Michael Waller

Russian Politics Today The Return Of A Tradition:

Russian Politics Today Michael Waller, 2005-07-22 This introductory text written by an established authority on communist and post communist politics describes how Vladimir Putin has turned to those with backgrounds in the military and security structures to provide stability in today's Russian Federation following the democratising reforms of Gorbachev and the ensuing instability of the Yeltsin presidency Against the background of an increasing authoritarianism which has restored features of the Soviet political system it examines the attempts by social and economic groups to assert themselves against the state using embryonic democratic forms that fall far short of pluralism The book's fourteen chapters offer an exceptionally broad coverage It will appeal to first and second year students in higher education but its deliberately accessible style will also make it attractive to the general reader

Reclaiming Human Rights in a Changing World Order Christopher Sabatini, 2022-10-07 Human rights and the international institutions that strive to protect them are under increasing attack from powerful actors on the global stage from recent political trends even within established democracies and from new technologies Together these threats have undermined what had been a fragile international consensus as recently as two decades ago about the importance of concerted international action to protect human rights and punish those who abuse them China Russia and other nondemocratic regimes have become increasingly bold in acting as if agreed upon international human rights standards no longer exist or at least do not apply to them More broadly domestic political movements based on nationalism religion and populism are challenging human rights norms on nearly every continent And new technologies including autonomous weapons systems and relentless digital surveillance have given national leaders new ways to control or even abuse their citizens with impunity This book examines these new challenges to international and regional human rights in Africa Europe Latin America and the Middle East It is the result of a year of workshops with human rights activists and young leaders from around the world with chapters written by a diverse group of leading scholars Beyond describing the challenges to human rights the book offers targeted practical recommendations for national and multilateral policymakers activists and scholars for concrete actions to protect human rights as well as improve public understanding of why doing so is essential *Reclaiming Human Rights in a Changing World Order* will interest scholars of international relations and human rights law domestic and international activists involved in human rights indeed anyone wanting to understand the implications for the liberal international order of the new geopolitical competition modern technology and political and social movements

Russian Politics Today Susanne A. Wengle, 2022-10-27 An accessible and nuanced introduction to contemporary Russian politics using the theme of stability versus fragility as its overarching framework This innovative textbook explores core themes as well as path breaking insights into the politics of race class gender sexuality and the environment

Russian Politics and Society Richard Sakwa, 2020-08-16 Fully revised and updated to reflect the considerable changes in Russia over the last decade the fifth edition of this classic text builds on the strengths of previous

editions to provide a comprehensive and sophisticated analysis of Russian politics and society The new edition incorporates the latest debates about Russian politics analysing recent institutional and political developments and examines the electoral cycle and prospects of the president elected at the end of the process New to this edition an evaluation of Putin s leadership and the country s political performance under him updated election results and demographic social ethnic national statistics to include results of the 2010 census changes in the party system to electoral legislation and to the composition of parliament as well as the relationship between the executive and legislature coverage of the constitutional changes and governmental appointments under the various prime ministers more analysis of economic performance including discussion of the energy sector and pipeline politics changes in Russian foreign policy since EU enlargement its relationship with NATO since the reset as well as its relations with post Soviet states assessment of the military reforms and security and defence policy debates over the question of democracy in Russia today the nature of the system and its future prospects Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia s difficult transformation An unrivalled textbook on the subject it is essential reading for all those concerned with the fate of Russia and with the future of international society *Post-Soviet Affairs* ,2008 **Choice** ,2005 [The Christian Right in Europe](#)

Gionathan Lo Mascolo,2023-11-24 Inspired by the success of the US Christian Right and the rise of the global far right ultraconservative Christians in Europe are joining forces and seek to reshape Europe By assembling in anti gender movements and sharing anti Muslim narratives they actively influence the political landscape and shape government policies The contributors offer new perspectives on the protagonists and the entangled networks that work to abolish liberal democracy in Europe behind the scenes This anthology is the first to bring together case studies on the Christian Right in over 20 European countries providing a transnational perspective and an accessible insight for clergy politicians and academics alike **At the Vanishing Point in History** Marina F. Bykova,2024-11-14 Putin s war has prompted a deep analysis and reevaluation of the forces driving this deadly confrontation At the Vanishing Point in History brings together renowned humanities scholars and prominent novelists to explore the roots and causes of the ongoing catastrophe in Eastern Europe This distinguished group of Russian migr s well versed in Russian culture history and philosophy aims to examine the past to understand the present Experts in the inner workings of Russian society who have fled the country they believe it is their responsibility to critically assess the current crisis reflect on its origins and outline the agenda for future research in the humanities In response to this challenge they present a collection of analytical essays that offer essential background and context for understanding the unfolding events in Europe Today s Russia is perhaps the most representative example of the grave threat that tyranny poses to global civilization In its brutal attack on Ukraine Putin s regime holds not only Russians but all of humanity hostage The atrocities committed in the name of the Russian world make it urgent to thoroughly investigate Russia s current political pursuit in order to uncover its true origins and find a way forward *Pornography And*

