Russian Politics And Society An Introduction:

Russian Politics and Society Catherine Danks, 2001-08-01 *Routledge Handbook of Russian Politics and Society* Graeme Gill, James Young, 2013-03-01 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations **Russian Politics and Society** Catherine J. Danks, 2001 Covering Russia s attempted move towards democracy this text includes an evaluation of the collapse of the USSR Gorbachev s reconstruction and the creation of the Russian state It examines the collapse of Soviet power through the Yeltsin years assesses Yeltsin s legacy and Putin s first few months in office and provides coverage of the 1999 State Duma Elections and the March 2000 election of President Putin *Russian Politics and Society* Richard Sakwa, 2002-09-11 First published in 2002 Routledge is an imprint of Taylor Francis an informa company *Routledge Handbook of Russian Politics and Society* Graeme Gill, 2022-12-23 This second edition of the highly respected Routledge Handbook of Russian Politics and Society both provides a broad overview of the area and highlights cutting edge research into the country Through balanced theoretical and empirical investigation each chapter examines both the Russian experience and the existing literature identifies and exemplifies research trends and highlights the richness of experience history and continued challenges inherent to this enduringly fascinating and shifting polity Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook answers questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption the development of a market economy and Russia s likely place in the emerging new world order Providing a comprehensive resource for scholars students and policy makers alike this book is an essential contribution to the study of Russian studies politics Eastern European studies politics and International Relations **Journal of Soviet and Post-Soviet Politics and Society** Julie Fedor, Andriy Portnov, Andreas Umland, 2014-04-01 The Russian war in Ukraine has been accompanied fuelled and legitimized

by a Russian information war campaign that is unprecedented in its scope and nature This Russian state media propaganda campaign has been surprisingly successful in disguising and distorting the nature of the war and shaping the way it is perceived and understood both in Russia and beyond This special inaugural issue of JSPPS sets out to launch an interdisciplinary discussion on the Russian information warfare being waged in parallel with the military war in Ukraine The JOURNAL OF SOVIET AND POST SOVIET POLITICS AND SOCIETY JSPPS is a new bi annual journal about to be launched as a companion journal to the Soviet and Post Soviet Politics and Society SPPS book series founded 2004 and edited by Andreas Umland Dr phil PhD *Introduction to Russian Federation* Gilad James, PhD, 2015 The Russian Federation commonly known as Russia is the largest country in the world in terms of land area It is located in northern Eurasia spanning across two continents Asia and Europe The country is bordered by Azerbaijan Belarus China Estonia Finland Georgia Kazakhstan Latvia Lithuania Mongolia North Korea Norway Poland and Ukraine The capital of Russia is Moscow and the official language is Russian The country has a population of over 145 million people and its economy is the 11th largest in the world Russia is a federal semi presidential republic with a constitution that was adopted in 1993 after the collapse of the Soviet Union Since then Russia has undergone significant political social and economic changes In 2000 Vladimir Putin became the president of Russia and has remained in power for over two decades The current president as of 2021 is Dmitry Medvedev Russia is known for its rich history unique culture and natural resources including oil gas and minerals However the country has also faced international criticism for issues related to human rights corruption and political repression **Russian Women in Politics and Society** Norma Corigliano Noonan, 1996-10-21 An examination of women s roles in politics and society in the contemporary Russian Federation as it creates a new market economy and democratic course born of a millennium of history and nearly 75 years of authoritarian communist rule The stage is set in the introduction followed by an examination of the history of the Bolshevik socialist state in 1917 through the participation of women in recent multiparty elections in 1993 The tsarist and Communist gender culture is presented and the book then considers why and how the Soviet Union disintegrated Next the editors explore the reborn Russia of President Boris Yeltsin and women s rights under Soviet and post Soviet rule The book is enriched by statistical tables and glossaries of the names of leaders and terms for easy identification

