John P. LeDonne

Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment:

The Russian Empire and the World, 1700-1917 John P. LeDonne, 1997 European foreign policy of the 18th and 19th century was practised within geographical constraints and imperatives By placing both Russia and its neighbours within this geographic context LeDonne retells over 200 years of Russian Imperial history *The Russian Empire 1450-1801* Nancy Shields Kollmann, 2017 Modern Russian identity and historical experience has been largely shaped by Russia's imperial past an empire that was founded in the early modern era and endures in large part today The Russian Empire 1450 1801 surveys how the areas that made up the empire were conquered and how they were governed It considers the Russian empire a Eurasian empire characterized by a politics of difference the rulers and their elites at the center defined the state's needs minimally with control over defense criminal law taxation and mobilization of resources and otherwise tolerated local religions languages cultures elites and institutions The center related to communities and religions vertically according each a modicum of rights and autonomies but didn't allow horizontal connections across nobilities townsmen or other groups potentially with common interests to coalesce Thus the Russian empire was multi ethnic and multi religious Nancy Kollmann gives detailed attention to the major ethnic and religious groups and surveys the government's strategies of governance centralized bureaucracy military reform and a changed judicial system The volume pays particular attention to the dissemination of a supranational ideology of political legitimacy in a variety of media written sources and primarily public ritual painting and particularly architecture Beginning with foundational features such as geography climate demography and geopolitical situation The Russian Empire 1450 1801 explores the empire's primarily agrarian economy serfdom towns and trade as well as the many religious groups primarily Orthodoxy Islam and Buddhism It tracks the emergence of an Imperial nobility and a national self consciousness that was by the end of the eighteenth century distinctly imperial embracing the diversity of the empire's many peoples and cultures The Emergence of the Eastern Powers, 1756-1775 H. M. Scott, 2001-11-15 This book shows how the European states system was transformed by the military rise of Prussia and Russia Russia John M. Thompson, Christopher J. Ward, 2018-04-17 This lucid account of Russian and Soviet history presents major trends and events from ancient Kievan Rus to Vladimir Putin's presidency in the twenty first century Russia does not shy away from controversial topics including the impact of the Mongol conquest the paradoxes of Peter the Great the inevitability of the 1917 Revolution the Stalinist terror and the Gorbachev reform effort Tackling those topics and others the new edition is updated to discuss the Russia Georgia war of 2008 the 2013 2014 Euromaidan protests in Ukraine the war in eastern Ukraine and the Russian annexation of Crimea Distinguished by its brevity and amply supplemented with useful images and suggested readings this essential text provides balanced coverage of all periods of Russian history and incorporates economic social and cultural developments as well as politics and foreign policy *Russia and the Russians* Geoffrey A. Hosking, 2001 Chronicles the history of the Russian Empire from the Mongol Invasion through the Bolshevik

