Russian Army 1798 1814 Vol 2 Cavalry 1799 1814

Olivier Lapray

Russian Army 1798 1814 Vol 2 Cavalry 1799 1814:

Hastenbeck 1757 Olivier Lapray,2021-10-15 The outbreak of the Seven Years War saw the formation of new alliances and led to the conduct of military operations in several theaters simultaneously The campaign of 1757 saw large scale maneuvers with their necessary operational corollaries of supply and logistics as France put an army of 100 000 men into the field The conduct of the campaign also testifies to the difficulty of exercising command in the face of a court and a government for which short term results took precedence over means Notwithstanding such difficulties the campaign of the French armies in Westphalia saw its climax play out around the village of Hastenbeck on 26 July 1757 where the forces of Mar chal d Estr es gained a victory that came close to knocking Hanover out of the war The story of the campaign can be told from the human perspective thanks to the large body of memoirs and letters from officers both general and subordinate of cavalry and infantry regiments Having left their garrisons four months earlier they had come to battle at the gates of

Hanover after having traveled more than 600 kilometers through the Low Countries and into Germany **The Pattern** Robbie MacNiven,2023-04-20 In the early 1770s the 33rd Foot acquired a reputation as the best trained regiment in the British Army This reputation would be tested beyond breaking point over the course of the American Revolutionary War From Saratoga to South Carolina the 33rd was one of the most heavily engaged units on either side throughout the war The 33rd s rise to prominence stemmed from its colonel Charles Earl Cornwallis who took over in 1766 In a period where senior officers wielded huge influence over their own regiments Cornwallis proved to be the best kind of commander Diligent and meticulous he focussed on improving the 33rd in every regard from drills and field exercises to the quality of the unit s weapons and clothing The 33rd subsequently became known as the pattern for the army the unit on which other successful regiments were based Prior to the outbreak of fighting in the American colonies in 1775 the 33rd s abilities particularly in new light infantry drills were frequently praised At one point they even assisted in training the elite regiments of the Foot Guards The 33rd missed the first year of the Revolutionary War but sailed in early 1776 as part of the ill fated expedition to capture Charleston in South Carolina After joining the main British force in North America outside New York in August 1776 the 33rd was brigaded with the best units in the army including the composite grenadier and light infantry battalions Over the next five years the regiment engaged in every major battle of the Revolutionary War from Long Island and Brandywine to Germantown and Monmouth it even had one unlucky company of recruits present at Freeman s Farm and Bemis Heights and the subsequent surrender at Saratoga In 1780 The Pattern was part of Britain s southern expedition which put Cornwallis in command of the Crown s efforts to subdue the Carolinas Here the 33rd provided perhaps their greatest service and fought their most desperate battles at Camden and Guildford Courthouse They marched to eventual defeat at Yorktown but not all of the regiment s companies were captured and some continued to serve actively elsewhere right up until the end of the war This work is partly a regimental history giving the most detailed account yet of the 33rd s actions during the Revolutionary

War It is also however a broader study of the British Army during the revolutionary era It assesses what a single regiment can tell us about wider issues affecting Britain s military Everything from training weapons and uniforms organization transportation camp life discipline food finances and the role of women and camp followers is addressed alongside the marching fighting and dying done by the men of the regiment between 1775 and 1783 Primary sources particularly engaging accounts such as those of Captain William Dansey or John Robert Shaw a regular enlisted man provide an engrossing narrative to this part social part military history of the British Army at war in the late eighteenth century *King George's Army - British Regiments and the Men Who Led Them 1793-1815* Steve Brown,2023-08-29 King George s Army British Regiments and the Men who Led Them 1793 1815 will contain five volumes with coverage given to cavalry regiments Volume 1 infantry regiments Volumes 2 4 and Ordnance and other regiments Volume 5 It is the natural extension to the web series of the same name by the same author which existed one Napoleon Series from 2009 until 2019 but greatly expanded to include substantially more biographical information including biographies of leading political gures concerned with the administration of the army as well as commanders in chief of all major commands Volume 1 covers in great detail the cavalry regiments that comprised the army of King George III for the period of the Great War with France and the men who commanded them Regimental data provided includes shortform regimental lineages service locations and dispositions for the era battle honors won tables of authorized establishments demographics of the field officer cohorts and of the men But the book is essentially concerned with the field officers the lieutenant colonels and majors who commanded the regiments and Volume 1 alone contains over 1 000 mini biographies of men who commanded the regiments including their dates of birth and death parentage education career including political awards and honors and places of residence Volumes 2 to 5 will extend the coverage to ultimately record over 4 500 biographies across more than 200 regiments These biographies will show the regimental system in action officers routinely transferring between regiments for advancement or opportunity captains who were also brevet colonels many who retired early some who stayed the distance to become major generals and beyond Where it has been possible to accurately ascertain advancement by purchase exchange or promotion has also been noted Readers with military ancestors will no doubt find much of interest within and the author hopes that the work will allow readers to break down a few brick walls either through connecting to the officers recorded or through an understanding of the movements of the regiments around the world or from the volunteering patterns of the militia regiments into the regular army Encyclopedic in scope and aimed to be a lasting source of reference material for the British army that fought the French Revolution and Napoleon between 1793 and 1815 King George s Army British Regiments and the Men who Led Them will be a necessary addition to every military and family history library for years to come **The Cambridge History of the Napoleonic Wars: Volume 2, Fighting the Napoleonic Wars** Bruno Colson,Alexander Mikaberidze,2023-03-02 The Napoleonic Wars saw almost two decades of brutal fighting Fighting took place on an