Democratization Paul Goldschmidt, 2019-06-04 Explores the politics of pornography and censorship in Russia today as a facet of the overall process of creating a liberal democracy in the Former Soviet Union In this book Paul Goldschmidt explores the politics of pornography in Russia today as a facet of the overall process of creating a liberal democracy in the Former Soviet Union He clarifi

Chechnya Richard Sakwa, 2005 The struggle for Chechnya has come to international prominence in recent years through a string of high profile atrocities such as the hostage seizures at Beslan and the Dubrovka theatre IN Moscow For the first time Western Russian and Chechen perspectives on the conflict are brought together in a single authoritative new volume in which leading experts from all sides of the crisis provide a unique insight into its causes and contexts Chechnya from Past to Future creates a historical framework against which the most pressing issues raised by the Chechen struggle are considered including the rights and wrongs of Chechen secessionism the role of Islamic and Western international agencies in defending human rights the conduct of the war changing perceptions of the war against the backdrop of international terrorism democracy in Chechnya itself and the uncertain fate of democracy in Russia as a whole The precarious position of Chechnya is one of the most important social and political situations of our times and this book should be of interest to anyone with an interest in the world we live in

Sufism in Europe and North America David Westerlund, 2004-07-31 This book focuses mainly on issues of inculturation or contextualization of Sufism in the West

Transnational Cinema and Ideology Milja Radovic, 2014-06-13 Increasingly as the production distribution and audience of films cross national boundaries film scholars have begun to think in terms of transnational rather than national cinema This book is positioned within the emerging field of transnational cinema and offers a groundbreaking study of the relationship between transnational cinema and ideology The book focuses in particular on the complex ways in which religion identity and cultural myths interact in specific cinematic representations of ideology Author Milja Radovic approaches the selected films as national regional products and then moves on to comparative analysis and discussion of their transnational aspects This book also addresses the question of whether transnationalism reinforces the nation or not one of the possible answers to this question may be given through the exploration of the cinema of national states and its transnational aspects Radovic illustrates the ways in which these issues represented and framed by films are transmitted beyond their nation state borders and local ideologies in which they originated and questions whether therefore one can have an understanding of transnational cinema as a platform for political dialogue

The Rebirth of Russian Democracy Nicolai N. Petro, 1995 Includes bibliographical references and index

Religion and the State in Russia and China Christopher Marsh, 2011-01-20

The Victims Return Stephen F. Cohen, 2013-02-28 Stalin s reign of terror in the Soviet Union has been called the other Holocaust During the Stalin years it is thought that more innocent men women and children perished than in Hitler s destruction of the European Jews Many millions died in Stalin s Gulag of torture prisons and forced labour camps yet others survived and were freed after his death in 1953 This book is the story of the survivors Long kept secret by

Soviet repression and censorship it is now told by renowned author and historian Stephen F Cohen who came to know many former Gulag inmates during his frequent trips to Moscow over a period of thirty years Based on first hand interviews with the victims themselves and on newly available materials Cohen provides a powerful narrative of the survivors post Gulag saga from their liberation and return to Soviet society to their long struggle to salvage what remained of their shattered lives and to obtain justice Spanning more than fifty years *The Victims Return* combines individual stories with the fierce political conflicts that raged both in society and in the Kremlin over the victims of the terror and the people who had victimized them This compelling book will be essential reading for anyone interested in Russian history **Routledge Handbook of**

Russian Politics and Society Graeme Gill, 2022-12-23 This second edition of the highly respected Routledge Handbook of Russian Politics and Society both provides a broad overview of the area and highlights cutting edge research into the country Through balanced theoretical and empirical investigation each chapter examines both the Russian experience and the existing literature identifies and exemplifies research trends and highlights the richness of experience history and continued challenges inherent to this enduringly fascinating and shifting polity Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook answers questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption the development of a market economy and Russia's likely place in the emerging new world order Providing a comprehensive resource for scholars students and policy makers alike this book is an essential contribution to the study of Russian studies politics Eastern European studies politics and International Relations

