shouldn t be overlooked and Bertrand Russell his was no brief journalistic inspection and unlike other reporters

such as John Reed Victor Serge and Alfred Rosmer there was no tendentiousness in what he wrote they were convinced revolutionaries Ransome although not unsympathetic to the Bolshevik cause was a more objective recorder Six Weeks in Russia The Crisis in Russia and the pamphlet The Truth about Russia constitute the best contemporary writing about Russia at the time of the Bolshevik takeover They were reissued in the early 1990s with an introduction by Paul Foot which has been retained for the Faber Finds reissue of Six Weeks in Russia otherwise they have been out of print since first published

Russia in 1919 Arthur Ransome,1919 *Russia in 1919 and the Crisis in Russia* Arthur Ransome,2005-12 This book describes the economic social and political situation Arthur Ransome saw during his visit to Russia in February and March of 1919 Underlining the description of these events is the wrenching famine in Russia caused by the Civil War In this work Ransome interviews several prominent members of the Soviet government as well as ordinary citizens of Soviet Russia While Ransome s support of the Soviet society is evident in his critical but encouraging look at this new government struggling through a civil war

Letters From Russia 1919 Peter Demianovich Ouspensky,1978-01-01 From 1907 until 1913 Ouspensky wrote fairly regularly for a Russian newspaper mostly on foreign affairs At the same t i m e he was working on various books based on the idea that our consciousness is an incomplete state not far removed from sleep and also that our three dimensional view of the universe is inadequate and incomplete Hoping that answers to some of the questions he had posed might have been found by more ancient civilisations he made an extensive tour of Egypt Ceylon and India On his return Ouspensky learnt that Russia was at war For a time impending events did not prevent him from lecturing about his travels to very large audiences in St Petersburg and Moscow But in 1917 while revolution was spreading through all the Russias and the Bolsheviks were establishing their reign of terror Ouspensky was living in various temporary quarters in South Russia in conditons of great danger and hardship Until he managed to reach Turkey in 1920 he and those around him were completely cut off from the outside world unable to receive or send news even as far as the next town constantly on the alert to avoid being picked up and murdered by the Bolsheviks In 1919 Ouspensky somehow found a way to send a series of articles to the New Age which under the skilful editorship of A R Orage was the leading literary artistic and cultural weekly paper published in England These five articles appeared in six instalments as Letters from Russia They give a detached but horrific description of the total breakdown of public order and are reprinted here for the first time A remarkable feature of the Letters is that while the revolution was in progress and the Bolshevik regime not fully established Ouspensky foresaw with unusual clarity the inevitability of the tyranny described by Solzhenitsyn fifty years later During the winter of 1919 and the spring of 1920 C E Bechhofer afterwards known as Bechhofer Roberts was observing events in Russia as a British correspondent who spoke Russian and had previous experience of the country and people He had met Ouspensky before 1914 both in Russia and in India he was a regular contributor to the New Age and had himself translated the first of Ouspensky s Letters from Russia written in July 1919 In Bechhofer s book In Denikin s Russia the author describes the week

or two he spent with Ouspensky and Zaharov above a sort of barn at Rostov on the Don With its pathos and humour this passage makes a fitting epilogue to Ouspensky's smuggled Letters Russia in 1919 Arthur Ransome, 2007-07 Arthur Mitchell Ransome 1884-1967 was a British author and journalist best known for writing the Swallows and Amazons series of children's books which tell of school holiday adventures of children mostly in the Lake District and the Norfolk Broads areas of England Ransome was born in Leeds where his father lectured as a Professor of History He attended Yorkshire College his father's college for a year studying chemistry However he abandoned the college and went to London to become a writer He took low paying jobs as an office assistant in a publishing company and as editor of a failing magazine while writing and becoming a member of the literary scene of London After he had become involved in the literary and artistic life of London he wrote *Bohemia in London* 1907 about some of the personalities he knew In 1913 he left his wife and daughter and went to Russia to study folklore In 1916 he published *Old Peter's Russian Tales* a collection of 21 folktales from Russia **SIX WEEKS IN RUSSIA IN 1919** ARTHUR. RANSOME, 2018 **The Famine in Soviet Russia, 1919-1923** Harold Henry Fisher, 1927 **The Allied Intervention in Russia, 1918-1920** I. Moffat, 2015-02-26 This work explores the reasons for the Allied intervention into Russia at the end of the Great War and examines the military diplomatic and political chaos that resulted in the failure of the Allies and White Russians to defeat the Bolshevik Revolution *Russia Under the Bolshevik Regime, 1919-1924* Richard Pipes, 1997 The final part of this trilogy which began with *RUSSIA UNDER THE OLD REGIME* and continued with *THE RUSSIAN REVOLUTION* The volume deals with the attempts of the Bolsheviks to defend and expand their authority and build a Communist state **Allied Intervention in Russia 1918-1919** John Swettenham, 2017-03-27 When originally published in 1967 and using archive material from official records in Ottawa this book threw new light on the motives and actions of the intervening powers Allied intervention took place in three main areas Northern and Southern Russia as well as Siberia Canada was the major Commonwealth contributor to the intervention in Siberia and a superficial account of the events and their political implications is contained in the official history of the Canadian Army in the First World War This book discusses the subject in depth and from an international perspective In this critical assessment the story of the Allied operations in Russia has been written against the double background of the issues and events of the Russian Civil War itself and of the international intrigues and rivalries of the Allies Russia in 1919 Arthur Ransome, 1919 The Red Heart of Russia (1919) Bessie Beatty, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work **Red Advance, White Defeat** Peter Kenez, 2008-07-01 The second of a two volume history and analysis of the Russian Civil War this volume covers events spanning 1919 to 1920 The republication of Professor Kenez's classic volumes is to be warmly

