O'Neill**

Russian Thinkers His Selected Writings:

Russian Thinkers Isaiah Berlin, 1978 **Anton Chekhov Through the Eyes of Russian Thinkers** Olga Tabachnikova, 2012 The collection is comprised of twelve scholarly essays written by leading Chekhov specialists from around the world each analysing an interpretation of Chekhov by one of three Russian thinkers of the Silver Age of Russian culture Vasilii Rozanov Dmitrii Merezhkovskii and Lev Shestov It thus examines the hitherto under researched relationship between the origins and the results of the cultural phase that came to be known as the Silver Age and focuses specifically on the complex connections between Chekhov's legacy and the Russian culture of that period Selected Writings: Russian thinkers Isaiah Berlin, 1978

Selected Essays Viacheslav Ivanovich Ivanov, 2001 A poet critic and theoretician at the turn of the 20th century Viacheslav Ivanov was dubbed Viacheslav the Magnificent by his contemporaries This volume of essays covers a broad range of Ivanov's interests including the aesthetics of Symbolism theatre and culturological concerns

In Search of Isaiah Berlin Henry Hardy, 2020-07-30 The compelling story of a decades long collaboration between social and political theorist Isaiah Berlin and his editor Henry Hardy who made it his vocation to bring Berlin's huge body of work into print Isaiah Berlin was one of the greatest thinkers of the twentieth century a man who set ideas on fire His defence of liberty and plurality was passionate and persuasive and inspired a generation His ideas especially his reasoned rejection of excessive certainty and political despotism have become even more prescient and vital today But who was the man behind such influential views Hardy discovered that Berlin had written far more than people thought much of it unpublished As he describes his struggles with Berlin who was almost on principle unwilling to have his work published an intimate and revealing picture of the self deprecating philosopher emerges This is a unique portrait of a man who gave us a new way of thinking about the human predicament and whose work had for most of his life remained largely out of view **Russian**

Thought After Communism: The Rediscovery of a Philosophical Heritage James P. Scanlan, 2016-09-16 An examination of Russia's philosophical heritage It extends from the Slavophiles to the philosophers of the Silver Age from emigre religious thinkers to Losev and Bakhtin and assesses the meaning for Russian culture as a whole **Selected**

Writings of Regi Siriwardena: Literature and the arts Regi Siriwardena, 2005 Selected articles and essays by Regi Siriwardena Sri Lankan author and critic on literature motion picture theatre politics and society includes book reviews film reviews and some of his creative writings most of the essays published earlier in Sri Lankan newspapers and magazines

Myth of the Nation and Vision of Revolution Ignaz Goldziher, 2017-09-29 In what may well rank as the finest political and intellectual history of the twentieth century the late J L Talmon explores the origins of the schism within European society between the totalitarians of Right and Left as well as the split between an acceptance of the historical national community as the natural political and social framework and the vision of a socialist society achieved by a universal revolutionary breakthrough This the third and final volume of Talmon's history of the modern world brings to bear the

resources of his incisive scholarship to examine the workings of the ironies of totalitarianism as well as the resources of democracy

Political Ideologies and the Democratic Ideal Terence Ball, Richard Dagger, Daniel I O'Neill, 2015-07-17 Political Ideologies and the Democratic Ideal 9 e thoroughly analyzes and compares political ideologies to help readers understand these ideologies as acutely as a political scientist does Used alone or with its companion Ideals and Ideologies A Reader 9 e this best selling title promotes open mindedness and develops critical thinking skills

A History of Russian Philosophy Valery A. Kuvakin, 1994-02 For the first time since the break up of the USSR and with the help of 21 leading historians of Russian philosophy from Moscow State University including M N Gromov Z A Kamensky M A Maslin B G Safronov and V V Serbinenko Valery A Kuvakin presents a comprehensive two volume work capturing the rich philosophical heritage of this diverse culture These scholars discuss its interpretation of the universe the essence of history and human existence the ideals of knowledge and a decent life the destiny of Russia and the life of the world community from the 10th century through the early 20th century These discussions are augmented with selected excerpts from original works which served as examples of the main schools of thought

In Exile Jessica Dubow, 2020-11-12 In In Exile Jessica Dubow situates exile in a new context in which it holds both critical capacity and political potential She not only outlines the origin of the relationship between geography and philosophy in the Judaic intellectual tradition but also makes secular claims out of Judaism s theological sources Analysing key Jewish intellectual figures such as Walter Benjamin Isaiah Berlin and Hannah Arendt Dubow presents exile as a form of thought and action and reconsiders attachments of identity history time and territory In her unique combination of geography philosophy and some of the key themes in Judaic thought she has constructed more than a study of interdisciplinary fluidity She delivers a striking case for understanding the critical imagination in spatial terms and traces this back to a fundamental if forgotten exilic pull at the heart of Judaic thought

