Russian Imperialism

Andrei P. Tsygankov

Russian Imperialism:

Russian Imperialism Dietrich Geyer, 1987-01-01 This book offers a fresh and stimulating analysis of the often elusive relationship between domestic and foreign policy in Russia before the First World War Dietrich Geyer one of Germany's leading historians of Russia discusses a wide variety of economic fiscal institutional and ideological developments within imperial Russia In so doing he brings into sharp relief the difficulties faced by the ruling elites in maintaining Russia's great power position in Europe the Near East and the Far East Now available in English for the first time this widely acclaimed book will be welcomed as an indispensable resource by all those who were unable to read the original German edition By far the most perceptive knowledgeable and intelligent work on the last half century of imperial Russia in print Theodore H Von Laue *Russian History* This important tightly packed book analyzes the basic problems of Russian imperialism thoroughly and with enormous erudition Scholars concerned with imperialism and Russian domestic and foreign problems will welcome this thought provoking work David MacKenzie *American Historical Review* A convincing and important analysis of the mutual dependence of autocratic domestic and foreign politics This book ought to be the occasion for a renewed and wide discussion of Russian imperialism and should give rise to further studies of the question Alan Kimball *Slavic Review* This is a remarkably good book Good in many respects quality of research and writing breadth of view command of the facts balance and penetration in judgment familiarity with relevant theory The book represents a revived and deepened historicism Paul W Schroeder *Journal of Modern History* *Russian Imperialism from Ivan the Great to the Revolution* Taras Hunczak, 1974

The Strategy of Russian Imperialism Martin Sicker, 1988-05-06 The USSR's different spheres of influence each present their own special problems This is particularly true of areas outside Eastern Europe and areas non contiguous with the borders of the USSR Sicker defines and clarifies the two major Soviet perceptions of policy that radically differ from most western perspectives patience with long term policy and the belief that class struggle law is of primary importance superseding even international law The first part of the book considers the pattern and process of expansion that has created the USSR's current configuration in Eurasia The chapters demonstrate that in many respects Soviet policies are similar in objective to their Czarist forerunners Part II addresses current problems in Soviet geostrategic politics and includes discussions on their evolution and the necessity of their solution in order to preserve the viability of the USSR's spheres of influence **Russian Imperialism Revisited** Domitilla Sagramoso, 2020-03-05 This book examines the nature of Russia's relations with the former Soviet states FSS in particular with countries which formed the Commonwealth of Independent States in order to assess whether there has been a resurgence of Russian imperialism since the collapse of the USSR The book sets out to determine whether Russian leaders have attempted to restore a sphere of influence over the former Soviet republics or whether Russia's policies reflect a genuine desire to establish normal state to state relations with the new states It adopts a comprehensive approach analysing Russia's policies towards the FSS across a broad range of areas energy trade

and investment military assistance security provision and peacekeeping conflict management political support and alliance formation While not denying the Kremlin's assertive role in the FSS this book challenges the assumption that Russia has always intended to restore a sphere of influence over its Near Abroad Rather it argues that Russia's policies are much more complex multi faceted and often more incoherent than is often assumed In essence Russia's actions generally reflect a combination of legitimate state interests enduring Soviet legacies and genuine concerns over events unfolding along Russia's borders This book also shows that at times Great Power nostalgia and a real difficulty with discarding Russia's imperial legacy shapes Russia's behaviour towards the FSS This book will be of great interest to students of Russian politics and foreign policy east European politics and International Relations in general **Russian Imperialism** Ariel

Cohen,1996-08-23 The fall of the Soviet Union was one of the most dramatic events of this century It was also one of the most surprising Evidence of the USSR's impending fall was abundantly available both in theory in the writings on empires and on the ground Yet prior to its downfall the very profession that specialized in the study of the Soviet Union held no consensus that the USSR was an empire to begin with Perhaps because many Sovietologists neglected its status as an empire most Americans were taken completely by surprise when the USSR began its precipitous collapse under Mikhail Gorbachev This book subjects the Soviet Union as an empire to systematic scrutiny using tools and methods at the disposal of modern political science Foreign policy specialists defense experts and Russian area analysts will find this book essential The book is also recommended for undergraduate and graduate courses in Russian and Soviet history and the study of empires **Soviet**

Imperialism Waldemar Gurian,1953 *Russian Imperialism* Ram Swarup,1954 **Russian Foreign Policy in the Twenty-First Century and the Shadow of the Past** Robert Legvold,2007-03-27 Because the turbulent trajectory of Russia's foreign policy since the collapse of the Soviet Union echoes previous moments of social and political transformation history offers a special vantage point from which to judge the current course of events In this book a mix of leading historians and political scientists examines the foreign policy of contemporary Russia over four centuries of history The authors explain the impact of empire and its loss the interweaving of domestic and foreign impulses long standing approaches to national security and the effect of globalization over time Contributors focus on the underlying patterns that have marked Russian foreign policy and that persist today These patterns are driven by the country's political makeup geographical circumstances economic strivings unsettled position in the larger international setting and above all its tortured effort to resolve issues of national identity The argument here is not that the Russia of Putin and his successors must remain trapped by these historical patterns but that history allows for an assessment of how much or how little has changed in Russia's approach to the outside world and creates a foundation for identifying what must change if Russia is to evolve A truly unique collection this volume utilizes history to shed crucial light on Russia's complex occasionally inscrutable relationship with the world In so doing it raises the broader issue of the relationship of history to the study of contemporary foreign policy and how these two