Russian Politics Today Susanne A. Wengle, 2022-10-27 *Russian Politics Today Stability and Fragility* provides an accessible and nuanced introduction to contemporary Russian politics at a time of increasing uncertainty Using the theme of stability versus fragility as its overarching framework this innovative textbook explores the forces that shape Russia s politics economy and society The volume provides up to date coverage of core themes Russia s strong presidency its weak party system the role of civil society and its dependence on oil and gas revenues alongside path breaking chapters on the politics of race class gender sexuality and the environment An international and diverse team of experts presents the most comprehensive available account of the evolution of Russian politics in the post Soviet era providing the tools for interpreting

the past and the present while also offering a template for understanding future developments *Society and Politics in the Russian Revolution* R. Service, 1992-05-12 The Russian Revolution of 1917 was an event of the greatest importance but the social groups which were crucial to its development and outcome have been little written about This book brings together a number of prominent British researchers whose work focusses on the connections among politics social aspirations and economics and offers new insights into the reasons why only months after the last tsar fell from power in February 1917 it was the Bolsheviks who seized control and established a communist regime Modernisation in Russia since 1900 Markku Kangaspuro, Jeremy Smith, 2006-12-27 Modernisation has been a constant theme in Russian history at least since Peter the Great launched a series of initiatives aimed at closing the economic technical and cultural gap between Russia and the more advanced countries of Europe All of the leaders of the Soviet Union and post Soviet Russia have been intensely aware of this gap and have pursued a number of strategies some more successful than others in order to modernise the country But it would be wrong to view modernisation as a unilinear process which was the exclusive preserve of the state Modernisation has had profound effects on Russian society and the attitudes of different social groups have been crucial to the success and failure of modernisation This volume examines the broad theme of modernisation in late imperial Soviet and post Soviet Russia both through general overviews of particular topics and specific case studies of modernisation projects and their impact Modernisation is seen not just as an economic policy but as a cultural and social phenomenon reflected through such diverse themes as ideology welfare education gender relations transport political reform and the Internet The result is the most up to date and comprehensive survey of modernisation in Russia available which highlights both one of the perennial problems and the challenges and prospects for contemporary Russia **Russian Civil Society** Alfred B. Evans, Laura A. Henry, Lisa McIntosh Sundstrom, 2006 Undertakes an analysis of the development of civil society in post Soviet Russia This book analyzes the Russian context and considers the roles of the media business organized crime the church the village and the Putin administration in shaping the terrain of public life *Russia's European Choice* T. Hopf, 2008-05-26 Russia has never been able to escape its relationship with Europe or Europe with Russia Geography and history have conspired to make them both neighbors and unavoidable factors in each other's daily lives From the early 1700s until the collapse of the Soviet Union in 1991 Europe and Moscow both relied on material power to balance against any threats emerging from East and West More recently Europe and the EU have adopted a different strategy make Russia non threatening by making it European like us Meanwhile Russia's resistance to Europe's assimilationist mission is increasingly robust fuelled by energy exports to Europe and the world Contributors to this volume wrestle with the question of whether the European project is feasible desirable or even ethical *Japanese and Russian Politics* T. Inoguchi, 2015-01-22 This volume offers a comparative analysis of Japanese and Russian politics in the 2010s examining both domestic dimensions and foreign policy A bi national collaborative effort the volume is structured to offer perspectives on each country from both Russian and Japanese scholars

An introduction by Takashi Inoguchi gives a historical overview of the two countries paths to development as late comers vis vis the West in the late nineteenth century The analysis that follows reveals that Japan and Russia have come to acquire genuinely striking contrasting features frequent leadership change despite extraordinary societal stability and continuity in Japan and infrequent leadership change despite extraordinary ups and downs in Russia Crises in Russia Boris Porfiriev,2016-05-13 This unique book explores the problems of the national crisis management system in Russia a country undergoing political social and economic transition and one which is also prone to natural and man made disasters In detailing policy institutional and legal issues and illustrating a number of case studies the authors offer new ways of resolving the effects of disasters as well as increasing resilience by improving our understanding of the risks and vulnerabilities In the book six chapters offer case studies of various types of disaster written in a unique collaboration between Russian scientists Russian policy makers and Swedish scholars Other chapters relate the role of mass media in Russian society and policy development Taken together the book details changes in a crisis management system policy and approach in a country that has undergone rapid fundamental political economic and social change **Borderland Russians** G. Hønneland,2010-10-13 Geir H nneland discusses some of the big questions in social science What is identity What is the role of identity and narrative in the study of international relations The location is the Kola Peninsula the most heavily militarized area of the world during the Cold War now set to become Europe s next big oil playground *Performing Political Opposition in Russia* Laura Lyytikäinen,2016-10-04 Drawing on fieldwork conducted in Moscow and St Petersburg among the political opposition s youth group Oborona Defence this ground breaking work brings forward a multifaceted and colourful image of the life of political opposition activists in a restricted political environment Existing studies on youth political activism in Russia have mainly dealt with the pro Kremlin youth movements such as Nashi while youth opposition activism has been studied very little Lyytik inen contributes to this gap by showing how youth are also actively organizing against the current government and how Russian oppositional youth activist practices are diverse and constantly evolving Theoretically this book contributes to discussions on activist identities as well as to an understanding of social movements and protest by analysing political protests as social performances The research illustrates how Soviet continuities and liberal ideas are entangled in Russian political activism to create new post socialist political identities and practices It also questions the idea of Russian democratization being tied to its totalitarian past and that of western type liberal democracy being the goal of this process Instead the book proposes that Russian political culture should be analysed on its own and as an entanglement of various interacting systems of thought Post-Soviet Civil Society Anders Uhlin,2006-03-20 The development of civil society has varied greatly across the former Soviet Union The Baltic states have achieved a high level of integration with the West and European Union membership while some regions in Russia lag far behind Now for the first time there is a comparative study of civil society and democratization across post Soviet national borders Acknowledging the

