Encyclopaedia of Contemporary Russian Tatiana Smorodinskaya, Karen Evans-Romaine, Helena Goscilo, 2013-10-28 The Encyclopedia is an invaluable resource on recent and contemporary Russian culture and history for students teachers and researchers across the disciplines

**Framing Russian Art** Oleg Tarasov, 2012-01-01 The notion of the frame in art can refer not only to a material frame bordering an image but also to a conceptual frame Both meanings are essential to how the work is perceived In Framing Russian Art art historian Oleg Tarasov investigates the role of the frame in its literal function of demarcating a work of art and in its conceptual function affecting the understanding of what is seen The first part of the book is dedicated to the framework of the Russian icon Here Tarasov explores the historical and cultural meanings of the icon s setting and of the iconostasis Tarasov s study then moves through Russian and European art from ancient times to the twentieth century including abstract art and Suprematism Along the way Tarasov pays special attention to the Russian baroque period and the famous nineteenth century Russian battle painter Vasily Vereshchagin This enlightening account of the cultural phenomenon of the frame and its ever changing functions will appeal to students and scholars of Russian art history

**Russian Genre Painting in the Nineteenth Century** Rosalind Polly Blakesley, 2000 This book addresses the little studied area of Russian genre painting in the first three quarters of the nineteenth century Rosalind Gray begins by examining artistic patronage and published texts which engaged with the visual arts in order to illustrate the context in which Russian artists were working Five major painters Venetsianov Bryullov Ivanov Fedotov and Perov are then discussed in detail Dr Gray identifies the vital contribution which these artists made to Russian intellectual life as genre painting was appropriated as a medium in the dissemination of popular values and social change At the same time the relationship between Russian and European art is explored The book demonstrates that far from being a self contained movement Russian genre painting instead engaged in a fluid and complex dialogue with the art of the West

**Russian Folk Art** Alison Hilton, 1995 Russian Folk Art surveys the traditions styles and functions of the many objects made by Russian peasant artists and artisans Placing the objects within the settings in which folk artists worked the peasant household the village and the local market Alison Hilton discusses the principal media artists employed and the items they produced from dippers and goblets to clothing and window frames Emphasizing the balance between time honored forms and techniques and the creativity of individual artists the book explores how images and designs helped to form a Russian esthetic identity in the 19th and 20th centuries Abundantly illustrated with examples from Russian museums Russian Folk Art is a treasure for anyone interested in Russian culture

**Russia's Cultural Statecraft** Tuomas Forsberg, Sirke Mäkinen, 2021-11-04 This book focusses on Russia s cultural statecraft in dealing with a number of institutional cultural domains such as education museums and monuments high arts and sport It analyses to what extent Russia s cultural activities abroad have been used

for foreign policy purposes and perceived as having a political dimension Building on the concept of cultural statecraft the authors present a broad and nuanced view of how Russia sees the role of culture in its external relations how this shapes the image of Russia and the ways in which this cultural statecraft is received by foreign audiences The expert team of contributors consider what choices are made in fostering this agenda how Russian state authorities see the purpose and limits of various cultural instruments to what extent can the authorities shape these instruments what domains have received more attention and become more politicised and what fields have remained more autonomous The methodological research design of the book as a whole is a comparative case study comparing the nature of Russian cultural statecraft across time target countries and diverse cultural domains It will be of interest to scholars and students of Russian foreign policy and external relations and those working on the role of culture in world politics

### **100 Years On: Revisiting the First Russian Art**

**Exhibition of 1922** Isabel Wünsche, Miriam Leimer, 2022-12-12 The First Russian Art Exhibition Erste Russische Kunstaussstellung which opened at the Galerie van Diemen in Berlin on October 15 1922 and later travelled to Amsterdam introduced a broad Western audience to the most recent artistic developments in Russia The extensive show more than a thousand works including paintings graphic works sculptures stage designs architectural models and works of porcelain was remarkably inclusive in its scope which ranged from traditional figurative painting to the latest constructions of the Russian avant garde Coming on the heels of the Treaty of Rapallo the exhibition was a first cultural step towards bilateral relations between two young and yet internationally isolated new states the Weimar Republic and the Russian Soviet Republic Moving away from the narrow focus on the avant garde the volume presents new research that examines the exhibition's broader historical scope and cultural implications The reception of the exhibition within artistic circles in Germany Europe the United States and Japan in the 1920s is addressed as well as the disposition of many of the works exhibited The combination of longer thematic essays and short features along with reproductions of newly identified works and a selection of unpublished archival materials make this book valuable to both a scholarly and a general readership