Revolution to the aftereffects of the Cold War **Muscovy and the Mongols** Donald Ostrowski,2002-06-20 The importance of the Mongols impact on the Rus lands has been recognised by many scholars but its precise nature and extent is very contentious While diverse opinions exist on the origins and development of Muscovy the author argues that no society arises ex nihilo and that Muscovy is no exception In this 1998 book Donald Ostrowski considers the outside origins and influences as well as indigenous origins and development in order that the reader may gain a clearer understanding of Muscovy as a political entity its political institutions and political culture He shows that during the early period of Muscovy 1304 1448 the ecclesiastical and secular institutions were affected by two different outside influences Byzantium and the Qipchaq Khanate respectively In considering these outside influences he has set out to study Muscovy as an integral and important part of world history *Tatar Empire* Danielle Ross,2020-02-04 An in depth study of the relationship between the Russian government and its first Muslim subjects who served in the vanguard of the empire s colonialism In the 1700s Kazan Tatar Muslim scholars of Kazan and scholarly networks stood at the forefront of Russia s expansion into the South Urals western Siberia and the Kazakh steppe It was there that the Tatars worked with Russian agents established settlements and spread their own religious and intellectual culture that helped shaped their identity in the nineteenth and early twentieth centuries Kazan Tatars profited economically from Russia s commercial and military expansion to Muslim lands and began to present themselves as leaders capable of bringing Islamic modernity to the rest of Russia s Muslim population Danielle Ross bridges the history of Russia s imperial project with the history of Russia s Muslims by exploring the Kazan Tatars as participants in the construction of the Russian empire Ross focuses on Muslim clerical and commercial networks to reconstruct the ongoing interaction among Russian imperial policy nonstate actors and intellectual developments within Kazan s Muslim community and also considers the evolving relationship with Central Asia the Kazakh steppe and western China Tatar Empire offers a more Muslim centered narrative of Russian empire building making clear the links between cultural reformism and Kazan Tatar participation in the Russian eastward expansion This is a rich study that makes important contributions to the historiography of the Russian Empire sharpening our picture of an empire in which lines between colonizer and colonized were far from clear *The Middle Ground Journal* **The Tragedy of Great Power Politics (Updated Edition)** John J. Mearsheimer,2003-01-17 A superb book Mearsheimer has made a significant contribution to our understanding of the behavior of great powers Barry R Posen *The National Interest* The updated edition of this classic treatise on the behavior of great powers takes a penetrating look at the question likely to dominate international relations in the twenty first century Can China rise peacefully In clear eloquent prose John Mearsheimer explains why the answer is no a rising China will seek to dominate Asia while the United States determined to remain the world s sole regional hegemon will go to great lengths to prevent that from happening The tragedy of great power politics is inescapable *Empires and Colonies* Jonathan Hart,2014-02-06 *Empires and Colonies* provides a thoroughgoing and lively exploration of the expansion of the seaborne

empires of western Europe from the fifteenth century and how that process of expansion affected the world including its successor the United States Whilst providing special attention to Europe the book is careful to highlight the ambivalence and contradiction of that expansion The book also illuminates connections between empires and colonies as a theme in history concentrating on culture while also discussing the rich social economic and political dimensions of the story Furthermore Empires and Colonies recognizes that whilst a study of the expansion of Europe is an important part of world history it is not a history of the world per se The focus on culture is used to assert that areas and peoples that lack great economic power at any given time also deserve attention These alternative voices of slaves indigenous peoples and critics of empire and colonization are an important and compelling element of the book Empires and Colonies will be essential reading not only for students of imperial history but also for anyone interested in the makings of our modern world **Reins of Liberation**

Xiaoyuan Liu, 2006 The author's purpose in writing this book is to use the Mongolian question to illuminate much larger issues of twentieth century Asian history how war revolution and great power rivalries induced or restrained the formation of nationhood and territoriality He thus continues the argument he made in Frontier Passages that on its way to building a communist state the CCP was confronted by a series of fundamental issues pertinent to China's transition to nation statehood The book's focus is on the Mongolian question which ran through Chinese politics in the first half of the twentieth century Between the Revolution of 1911 and the Communists triumph in 1949 the course of the Mongolian question best illustrates the genesis clashes and convergence of Chinese and Mongolian national identities and geopolitical visions Contesting Europe, 2019-12-09 While the term Europe was used sporadically in ancient and medieval times it proliferated between the fifteenth and sixteenth centuries and gained a prevalence in the seventeenth and eighteenth centuries which it did not possess before Although studies on the history of the idea of Europe abound much of the vast body of early modern sources has still been neglected Assuming that discourses tend to transcend linguistic historical and generic boundaries this book has gathered experts from various fields of study who examine vernacular and Latin negotiations of Europe from the late fifteenth to the early eighteenth century This multi angled approach serves to identify similarities and differences in the discourses on Europe within their different national and cultural communities Contributors are Ovanes Akopyan Volker Bauer Piotr Chmiel Nicolas Detering Stefan Ehrenpreis Niels Grøne Peter Hanenberg Ulrich Heinen Ronny Kaiser Niall Oddy Katharina N Piechocki Dennis Pulina Marion Romberg Lucie Storchov Isabella Walser Brögl Michael Wintle and Enrico Zucchi *Imperial Cities in the Tsarist, the Habsburg, and the Ottoman Empires* Ulrich Hofmeister, Florian Riedler, 2023-08-24 This book explores the various ways imperial rule constituted and shaped the cities of Eastern Europe until World War I in the Tsarist Habsburg and Ottoman empires In these three empires the cities served as hubs of imperial rule their institutions and infrastructures enabled the diffusion of power within the empires while they also served as the stages where the empire was displayed in monumental architecture and public rituals To this day many cities possess a

