Polina Eismont, Maria Khokhlova, Mikhail Koryshev, 2025-03-26 This book brings together the selected revised papers representing a multidisciplinary approach to language and literature The collection presents studies performed using the methods of computational linguistics in accordance with the traditions of Russian linguistic and literary studies primarily in line with the Leningrad Petersburg philological school The book comprises the papers allocated into two sections discussing the study of corpora in language translation and literary studies and the use of computing in language teaching and translation and in emotional text processing A unique feature of the presented collection is that the papers compiled in one volume allow readers to get an understanding of a wide range of research conducted in Saint Petersburg State University and other Russian leading scientific institutions Both the classical tradition of Saint Petersburg philology and the results obtained with the help of new computer technologies as a sample of the symbiosis of technologies and traditions which bring research to a qualitatively new level to arouse interest      Russian Writers and the Fin de Siècle Katherine Bowers, Ani Kokobobo, 2015-06-17 An essay collection that explores Russian literature and culture in relation to the late nineteenth century fin de siècle      **Twentieth-Century Russian Poetry** Katharine Hodgson, Joanne Shelton, Alexandra

Smith, 2017-04-21 The canon of Russian poetry has been reshaped since the fall of the Soviet Union A multi authored study of changing cultural memory and identity this revisionary work charts Russia's shifting relationship to its own literature in the face of social upheaval Literary canon and national identity are inextricably tied together the composition of a canon being the attempt to single out those literary works that best express a nation's culture This process is of course fluid and subject to significant shifts particularly at times of epochal change This volume explores changes in the canon of twentieth century Russian poetry from the 1991 collapse of the Soviet Union to the end of Putin's second term as Russian President in 2008 In

the wake of major institutional changes such as the abolition of state censorship and the introduction of a market economy the way was open for wholesale reinterpretation of twentieth century poets such as Iosif Brodskii Anna Akhmatova and Osip Mandelstam their works and their lives In the last twenty years many critics have discussed the possibility of various coexisting canons rooted in official and non official literature and suggested replacing the term Soviet literature with a new definition Russian literature of the Soviet period Contributions to this volume explore the multiple factors involved in reshaping the canon understood as a body of literary texts given exemplary or representative status as classics Among factors which may influence the composition of the canon are educational institutions competing views of scholars and critics including figures outside Russia and the self canonising activity of poets themselves Canon revision further reflects contemporary concerns with the destabilising effects of emigration and the internet and the desire to reconnect with pre revolutionary cultural traditions through a narrative of the past which foregrounds continuity Despite persistent nostalgic yearnings in some quarters for a single canon the current situation is defiantly diverse balancing both the Soviet literary tradition and the parallel contemporaneous literary worlds of the emigration and the underground Required reading for students teachers and lovers of Russian literature Twentieth Century Russian Poetry brings our understanding of post Soviet Russia up to date Rosa Newmarch and Russian Music in Late Nineteenth and Early Twentieth-Century England

Philip Ross Bullock, 2017-07-05 Philip Ross Bullock looks at the life and works of Rosa Newmarch 1857-1940 the leading authority on Russian music and culture in late nineteenth and early twentieth century England Although Newmarch's work and influence are often acknowledged most particularly by scholars of English poetry and of the role of women in English music the full range of her ideas and activities has yet to be studied As an inveterate traveller prolific author and polyglot friend of some of Europe's leading musicians such as Elgar Sibelius and Janáček Newmarch deserves to be better appreciated On the basis of both published and archival materials the details of Newmarch's busy life are traced in an opening chapter followed by an overview of English interest in Russian culture around the turn of the century a period which saw a long standing Russophobia largely political and military challenged by a more passionate and well informed interest in the arts Three chapters then deal with the features that characterize Newmarch's engagement with Russian culture and society and more significantly perhaps which she also championed in her native England nationalism the role of the intelligentsia and feminism In each case Newmarch's interest in Russia was no mere instance of ethnographic curiosity rather her observations about and passion for Russia were translated into a commentary on the state of contemporary English cultural and social life Her interest in nationalism was based on the conviction that each country deserved an art of its own Her call for artists and intellectuals to play a vital role in the cultural and social life of the country illustrated how her Russian experiences could map onto the liberal values of Victorian England And her feminism was linked to the idea that women could exercise roles of authority and influence in society through participation in the arts A final chapter considers how her late interest in the