Regional politics in Russia Cameron Ross, 2024-06-04 This innovative multi contributed book now available in paperback argues convincingly that Russia will never be able to create a viable democracy as long as authoritarian regimes are able to flourish in the regions The main themes covered are democratisation at the regional level and the problems faced by the federal states in forging viable democratic institutions in what is now a highly asymmetrical Federation A major strength of the book lies in its combination of thematic chapters with case studies of particular regions and republics Very little has been published to date on the actual processes of democratisation in particular republics and regions The book takes into account the literature available on the new institutionalism and outlines the importance of institutions in developing and maintaining democracy It looks at the importance of sovereignty federalism and democratic order and considers the distinct problems of party building in Russia's regions Electoral politics are also considered fully before the book goes on to consider the whole issue of regional politics and democratisation in five particular areas of Russia Novgorod the Komi Republic Russia's Far East Tatarstan and Bashkortostan The authors the majority of whom are internationally recognised experts in their field have been drawn from Britain the USA Russia and Germany giving the book a truly global perspective **Sources of Korean Tradition: From the sixteenth to the twentieth centuries** Peter H. Lee, William

Theodore De Bary, Wm. Theodore De Bary, 1997 This collection of seminal primary readings in the social intellectual and religious traditions of Korea from the sixteenth century to the present day lays the groundwork for understanding Korean civilization and demonstrates how leading intellectuals and public figures in Korea have looked at life the traditions of their ancestors and the world they lived in

The Agony of the Russian Idea Tim McDaniel, 1998-07-13 Boris Yeltsin's attempts at democratic reform have plunged a long troubled Russia even further into turmoil This dramatic break with the Soviet past has left Russia politically fragmented and riddled with corruption its people with little hope for the future In a fascinating account for anyone interested in Russia's current political struggles Tim McDaniel explores the inability of all its leaders over the last two centuries tsars and Communist rulers alike to create the foundations of a viable modern society The problem then and now he argues is rooted in a cultural trap endemic to Russian society and linked to a unique sense of destiny embodied by the Russian idea In its most basic sense the Russian idea is the belief that Russia can forge a path in the modern world that sets itself apart from the West through adherence to shared beliefs community and equality These cultural values according to McDaniel have mainly reversed the values of Western society rather than having provided a real alternative to them By relying on the Russian idea in their programs of change dictatorial governments almost unavoidably precipitated social breakdown When the Yeltsin government declared war on the Communist past it broke with deeply held Russian values and traditions McDaniel shows that in cutting people off from their pasts and promoting the West as the sole model of modernity the reformers have simultaneously undermined the foundations of Russian morality and the people's sense of a future Unwittingly the Yeltsin government has thereby annihilated its own authority McDaniel lived in Russia for three years during both the Communist and post Communist periods Basing his analysis on broad historical research extensive travels countless interviews and conversations and friendships with Russians from all walks of life McDaniel emphasizes the perils of assuming that Russians understand the world in the same way that we do and so can and should become like us Challenging and provocative in its claims this book is intended for anyone seeking to understand Russia's attempts to create a new society

The Return of Eurasia Glenn Diesen, Alexander Lukin, 2021-07-23 This book defines Eurasianism a political idea with a long tradition for a new century Historically Eurasia was depicted as a third continent with a geographical and historical space distinctively different from both Europe and Asia Today the concept is mobilized by the Russian foreign policy elite to imagine a close relationship with China and indirectly inspires the Chinese Belt and Road Initiative A Russian Chinese partnership forms the core of a new Eurasian region yet Turkey India Hungary Central Asia and the other parts of the supercontinent are also embracing Eurasian concepts This book is of interest to scholars of Russian and Chinese foreign policy to economists and to scholars of political thought

As recognized, adventure as skillfully as experience approximately lesson, amusement, as skillfully as contract can be gotten by just checking out a ebook **Russian Politics Today The Return Of A Tradition** then it is not directly done, you could give a positive response even more around this life, on the subject of the world.

We manage to pay for you this proper as with ease as easy pretentiousness to get those all. We have enough money Russian Politics Today The Return Of A Tradition and numerous books collections from fictions to scientific research in any way. along with them is this Russian Politics Today The Return Of A Tradition that can be your partner.

Russian Politics Today The Return Of A Tradition Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Politics Today The Return Of A Tradition free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Politics Today The Return Of A Tradition free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian Politics Today The

Return Of A Tradition free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russian Politics Today The Return Of A Tradition. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Politics Today The Return Of A Tradition any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russian Politics Today The Return Of A Tradition Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Politics Today The Return Of A Tradition is one of the best book in our library for free trial. We provide copy of Russian Politics Today The Return Of A Tradition in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Politics Today The Return Of A Tradition. Where to download Russian Politics Today The Return Of A Tradition online for free? Are you looking for Russian Politics Today The Return Of A Tradition PDF? This is definitely going to save you time and cash in something you should think about.
