## **Russian Politics Under Putin:**

**Russian Politics Under Putin** Cameron Ross, 2004-08-21 In March 2000 Vladimir Putin was elected President of the Russian Federation the largest country in the world In the space of just a few years Putin's radical reforms in the areas of domestic and foreign policy have made a major impact on Russian politics and society and we have witnessed a new orientation in Russia's external relations with the West But is Putin an authoritarian or a democrat Does his presidency signal a break with Russia's past or is he just another autocratic czar in modern clothing This is a lively comprehensive and highly accessible account of contemporary Russian politics There are fifteen chapters covering such key areas as leadership and regime change political parties and democratization economy and society regional politics the war in Chechnya and Russian foreign policy

Understanding Russian Politics Stephen White, 2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world's largest country under Putin and Medvedev Using a wealth of primary sources it covers economic social and foreign policy and the system of politics that has developed in recent years Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption This textbook tackles timely topics such as gender and inequality issues organised religion the economic crisis and Russia's place in the international community It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians everyday lives

**Russian Politics Under Putin** Cameron Ross, In March 2000 Vladimir Putin was elected President of the Russian Federation the largest country in the world In the space of just a few years Putin's radical reforms in the areas of domestic and foreign policy have made a major impact on Russian politics and society and we have witnessed a new orientation in Russia's external relations with the West But is Putin an authoritarian or a democrat Does his presidency signal a break with Russia's past or is he just another autocratic czar in modern clothing This is a lively comprehensive and highly accessible account of contemporary Russian politics There are fifteen chapters covering such key areas as leadership and regime change political parties and democratization economy and society regional politics the war in Chechnya and Russian foreign policy

**Russian Regional Politics under Putin and Medvedev** Cameron Ross, 2014-06-03 Many authors have alluded to the unique nature of Russia's dual transition and its difficult task of simultaneously reforming its economy and polity But there is in fact a third transition still far from completed that is of no less importance the need to reconfigure central regional relations and to create a stable and viable form of federalism There are vast economic demographic and political variations across the Russian federation Therefore an understanding of regions and the causes and consequences of cross regional diversity is a vitally important dimension of Russian politics that should not be overlooked It is only by studying regional level politics that we can gain a full understanding of the complexities of Russia's protracted transition This edited volume examines regional politics and centre

regional relations over the period 2000-2010 including the most recent developments which have taken place under the new dual leadership of Medvedev and Putin. All eight chapters have been written by leading experts in the field of Russian politics. In addition to chapters on regional elections, parties, regional governors and local politics, there are three chapters devoted to the important developments which are currently taking place in the Caucasus. This book was published as a special issue of *Europe Asia Studies*.

**Politics under the Influence** Anna L. Bailey, 2018-09-15. You know just how serious a problem alcoholism has become for our country. Frankly speaking, it has taken on the proportions of a national disaster. So spoke Russian President Dmitry Medvedev in 2009 as the government launched its latest anti-alcohol campaign. Challenging the standard narrative of top-down implementation of policy, Anna Bailey's *Politics under the Influence* breaks new ground in the analysis of Russian alcoholism and the politics of the Putin regime. The state is supposed to make policy in the national interest to preserve the nation's health against the ravages inflicted by widespread alcohol abuse. In fact, Bailey shows the Russian state is deeply divided and policy is commonly a result of the competitive interactions of stakeholders with vested interests. *Politics under the Influence* turns a spotlight on the powerful vodka industry whose ties to Putin's political elite have grown in influence since 2009. She details how that lobby has used the anti-alcohol campaign as a way to reduce the competitiveness of its main rival, the multinational beer industry. Drawing on a wide range of sources including fieldwork, interviews, government documents, media articles and opinion polls, Bailey reveals the many ambivalences, informal practices and paradoxes in contemporary Russian politics. *Politics under the Influence* exhibits the kleptocratic nature of the Putin regime as a result. Analysis of vested interests and informal sources of power is essential to understanding public policy in contemporary Russia. This book will be an invaluable resource for anyone working on policy and corruption in Putin's Russia.

*Russia Under Putin* Andrew Natsios, 2025-07-08. This book fills a gap in the public's understanding of Putin's Russia by answering the question: Is Russia under Putin a revisionist power that seeks to undermine or destroy the existing international order, or is it a fragile state with profound dysfunctions? The essays in this book argue that Russia is both. These essays took a more ominous view of Russia under Putin's leadership at the time they were published, a position criticized by some scholars and analysts who saw Putin as a pragmatist.