distinctively imperial legacy in the form of material remnants groups of inhabitants or memories that shape the perceptions of in and outsiders The contributions to this volume address in detail the imperial entanglements of a dozen cities from a long term perspective reaching back to the eighteenth century They analyze the imperial capitals as well as smaller cities in the periphery All of them are imperial cities in the sense that they possess traces of imperial rule By comparing the three empires of Eastern Europe this volume seeks to establish commonalities in this particular geography and highlight trans imperial exchanges and entanglements This volume is essential reading to students and scholars alike interested in imperial and colonial history urban history and European history The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Russia at War Timothy C. Dowling, 2014-12-02 This easy to use reference explores the people and events that shaped Russian military history and impacted Europe Asia and the world over the past eight centuries Russian military history is an often overlooked field Yet Russia is and has long been an important player in global politics and its military exploits have been central to its role on the world stage This study of Russia's military past provides insights into European and U.S. history including the conduct of the two World Wars and the Cold War and will help readers better appreciate the current geopolitical situation This work covers major events and figures in Russian military history from the end of Mongol domination in the 14th century to the present day More than 650 entries by scores of expert contributors detail events individuals organizations and ideas that have influenced Russian warfare over 800 years Two alphabetically arranged volumes explore such conflicts as the Russo Polish Wars the Great Northern War the Russo Turkish Wars the Napoleonic Wars the Crimean War the Russo Japanese War World War I World War II and the Cold War including the Soviet invasion of Afghanistan Cross references and further readings in each entry serve as jumping off points for further exploration

The Birth of a Great Power System, 1740-1815 Hamish Scott, 2014-07-22 The Birth of a Great Power System 1740-1815 examines a key development in modern European history the origins and emergence of a competitive state system H. M. Scott demonstrates how the well known and dramatic events of these decades the emergence of Russia and Prussia the three partitions of Poland the continuing retreat of the Ottoman Empire the unprecedented territorial expansion of Revolutionary and Napoleonic France halted by the final defeat of Napoleon were part of a wider process that created the modern great power system dominated by Europe's five leading states Enhanced by maps and a chronology of principal events this comprehensive and accessible textbook is fully up to date in its coverage of recent scholarship Unlike many other treatments of this period Scott extends his beyond the French Revolution of 1789 in order to demonstrate how events both before and after this great upheaval merged to produce the central political development in modern European history This book addresses the crucial phase in the emergence of the modern international system which with the subsequent addition of the USA Japan and Russia has prevailed until the present day