enterprises might be better joined *Russian Foreign Policy and International Relations Theory* Christer Pursiainen, 2017-07-05 An original and challenging examination of how to transform post Sovietological study of Soviet and Russian foreign policy into a more integrated part of the Social Sciences and International Relations Theory This book represents the first detailed and sustained synthesis international relations theory and Soviet Russian foreign and security policy in academic literature *Russian Imperialism from Ivan the Great to the Revolution* Taras Hunczak, 1974 **The Struggle for Asia 1828-1914** David Gillard, 2023-05-03 The Struggle for Asia 1828 1914 1977 studies a classic case of rival imperialisms British leaders tended to believe that Russian expansion threatened India Russian leaders came to believe in a British threat to their empire Each sought security by trying to control the policies of weaker states which lay between their imperial frontiers and on whose alignment depended the balance of power By 1914 when both felt even more threatened by Germany than by one another Russia seemed to have gained the upper hand in a struggle for hegemony in Asia which had been crucial for the course of world politics This book examines the intellectual origins of the Great Game **Russian Imperialism and Naval Power** Nicholas Papastratigakis, 2011-04-05 From 1904 1905 Russia and Japan were locked in conflict arising from rival imperial ambitions in the Far East Nicholas Papastratigakis offers an integrated analysis of Russian naval strategy in the decade before this Russo Japanese War in which the Russians suffered catastrophic defeat He seeks to determine the extent to which their defeat can be attributed to flawed Tsarist naval strategy in the region Rooted in rich primary resources from Russian French and British archives the book sheds new light on Russia s conduct in international affairs in the pre World War I era He places Russian naval strategy in the broader context of Russian military strategy at the turn of the century and of imperialism and navalism in general This book will be of enormous interest to scholars and students of naval military imperial and Russian history **Investigation of the Ukrainian Famine, 1932-1933** United States. Commission on the Ukraine Famine, 1988 **Deciphering Russian Enigma** Ofer Fridman, Vera Michlin-Shapir, 2024-06-11 This book is about Russia Yet this book is not about Russia per se To those whose sole interest is a better understanding of the Kremlin s decision making and how it shapes Russia s present and future we would refer to a rather long list of sources that we dutifully noted throughout the book Instead based on our expertise in Russian studies and the challenges that we experienced in the past 2 years this book aims to offer a methodology to address questions when there is no right or wrong answer due to lacking reliable information Any attempt to answer this sort of questions using the commonly accepted deductive approach based on scientific methods is bound to fail because of the very nature of these questions Therefore using Russia as a case study this book aims to advance a way of analysing however limited biased and uncertain available information to advance a more critical understanding of the subject in question by using the methodology of dialectic inquiry **Russian Nationalism Since 1856** Astrid S. Tuminez, 2000 This thoughtful book describes the range of nationalist ideas that have taken root in Russia since 1856 Drawing on a wide range of archival documents and

unparalleled interview material from the post Soviet period Tuminez analyzes two cases_Russian panslavism in 1856 1878 and great power nationalism in 1905 1914_when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of nationalism have been malevolent and the author assesses competing nationalist ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior An Illustrated History of the Russian Revolution Valentin Astrof,Aleksandr Nikolaevich Sliapkov,J. Thomas,1928 **Soviet Historians in Crisis, 1928-1932** John Barber,1981-04-16 **M.N. Pokrovskii and the Origins of Soviet Historiography** James D. White,2024-07-08 Focusing on the career of the Soviet historian M N Pokrovskii the author examines the evolution of historical writing in the first decade of Soviet rule As Deputy People s Commissar for Education Pokrovskii was among those who established the academic institutions of the new regime The study of Pokrovskii s writings and the political context in which they were conceived helps explain the origin of interpretations of modern Russian history current in Soviet times The book can for that reason be regarded as a preliminary to the study of the Russian revolutionary era and a key to the critical evaluation of the historical sources for the period **Fraternity as an Overlooked Element in Global Politics** Joanna Kulska,Anna M. Solarz,2025-05-06 This collection of chapters explores the often overlooked concept of fraternity positioning it alongside freedom and equality as a vital pillar of political discourse from its ancient origins to contemporary practice In a comprehensive framework the book delves into fraternity s evolving meanings contexts and functions across Western and non Western settings It highlights fraternity s relational dimension examining it as a term that overlaps with solidarity community and civic friendship The contributors investigate fraternity from three key perspectives its ambivalence and complexity rooted in the tension between inward and outward orientations and its dual presence in secular and religious discourse By uncovering these layers the chapters reveal how fraternity continues to shape and redefine our social and political landscapes Targeted towards students academics and general readers this thought provoking anthology invites readers to reconsider the importance of fraternity in modern society and its potential to foster connections in an increasingly fragmented world Russia and the West from Alexander to Putin Andrei P. Tsygankov,2012-06-28 Covering two centuries of Russian history this book shows how a sense of honor has affected Russia s foreign policy decision making

Russian Imperialism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Imperialism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Imperialism has opened up a world of possibilities. Downloading Russian Imperialism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Imperialism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Imperialism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Imperialism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Imperialism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Imperialism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on

a journey of continuous learning and intellectual growth.

FAQs About Russian Imperialism Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