Political Theorists in Context Stuart Isaacs, Chris Sparks, 2004-05-20 Focusing on the historical context in which political theorists have developed their thinking this textbook provides an invaluable introduction to students of political thought The authors address a series of canonical major thinkers in the context of three world changing epochs the English French and Industrial revolutions The theorists ideas are assessed with reference to the politics of their time and show how they responded to or interacted with the political events and issues of their day

Bergson and Russian Modernism, 1900-1930 Hilary L. Fink, 1999 This study focuses on the Russian modernist attraction to Bergson s notions of duration and intuition his unbridled optimism in both art and life and his belief in the individual s creative power

The Royal Prerogative and the Learning of the Inns of Court Margaret McGlynn, 2004-12-20 Margaret McGlynn examines legal education at the Inns of Court in the late fifteenth early sixteenth century

Black Wind, White Snow Charles Clover, 2022-07-26 A fascinating study of the root motivations behind the political activities and philosophies of Putin s government in Russia Part intellectual history part portrait gallery Black Wind White Snow traces the background to Putin s ideas with verve and clarity Geoffrey

Hosking Financial Times Required reading This is a vivid panoramic history of bad ideas chasing the metastasis of the doctrine known as Eurasianism Reading Charles Clover will help you understand the world of lies and delusions that is Eurasia Ben Judah Standpoint Charles Clover award winning journalist and former Moscow bureau chief for the Financial Times here analyzes the idea of Eurasianism a theory of Russian national identity based on ethnicity and geography Clover traces Eurasianism s origins in the writings of white Russian exiles in 1920s Europe through Siberia s Gulag archipelago in the 1950s the dissolution of the Soviet Union in the early 1990s and up to its steady infiltration of the governing elite around Vladimir Putin This eye opening analysis pieces together the evidence for Eurasianism s place at the heart of Kremlin thinking today and explores its impact on recent events the annexation of Crimea and the rise in Russia of anti Western paranoia and imperialist rhetoric as well as Putin s sometimes perplexing political actions and ambitions Based on extensive research and dozens of interviews with Putin s close advisers this quietly explosive story will be essential reading for anyone concerned with Russia s past century and its future

Silver Age and After: Repressed Russian Poets, Artists and Philosophers during the Soviet Period Roberto Echavarren, 2024-09-17 The details of the Jewish Holocaust have become part of our history through the testimony of those who survived the death camps The details of Lenin s and Stalin s reign of terror are far less known because they took place behind a wall of secrecy and because survivors have been loath to speak about them for fear of retribution This is an encompassing volume presenting an intense display as complete as can be of poets artists musicians and philosophers and intellectual actors implicated in different aspects of Russian life roughly through the period 1900 1960 They were people who had lived under the Soviet regime in times of peace and in times of war from the Red Terror through the Great Terror One must bear in mind the political and economic conditions in which those lives developed the one party rule placed above both the government and the citizens the abashment of the division of powers the suppression of private property and private economic initiative the political police and the GULAG I deal with the poets in several chapters then theater directors then composers then philosophers these both in the introduction and in the play at the end of the book Besides the Prologue and Introduction the reader will find an Index of historical names plus an extensive Bibliography The work can be used for reference for classroom adoption for researchers practitioners of Russian Literature Political Studies Slavic Studies and Russian History

Tolstoy and the Religious Culture of His Time Inessa Medzhibovskaya, 2009-07-15 The first book length study on the subject in any language Tolstoy and the Religious Culture of His Time treats Tolstoy s experience as a massive philosophical and religious project rather than a crisis laden tragedy Inessa Medzhibovskaya explains the evolution of Tolstoy s religious outlook based on his ongoing dialogue with the tradition of conversion in Europe and Russia as well as on the demands of his own heart mind and spirit The author contextualizes Tolstoy s conversion comparing his pattern of religious conversion with that of other notable religious converts Saint Paul Saint Augustine Luther Pascal Rousseau as well with that of Tolstoy s countrymen Pushkin Gogol Chaadaev Stankevich