welcomed Based on copious archival research and a close reading of published memoirs and mixing careful narrative with judicious analysis they still provide the definitive history of the anti Bolshevik movement in South Russia Their original publication provided an inspiration for a generation of scholars of the Russian Civil War the new edition will certainly inspire another The armchair historian too as well as all those interested in the fate of contemporary Russia will find much to admire and much to ponder upon in this well told tale of one of the most bloody and tragic episodes in recent European history Jonathan D Smele University of London The profession will be delighted to learn that this classic study of the Russian Civil War 1917-21 on its most crucial battleground is again available Kenez's work was the first in any language to cut through the rhetoric of partisan memory and historiography in order to present a complicated and balanced view of both sides While demythologizing Soviet historical explanations Kenez is especially keen in displaying the enormous variety of the White or anti Communist movement and analyzing the causes of its defeat Richard Stites Georgetown University Second edition with an updated bibliography Wilson and Russia, 1917-1920 Leslie Wiberg, 1900 *In Denikin's Russia and the Caucasus, 1919-1920* Carl Eric Bechhofer Roberts, 1921 **Royal Marines in Russia, 1919** Alastair Grant, 2024-06-30 At the height of the Russian Civil War in 1919 Britain poured in thousands of troops and vast amounts of munitions to assist the White Russian opponents of Lenin's Communist forces This was despite exhaustion following the Great War and the Spanish flu epidemic One man involved was 23 year old Royal Marines officer Thomas Henry Jameson His mission took him and his men on a journey of 5 000 miles from Vladivostok to the battlegrounds not far from Moscow As part of a White Russian Flotilla they steamed down the huge Kama River and fought a series of successful battles against superior Bolshevik gunboats Later they were forced to retreat and becoming cut off behind enemy lines had to fight their way out knowing that if captured they faced summary execution Eventually after a long and hazardous journey they made it back to their parent ship Jameson and his Marines faced a multitude of hazards in this cruel civil war including disease which he described as the biggest challenge of all In some other British units there were reports of mutiny due to terrible conditions Yet as this fascinating book describes remarkably he succeeded not only to keep his men alive but inflict significant damage on a ruthless enemy The French Intervention in South Russia 1918-1919 ... Lyman William Priest, 1947 **Russia Abroad** Marc Raeff, 1990-04-19 The dramatic events of the twentieth century have often led to the mass migration of intellectuals professionals writers and artists One of the first of these migrations occurred in the aftermath of the Russian Revolution when more than a million Russians were forced into exile With this book Marc Raeff one of the world's leading historians of Russia offers the first comprehensive cultural history of the Great Russian Emigration He examines the social and institutional structure of the emigration and describes its rich cultural and intellectual life He points out that what distinguishes this emigration from other such episodes in European history is the extent to which the emigres succeeded in reconstituting and preserving their cultural creativity in the West The flourishing Russian communities of Paris Berlin Prague and Kharbin not only enriched

Russian arts and letters but also significantly influenced the culture of their Western hosts and Raeff concludes with an assessment of their impact on the development of modern Western and Soviet culture *Revolution in Danger* Victor Serge, 2011-03-15 The author of *Memoirs of a Revolutionary* brings to life the unwavering commitment of red Petrograd during some of the Russian Revolution's darkest hours Upon arrival in Petrograd in 1919 Victor Serge the great chronicler of the Russian Revolution found a society nearly shredded to ribbons by civil war Threatened on all sides by invading armies from fourteen countries and attacked from within by counterrevolutionary forces seeking to restore the Tsar the fledgling revolution was facing its darkest hours In these essays Serge paints a bleak picture of the desperate conditions faced by Petrograd's working class capturing the revolutionary enthusiasm that stood as the last defense of their besieged city Challenging the revolution's critics Serge defends the measures the revolutionary government was forced to take to defend the gains workers and peasants had made in overthrowing Tsarist tyranny and pulling Russia out of World War I This is an inspiring account of the struggle to defend workers power and Serge's enthusiasm for the revolution and the prospect of a better future it represented Praise for Victor Serge He was an eyewitness of events of world historical importance of great hope and even greater tragedy His political recollections are very important because they reflect so well the mood of this lost generation His articles and books speak for themselves and we would be poorer without them Partisan Review

Russia In 1919 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russia In 1919 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russia In 1919 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they

provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russia In 1919 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russia In 1919 Books

1. Where can I buy Russia In 1919 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