On the Religious Frontier Firouzeh Mostashari, 2017-05-30

Modern Russia's turbulent relations with its Muslim frontiers date back centuries. Indeed, the nineteenth century, when the Muslim Caucasus first came under Russian rule, witnessed many of the historical antecedents to today's violent confrontations. With this in mind, *On The Religious Frontier* examines the history of Muslim Azerbaijan under Christian Orthodox Russian imperial rule and the attempts of the Russian administrators of the Caucasus to integrate the region into the empire. Drawing on original archival research from across Azerbaijan and Russia, Firouzeh Mostashari considers the formation of a Russian colonial administration in the Muslim Caucasus, subsequent social, political, and economic developments, and the local responses to conquest, military rule, and Russification. From 1804 to the Bolshevik Revolution of 1917, *On The Religious Frontier* offers a fascinating and timely insight into both the period itself and the ways in which the seeds of recent conflict were sown in tsarist Russia. This is important reading for all scholars of the history and politics of the Caucasus, as well as those with an interest in imperial Russia and its relationship with minority groups. *Foreign Policy in Comparative Perspective* Ryan K. Beasley, Juliet Kaarbo, Jeffrey S. Lantis, Michael T. Snarr, 2012-04-25. Widely regarded as the most comprehensive comparative foreign policy text, *Foreign Policy in Comparative Perspective* has been completely updated in this much anticipated second edition. Exploring the foreign policies of thirteen nations, both major and emerging players, and representing all regions of the world, chapter authors link the study of international relations to domestic politics while treating each nation according to individual histories and contemporary dilemmas. The book's accessible theoretical framework is designed to enable comparative analysis, helping students discern patterns to understand why a state acts as it does in foreign affairs. **Russia in the Time of Cholera** John P. Davis, 2018-03-09. As the nineteenth century drew to a close and epidemics in western Europe were waning, the deadly cholera vibrio continued to wreak havoc in Russia, outlasting the Romanovs. Scholars have since argued that cholera eventually fell prey to better sanitation and strict quarantine under the Soviets, citing as evidence imperial mismanagement, a backward tsarist medical system, and physicians' anachronistic environmental interpretations of the disease. Drawing on extensive archival research and the so-called material turn in historiography, however, John P. Davis here demonstrates that Romanov-era physicians' environmental approach to disease was not ill-grounded, nor a consequence of neo-liberal or populist political leanings, but born of pragmatic scientific considerations. The physicians confronted cholera in a broad and sophisticated way, essentially laying the foundations for the system of public health that the Soviets successfully used to defeat cholera during the New Economic Policy, 1922-1928. By focusing for the first time on the conclusion of the cholera epoch in Russia, Davis adds an indispensable layer of nuance to the existing conception of Romanov Russia and its complicated legacy in the Soviet period. *Russia's European Choice* T. Hopf, 2008-05-26. Russia has never been able to escape its relationship with Europe, or Europe with Russia. Geography and history have conspired to make them both neighbors and unavoidable factors in each other's daily lives. From the early 1700s until the collapse of the Soviet Union in 1991, Europe and Moscow both relied on material power to balance against any

threats emerging from East and West More recently Europe and the EU have adopted a different strategy make Russia non threatening by making it European like us Meanwhile Russia s resistance to Europe s assimilationist mission is increasingly robust fuelled by energy exports to Europe and the world Contributors to this volume wrestle with the question of whether the European project is feasible desirable or even ethical

Strategic Partners Jeanne Lorraine Wilson, 2004 Russia s foreign policy experience in the first post Soviet decade was marked by disappointments as well as surprising turns Expectations that Russia would join the Western powers as an equal partner were frustrated while relations with the People s Republic of China warmed considerably Today Russia s relationship with China is an important component of its overall foreign policy orientation as the two states one greatly diminished the other clearly on the rise have found themselves sharing an interest in curbing the power of the United States In analyzing Russia s evolving foreign policy vis a vis China the author takes into account the legacy of Soviet era precedents the simultaneous processes of economic policy change and integration into global economic structures and military relations By shedding light on the role of political realism decision makers and exogenous factors in Russian foreign policy this analysis of an important bilateral relationship contributes to the larger project of understanding international relations and the dynamics of domestic and foreign policy change

Islam in Russia: The Politics of Identity and Security Shireen Hunter, 2016-09-16 This richly detailed study traces the shared history of Russia and Islam in expanding compass from the Tatar civilization within the Russian heartland to the conquered territories of the Caucasus and Central Asia to the larger geopolitical and security context of contemporary Russia on the civilizational divide The study s distinctive analytical drive stresses political and geopolitical relationships over time and into the very complicated present Rich with insight the book is also an incomparable source of factual information about Russia s Muslim populations religious institutions political organizations and ideological movements

Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment Introduction

Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment Offers a diverse range of free eBooks across various genres.

Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment, especially related to Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment books or magazines might include. Look for these in online stores or libraries. Remember that while Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment eBooks, including some popular titles.

FAQs About Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment Books

What is a Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file

instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Empire And The World 1700 1917 The Geopolitics Of Expansion And Containment PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