Belinsky Herzen and Dostoevsky Stressing the importance of the religious culture of his time for Tolstoy this study investigates the nineteenth century debates that inspired and repelled Tolstoy as he weighed arguments for or against faith in his dialogues with the culture of his time covering widely differing fields and disciplines of experimental knowledge The author considers German Romantic philosophy the natural sciences pragmatist religious solutions theories of social progress and evolution and the historical school of Christianity Medzhibovskaya stresses the fact that influential intellectual currents were as important to Tolstoy as believers and nonbelievers were from and beyond his immediate environment The author argues that in this sense Tolstoy s conversion emerges as deeply intertextual and this surprising discovery should not diminish our trust in Tolstoy s sincerity during his religious evolution which occurred both spontaneously as well as deliberately The polyphony of discreet spiritual moments that Tolstoy created by fusing in his narratives of conversion religious and artistic realms is arguably his greatest contribution to spiritual autobiography **Selected Essays of**

Protopresbyter Michael Pomazansky Michael Pomazansky, 2021-01-25 This is a collection of essays by one of the giants of the twentieth century Russian emigration He died in Jordanville New York in 1988 only a few days before his one hundredth birthday His characteristic spirit of deep humility infuses these writings Subjects addressed in this collection include biblical criticism Catholicity and Cooperation in the Church Liturgical Books serving in the Church the liturgical theology of Fr Alexander Schmemmann the Glorification of Saints Children in the Church and much more [Philosophical Thought in Russia in the Second Half of the Twentieth Century](#) Vladislav Lektorsky, Marina F. Bykova, 2019-01-10 Philosophical Thought in Russia in the Second Half of the 20th Century is the first book of its kind that offers a systematic overview of an often misrepresented period in Russia s philosophy Focusing on philosophical ideas produced during the late 1950s early 1990s it reconstructs the development of genuine philosophical thought in the Soviet period and introduces those non dogmatic Russian thinkers who saw in philosophy a means of reforming social and intellectual life Covering such areas of philosophical inquiry as philosophy of science philosophical anthropology the history of philosophy activity approach as well as communication and dialogue studies the volume presents and thoroughly discusses central topics and concepts developed by Soviet thinkers in that particular fields Written by a team of internationally recognized scholars from Russia and abroad it examines the work of well known Soviet philosophers such as Mikhail Bakhtin Evald Ilyenkov and Merab Mamardashvili as well as those important figures such as Vladimir Bibler Alexander Zinoviev Yury Lotman Georgy Shchedrovitsky Genrich Batishchev Sergey Rubinstein and others who have often been overlooked By introducing and examining original philosophical ideas that evolved in the Soviet period the book confirms that not all Soviet philosophy was dogmatic and tied to orthodox Marxism and the ideology of Marxism Leninism It shows Russian philosophical development of the Soviet period in a new light as a philosophy defined by a genuine discourse of exploration and intellectual progress rather than stagnation and dogmatism In addition to providing the historical and cultural background that explains the development of the 20th

century Russian philosophy the book also puts the discussed ideas and theories in the context of contemporary philosophical discussions showing their relevance to nowadays debates in Western philosophy With short biographies of key thinkers an extensive current bibliography and a detailed chronology of Soviet philosophy this research resource provides a new understanding of the Soviet period and its intellectual legacy 100 years after the Russian Revolution *Nabokov and His Books* Duncan White, 2017 At the outbreak of the Second World War Vladimir Nabokov stood on the brink of losing everything all over again The reputation he had built as the pre eminent Russian novelist in exile was imperilled In Nabokov and his Books Duncan White shows how Nabokov went to America and not only reinvented himself as an American writer but also used the success of *Lolita* to rescue those Russian books that had been threatened by obscurity Using previously unpublished and neglected material White tells the story of Nabokov the professional writer and how he sought to balance his late modernist aesthetics with the demands of a booming American literary marketplace As Nabokov's reputation grew so he took greater and greater control of how his books were produced making the material form of the book including forewords blurbs covers part of the novel In his later novels including *Pale Fire* *Invitation to a Beheading* and *Invitation to a Beheading* the idea of the novelist losing control of his work became the subject of the novels themselves These plots were replicated in Nabokov's own biography as he discovered his inability to control the forces the market success of *Lolita* had unleashed With new insights into Nabokov's life and work this book reconceptualises the way we think about one of the most important and influential novelists of the twentieth century

This is likewise one of the factors by obtaining the soft documents of this **Russian Thinkers His Selected Writings** by online. You might not require more times to spend to go to the books start as capably as search for them. In some cases, you likewise complete not discover the message Russian Thinkers His Selected Writings that you are looking for. It will definitely squander the time.

However below, later than you visit this web page, it will be suitably agreed simple to get as with ease as download guide Russian Thinkers His Selected Writings

It will not assume many time as we run by before. You can do it though play a part something else at house and even in your workplace. consequently easy! So, are you question? Just exercise just what we provide below as competently as review **Russian Thinkers His Selected Writings** what you taking into consideration to read!
