Russian Philosophe Alexander Radishchev:

"A" Russian Philosopher Allan McConnell, 1964

A Russian Philosophe Alexander Radishchev Allen

McConnell, 2012-07-01 Alexander Radishchev's major work *A Journey from St Petersburg to Moscow* first published in 1790 was the most scathing denunciation of serfdom and autocracy that had ever appeared in Russia. Its author was immediately arrested, tried for treason and condemned to death, the sentence being later commuted to exile in Siberia. Catherine the Great, who had provided Radishchev with a schooling in the Corps des Pages and with an introduction to the Enlightenment at the University of Leipzig, saw in his book a gratuitous insult to herself as well as an attempt to incite a revolt that would bring him to power. Forgetting that many of its ideas were the same as those she had herself expressed earlier, she denounced it as the fruit of foreign abstract theories acting on an excitable, ambitious and resentful man. The *Journey* was effectively suppressed for more than a century. Any mention of Radishchev was discouraged by the censor for seventy years. A generation after Radishchev's death in 1802, Pushkin's biography of him was refused publication permission on the ground that the subject of it was forgotten and deserved to remain so. [A History of Russian Philosophy](#) Valery A. Kuvakin, 1994-02 For the first time since the break up of the USSR and with the help of 21 leading historians of Russian philosophy from Moscow State University including M. N. Gromov, Z. A. Kamensky, M. A. Maslin, B. G. Safronov and V. V. Serbinenko, Valery A. Kuvakin presents a comprehensive two-volume work capturing the rich philosophical heritage of this diverse culture. These scholars discuss its interpretation of the universe, the essence of history and human existence, the ideals of knowledge and a decent life, the destiny of Russia and the life of the world community from the 10th century through the early 20th century. These discussions are augmented with selected excerpts from original works which served as examples of the main schools of thought. *Russian Philosophy, Volume 1* James M. Edie, 2025-03-14 Russian philosophy begins through the impregnation of the ancient Byzantine tradition of Old Russia by the Western thought of the French Enlightenment and then by German Romanticism. The first original Russian philosopher, Gregory Skovoroda, the Russian Socrates, was followed by the early philosophy of history and culture, Alexander Radishchev and Peter Chasadayev. The fateful break of Russian philosophers into two opposed camps, the Slavophiles, was accomplished by the middle of the nineteenth century. **A Russian Philosophe Alexander Radishchev** Allen McConnell, 2012-12-06 Alexander Radishchev's major work *A Journey from St Petersburg to Moscow* first published in 1790 was the most scathing denunciation of serfdom and autocracy that had ever appeared in Russia. Its author was immediately arrested, tried for treason and condemned to death, the sentence being later commuted to exile in Siberia. Catherine the Great, who had provided Radishchev with a schooling in despotism in the Corps des Pages and with an introduction to the Enlightenment at the University of Leipzig, saw in his book a gratuitous insult to herself as well as an attempt to incite a revolt that would bring him to power. Forgetting that many of its ideas were the same as those she had herself expressed earlier, she denounced it as the fruit of foreign abstract theories.

acting on an excitable ambitious and resentful man The Journey was effectively suppressed for more than a century Any mention of Radishchev was discouraged by the censor for seventy years A generation after Radishchev s death in 1802 Pushkin s biography of him was refused publication permission on the ground that the subject of it was forgotten and deserved to remain so *THE PHILOSOPHICAL IDEAS OF ALEXANDER N. RADISHCHEV..* Jesse V. Clardy,1961 **The Philosophical Ideas of Alexander Radishchev** Jesse V. Clardy,1964 The Philosophical Ideas of Alexander Radishchev Jesse V. Clardy,1964 **A History of Russian Thought from the Enlightenment to Marxism** Andrzej Walicki,1979 This book covers virtually all the significant Russian thinkers from the age of Catherine the Great Down to the eve of the 1905 Revolution *A Russian Philosopher, Alexander Radishchev, 1749-1802* Allen McConnell,1964 Alexander Radishchev s major work *A Journey from St Petersburg to Moscow* first published in 1790 was the most scathing denunciation of serfdom and autocracy that had ever appeared in Russia Its author was immediately arrested tried for treason and condemned to death the sentence being later commuted to exile in Siberia Catherine the Great who had provided Radishchev with a schooling in despotism in the Corps des Pages and with an introduction to the Enlightenment at the University of Leipzig saw in his book a gratuitous insult to herself as well as an attempt to incite a revolt that would bring him to power Forgetting that many of its ideas were the same as those she had herself expressed earlier she denounced it as the fruit of foreign abstract theories acting on an excitable ambitious and resentful man The Journey was effectively suppressed for more than a century Any mention of Radishchev was discouraged by the censor for seventy years A generation after Radishchev s death in 1802 Pushkin s biography of him was refused publication permission on the ground that the subject of it was forgotten and deserved to remain so A History of Russian Philosophy Valerii Kuvakin,1994 *A Documentary History of Russian Thought* William J. Leatherbarrow,Derek Offord,1985 Loyalty, Dissent, and Betrayal Leonidas Donskis,2005-01-01 Loyalty and betrayal are among key concepts of the ethic of nationalism Marriage of state and culture which seems the essence of the congruence between political power structure and collective identity usually offers a simple explanation of loyalty and dissent Loyalty is seen as once and for all commitment of the individual to his or her nation whereas betrayal is identified as a failure to commit him or herself to a common cause or as a diversion from the object of political loyalty and cultural linguistic fidelity For conservative or radical nationalists even social and cultural critique of one s people and state can be regarded as treason whereas for their liberal counterparts it is precisely what constitutes political awareness civic virtue and a conscious dedication to the people and culture This book is the first attempt to provide a discursive map of Lithuanian liberal and conservative nationalism Analyzing the works and views of dissenters and critics of society and culture we can reveal a mode of being of liberal nationalism as a social and cultural criticism This volume is of interest for intellectual historians social theorists students of East Central European thought and anyone interested in Baltic studies and the new members of the EU Dissent act of betrayal or loyalty Leonidas Donskis new remarkable study is one consistent thorough and