### **When Art Makes News**

Katia Dianina, 2012-11-15 From the time the word *kultura* entered the Russian language in the early nineteenth century Russian arts and letters have thrived on controversy At any given time several versions of culture have coexisted in the Russian public sphere The question of what makes something or someone distinctly Russian was at the core of cultural debates in nineteenth century Russia and continues to preoccupy Russian society to the present day When Art Makes News examines the development of a public discourse on national self representation in nineteenth century Russia as it was styled by the visual arts and popular journalism Katia Dianina tells the story of the missing link between high art and public culture revealing that art became the talk of the nation in the second half of the nineteenth century in the pages of mass circulation press At the heart of Dianina's study is a paradox how did culture become the national idea in a country where few were educated enough to appreciate it Dianina questions the traditional assumptions that culture in tsarist Russia was built primarily from the top down and classical literature alone was responsible for imagining the national community When Art Makes News will appeal to all those interested in Russian culture as well as scholars and students in museum and exhibition studies

### **Photographing, Exploring and Exhibiting Russian Turkestan**

Inessa Kouteinikova, 2022-12-30 This book illuminates the crucial role photography played from the very beginning of the Russian colonial presence in Central Asia and its entanglement with the orientalist legacy that followed Inessa Kouteinikova examines these understudied materials while also addressing the photographic market and reception of photography in the Russian Empire the position of the popular press the place of public exhibitions and emergence of the first ethnographic museums that took pace from Moscow to Tashkent during the time of the Russian conquest This book embraces the dominant mode for representing the new colonial

territories in the mid late 19th century Russia by outlining the technical commercial and artistic milieus during the Golden Age of Russian orientalism The book will be of interest to scholars working in art history history of photography and Russian studies

*Russian and Soviet Views of Modern Western Art* Ilia Dorontchenkov, N. A. Gur'ianova, 2009 From the first Modernist exhibitions in the late 1890s to the Soviet rupture with the West in the mid 1930s Russian artists and writers came into wide contact with modern European art and ideas Introducing a wealth of little known material set in an illuminating interpretive context this sourcebook presents Russian and Soviet views of Western art during this critical period of cultural transformation The writings document complex responses to these works and ideas before the Russians lost contact with them almost entirely Many of these writings have been unavailable to foreign readers and until recently were not widely known even to Russian scholars Both an important reference and a valuable resource for classrooms the book includes an introductory essay and shorter introductions to the individual sections

Reclaiming and Redefining American Exhibitions of Russian Art Roann Barris, 2023-08-23 This book examines the history of American exhibitions of Russian art in the twentieth century in the context of the Cold War Because this history reflects changes in museological theory and the role of governments in facilitating or preventing intercultural cooperation it uncovers a story that is far more complex than a chronological listing of exhibition names and art works Roann Barris considers questions of stylistic appropriations and influences and the role of museum exhibitions in promoting international and artistic exchanges Barris reveals that Soviet and American exchanges in the world of art were extensive and persistent despite political disagreements before during and after the Cold War It also reveals that these early exhibitions communicated contradictory and historically invalid pictures of the Russian or Soviet avant garde The book will be of interest to scholars working in art history museum studies and Russian studies

**Information and Empire** Simon Franklin, Katherine Bowers, 2017-11-27 From the mid sixteenth to the mid nineteenth century Russia was transformed from a moderate sized land locked principality into the largest empire on earth How did systems of information and communication shape and reflect this extraordinary change

*Information and Mechanisms of Communication in Russia 1600 1850* brings together a range of contributions to shed some light on this complex question Communication networks such as the postal service and the gathering and circulation of news are examined alongside the growth of a bureaucratic apparatus that informed the government about its country and its people The inscription of space is considered from the point of view of mapping and the changing public graphosphere of signs and monuments More than a series of institutional histories this book is concerned with the way Russia discovered itself envisioned itself and represented itself to its people Innovative and scholarly this collection breaks new ground in its approach to communication and information as a field of study in Russia More broadly it is an accessible contribution to pre modern information studies taking as its basis a country whose history often serves to challenge habitual Western models of development It is important reading not only for specialists in Russian Studies but also for students and non Russianists who

are interested in the history of information and communications      **The Private Collections of Russian Turkestan in the Second Half of the 19th and Early 20th Century** Svetlana Gorshenina,2021-10-11 No detailed description available for The Private Collections of Russian Turkestan in the Second Half of the 19th and Early 20th Century      **Russian Avant-Garde** Evgueny Kovtun,2012-01-05 The Russian Avant garde was born at the turn of the 20th century in pre revolutionary Russia The intellectual and cultural turmoil had then reached a peak and provided fertile soil for the formation of the movement For many artists influenced by European art the movement represented a way of liberating themselves from the social and aesthetic constraints of the past It was these Avant garde artists who through their immense creativity gave birth to abstract art thereby elevating Russian culture to a modern level Such painters as Kandinsky Malevich Goncharova Larionov and Tatlin to name but a few had a definitive impact on 20th century art