unprecedented scale from the frozen wastelands of Russia to the rugged mountains of the Peninsula from Egypt's Lower Nile to the bloody battlefield of New Orleans Volume II of The Cambridge History of the Napoleonic Wars provides a comprehensive guide to the Napoleonic Wars and weaves together the four strands military naval economic and diplomatic that intertwined to make up one of the greatest conflicts in history Written by a team of the leading Napoleonic scholars this volume provides an authoritative and comprehensive analysis of why the nations went to war the challenges they faced and how the wars were funded and sustained It sheds new light not only on the key battles and campaigns but also on questions of leadership strategy tactics guerrilla warfare recruitment supply and weaponry **The United Service Journal and**

Naval and Military Magazine ,1835 Colburn's United Service Magazine and Naval and Military Journal ,1835

United Service Magazine and Naval Military Journal ,1835 Wellington's Men Remembered: A Register of Memorials to Soldiers who Fought in the Peninsular War and at Waterloo Janet Bromley,David Bromley,2024-06-06 Wellington's Men Remembered is a reference work which has been compiled on behalf of the Association of Friends of the Waterloo Committee and contains over 3 000 memorials to soldiers who fought in the Peninsular War and at Waterloo between 1808 and 1815 together with 150 battlefield and regimental memorials in 24 countries worldwide The United Service Journal ,1835

Napoleon's Mercenaries Guy Dempsey,2016-02-29 This superb and comprehensive book details the foreign units which formed such an important part of Napoleon's forces It examines each non French unit in turn giving an overview of the unit's origins its organizational and combat history its uniforms and standards and details of the unit's eventual fate Colourful accounts taken from contemporary reports and memoirs emphasize the qualities of the unit and throw light on what life was like for many of the foreign soldiers recruited into the Grande Armée In total more than 100 different foreign units that served in the French Army are investigated in detail in this ambitious publication Some foreign units fought and flourished throughout the Consulate and Empire whilst others lasted for just a few months Covers Polish German Swiss Italian Spanish and other units in the French Army and presents a combat history and details uniforms for each regiment Napoleon's Mercenaries is the best single volume study of this aspect of Napoleon's army and a vital reference for every Napoleonic enthusiast Little can be found on the foreign units that were an integral part of the French army For a long time a gap has existed but now Napoleon's Mercenaries fills this gap Robert Burnham Napoleonic Series The Encyclopedia of the French Revolutionary and Napoleonic Wars Gregory Fremont-Barnes,2006 This comprehensive three volume work on the French Revolution and Napoleon's rule and campaigns covers a wide range of military political social and cultural events and personalities during a time of dramatic change in Europe In three extraordinarily rich volumes The Encyclopedia of the French Revolutionary and Napoleonic Wars captures the full sweep and legacy of the transformation of Europe from 1792 to 1815 Its nearly 900 alphabetically organized fully cross referenced entries provide students and general readers with vivid biographies of politicians sovereigns and commanders accounts of battles weaponry and diplomatic affairs insights into the

art music and culture of the times and much more Unlike other works on the subject this encyclopedia combines coverage of Napoleon's rule with that of the crucial Revolutionary years in France that set the stage for his rise to power It includes contributions from the most wide ranging group of international experts ever assembled for a work on this era Students will see the full continent wide impact of France's evolution from aristocracy to democracy to military autocracy and explore the effects of nationalism empire building industrialization and international conflict which resonate with more relevance today than ever Vol.1,2, by Lt. Col. Williams *History of the wars caused by the French revolution*. Vol.3,4, by W.C. Stafford

History of England's campaigns in India and China; and of the Indian mutiny William Freke Williams, 1864 **French Guardsman vs Russian Jaeger** Laurence Spring, 2013-11-20 The Russian Jaeger regiments and Napoleon's Young Guard clashed repeatedly during the campaigns of 1812-14 The Russian Jaeger were light infantry who gained enormous experience and prestige during the struggle to rid Europe of Napoleon's armies while the Young Guard was expanded to become the main strike force of the French field armies In appalling winter conditions in 1812 the Young Guard turned to confront their opponents including Jaeger forces at Krasnyi In the face of constant bombardment Young Guard regiments held off the Russians covering the retreat of large parts of Napoleon's forces They clashed again at Leipzig in 1813 and then again in the bitter cold at Craonne in 1814 where horrendous casualties finally told on the newly formed Young Guard units pitched into an attack upon Russian Jaeger regiments Putting the reader in the shoes of the ordinary soldiers of both sides this absorbing book traces the evolving trial of strength between Russia's Jaeger arm and France's Young Guardsmen at the height of the Napoleonic Wars **Catalogue of the Library of the Royal United Service Institution** Royal United Service Institution (Great Britain). Library, 1908 **A Genealogical and Heraldic Dictionary of the Peerage and Baronetage** John Bernard Burke, 1879 **Handy Lists of Technical Literature**, 1889 [A Genealogical and Heraldic Dictionary of the Peerage and Baronetage of the British Empire](#), 1871 [Dictionary Catalog of the Research Libraries of the New York Public Library](#), 1911-1971 New York Public Library.