dedicated effort to provide an answer to that question Zygmunt Bauman from the Preface **Identity and Freedom** Leondas Donskis, 2003-09-02 Identity and Freedom provides a discursive map of Lithuanian liberal nationalism by focusing on the work of three eminent Lithuanian migr scholars Vytautas Kavolis Aleksandras Shtromas and Tomas Venclova Presenting these critics of society and also analysing the significant impact of such writers as George Orwell and Czeslaw Milosz on Lithuanian political and cultural dissent the book elaborates their three models of liberal nationalism as social criticism Incorporating material which has so far only been available in Lithuanian Polish and Russian sources this book will be invaluable for anyone interested in Central and East European politics culture and society Russian English Zoya G. Proshina, Anna A. Eddy, 2016-10-06 A fascinating discussion of Russian English as a World English variety and its function in politics business and culture **Russia and Eastern Europe, 1789-1985** Raymond Pearson, 1989 *T.G. Masaryk (1850-1937)* Robert B. Pynsent, 1989-11-13 Between the wars a personality cult grew around Masaryk These three volumes constitute the first balanced critical assessment of the actual achievement of the university professor who became the first president of Czechoslovakia In this the first volume scholars from Europe and North America offer new insights into the career and ideas of Masaryk during the three decades preceding the outbreak of World War I They appraise his role as critic of injustice and outworn tradition providing a most significant interpretation of his place in modern history Journey from St. Petersburg to Moscow Alexander Radishchev, 2020-11-03 Alexander Radishchev s Journey from St Petersburg to Moscow is among the most important pieces of writing to come out of Russia in the age of Catherine the Great An account of a fictional journey along a postal route it blends literature philosophy and political economy to expose social and economic injustices and their causes at all levels of Russian society Not long after the book s publication in 1790 Radishchev was condemned to death for its radicalism and ultimately exiled to Siberia instead Radishchev s literary journey is guided by intense moral conviction He sought to confront the reader with urgent ethical questions laying bare the cruelty of serfdom and other institutionalized forms of exploitation The Journey s multiple strands include sentimental fictions allegorical discourses poetry theatrical plots historical essays a treatise on raising children and comments on corruption and political economy all informed by Enlightenment arguments and an interest in placing Russia in its European context Radishchev is perhaps the first in a long line of Russian writer dissenters such as Herzen and Solzhenitsyn who created a singular literary idiom to express a subversive message In Andrew Kahn and Irina Reyfman s idiomatic and stylistically sensitive translation one of imperial Russia s most notorious clandestine books is now accessible to English speaking readers **Readings in Russian Civilization Volume II** Thomas Riha, 2009-02-15 This new and enlarged version of Readings in Russian Civilization is the result of fairly extensive revisions There are now 72 instead of 64 items 20 of the selections are new The first volume has undergone the least change with 3 new items of which 2 appear in English for the first time In the second volume there are 6 new items all of them appear in English for the first time The third volume has undergone the greatest revision with 11

new items of which 6 are newly translated from the Russian It is the editor's hope that items left out in the new edition will not be sorely missed and that the new selections will turn out to be useful and illuminating The aim throughout has been to cover areas of knowledge and periods which had been neglected in the first edition and to include topics which are important in the study of the Russian past and present The bibliographical headnotes have been enlarged with the result that there are now approximately twice as many entries as in the old edition New citations include not only works which have appeared since 1963 but also older books and articles which have come to the editor's attention From the Editor's Preface a judicious combination of seminal works and more recent commentaries that achieves the editor's purpose of stimulating curiosity and developing a point of view C Bickford O'Brien The Russian Review These three volumes cover quite well the main periods of Russian civilization The choice of the articles and other material is made by a competent and unbiased scholar Ivan A Lopatin Professor of Asian and Slavic Studies University of Southern California **Soviet Life**, 1975