enormous variation throughout the region the book offers unique data on developments in Russia Estonia Latvia and Lithuania Applying an innovative analytical framework derived from theories of democratization civil society social movements and transnational relations the researchers have formulated broader comparisons and generalisations without neglecting the specific post Soviet context The book provides a systematic comparison across sectors as well as nations and includes chapters on NGOs the state and conflict and transnationalisation Quantitative survey data is combined with qualitative interviews and case study research to both confirm previous findings about the weakness of post communist civil society and to qualify previous research

Politics and Society in Provincial Russia Rex A. Wade, Scott Joseph Seregny, 1989 Politics and society in provincial Russia is an attempt by a group of western and Soviet historians to examine the major issues in late Imperial Russian history and the revolution from the vantage point of a single province The contributors aim to provide a description and an analysis of the major social and political developments of the era from the Great Reforms through 1917 as they were played out in this Volga river province located about 600 miles southeast of Moscow while giving a sense of how provincial Russians responded to and helped shape the dramatic events of the period

A Course in Russian History: The Time of Catherine the Great Vasili O. Kliuchevsky, Marshall S. Shatz, 2015-05-20 In this newly translated excerpt from his five volume Course Kliuchevsky 1841 1911 provides a colourful description of Russian court life in the 18th century a dramatic narrative of the coup d etat that brought Catherine II to power a portrait of the empress herself and an analysis of her foreign conquests and her major internal initiatives While Kliuchevsky is critical of Catherine he draws upon her memoirs and other writings and the accounts of her contemporaries to achieve a well rounded and deeply human analysis of her character and personality It is an extraordinary act of historical re creation of the sort that brought Kliuchevsky such renown in his own time and it remains so lifelike that it fairly leaps off the page Kliuchevsky s examination of Western influence in Catherine s reign leads him to questions that were of urgent significance for Russia s development in his own day and have remained so ever since how to use Western ideas and practices to improve and enrich Russian life without turning them into idle fashions or political bludgeons and where to find the social leadership capable of performing such a delicate task

As recognized, adventure as competently as experience practically lesson, amusement, as well as bargain can be gotten by just checking out a book **Russian Politics And Society An Introduction** along with it is not directly done, you could give a positive response even more regarding this life, roughly speaking the world.

We present you this proper as capably as easy way to acquire those all. We meet the expense of Russian Politics And Society An Introduction and numerous book collections from fictions to scientific research in any way. in the course of them is this Russian Politics And Society An Introduction that can be your partner.

Russian Politics And Society An Introduction Introduction

In today's digital age, the availability of Russian Politics And Society An Introduction books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Politics And Society An Introduction books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Politics And Society An Introduction books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Politics And Society An Introduction versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Politics And Society An Introduction books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Politics And Society An Introduction books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Politics And Society An Introduction books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital

copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Politics And Society An Introduction books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Politics And Society An Introduction books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Politics And Society An Introduction Books

1. Where can I buy Russian Politics And Society An Introduction books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