**State Building in Putin's Russia** Brian D. Taylor, 2011-02-21. This book argues that Putin's strategy for rebuilding the state was fundamentally flawed. Taylor demonstrates that a disregard for the way state officials behave toward citizens, state quality had a negative impact on what the state could do, state capacity. Focusing on those organizations that control state coercion, what Russians call the power ministries, Taylor shows that many of the weaknesses of the Russian state that existed under Boris Yeltsin persisted under Putin. Drawing on extensive field research and interviews as well as a wide range of comparative data, the book reveals the practices and norms that guide the behavior of Russian power ministry officials, the so-called *siloviki*, especially law enforcement personnel. By examining *siloviki* behavior from the Kremlin down to the street level, *State Building in Putin's*

Russia uncovers the who where and how of Russian state building after communism      **Federalism and Local Politics in Russia** Cameron Ross, Adrian Campbell, 2008-10-27 With articles by a high quality set of contributors including Richard Sakwa Darrell Slider and Vladimir Gel man this book explores the increasingly authoritarian character of Putin's rule especially in his second term since 2004      Russia's Security Policy under Putin Aglaya Snetkov, 2014-11-27 This book examines the evolution of Russia's security policy under Putin in the 21st century using a critical security studies approach Drawing on critical approaches to security the book investigates the interrelationship between the internal external nexus and the politics of in security and regime building in Putin's Russia In so doing it evaluates the way that this evolving relationship between state identities and security discourses framed the construction of individual security policies and how in turn individual issues can impact on the meta discourses of state and security agendas To this end the de securitisation discourses and practices towards the issue of Chechnya are examined as a case study In so doing this study has wider implications for how we read Russia as a security actor through an approach that emphasises the importance of taking into account its security culture the interconnection between internal external security priorities and the dramatic changes that have taken place in Russia's conceptions of itself national and security priorities and conceptualisation of key security issues in this case Chechnya These aspects of Russia's security agenda remain somewhat of a neglected area of research but as argued in this book offer structuring and framing implications for how we understand Russia's position towards security issues and perhaps those of rising powers more broadly This book will be of much interest to students of Russian security critical security studies and IR      Failure. Russia Under Putin Harley D. Balzer, Steven A. Fisher, 2025-07-10 Examines the significant failures Russia has faced under Vladimir Putin's leadership and presents an important counterpoint to a broad range of studies emphasizing Russia's resurrection status as a persistent power or successful military reform Despite Putin's claims of restoring Russia's rightful place in the world reviving the economic and industrial capacity destroyed in the 1990s and improving living standards data show that the gains from the oil price bonanza of 2000-2008 have long since vanished The success Putin has achieved in centralizing power and repressing opposition now prevents any effective changes to address Russia's long term decline Failures include the inability to diversify the economy reduce corruption reverse demographic and educational decline alleviate poverty or address social inequalities This edited volume examines how Putin's policy choices have led to Russia's inexorable decline on the global stage Depicting Russia's inability under Vladimir Putin's rule to improve critical spheres of its national life aggravated by military belligerence and adventurism abroad chapters detail how Putin's policies have severely limited Russia's development and institutional stability leaving the country without a clear leadership transition mechanism or capacity to abandon flawed policies      *Media, Culture and Society in Putin's Russia* S. White, 2008-04-09 An international collection of papers focused on media culture and society in postcommunist Russia Contributors deploy a wealth of primary data in examining the kinds of issues that are central to our understanding of

the kind of system that has been established in the world's largest country after a period of far reaching change      Oil in Putin's Russia Adnan Vatansever, 2021-03-01 No sector has been as vital as oil to the Russian economy since Vladimir Putin came to power The longest serving leader since Stalin Putin has presided during a period of relative economic prosperity driven largely by booming oil windfalls Oil in Putin's Russia offers an in depth examination of the contests over windfalls drawn from the oil sector Examining how the Russian leadership has guided the process of distributing these windfalls Adnan Vatansever explores the causes behind key policy continuities and policy reversals during Putin's tenure The product of over ten years of research including interviews with decision makers and oil industry officials Oil in Putin's Russia takes an innovative approach to understanding the contested nature of resource rents and the policy processes that determine how they are allocated In so doing it offers a comprehensive and timely account of politics and policy in contemporary Russia and a significant contribution to research on the political economy of resource rents in mineral resource rich countries

**Putin's Russia** Stephen K. Wegren, 2018-11-16 Now in a thoroughly revised expanded and updated edition this classic text provides the most authoritative and current analysis of contemporary Russia Leading scholars explore the daunting domestic and international problems Russia confronts considering a comprehensive array of economic political foreign policy and social issues Putin's approach for dealing with his country's challenges emphasizes recentralization of power and a strong state He has returned to power for a fourth term amidst unresolved policy issues both domestically and from the international community Only by understanding these challenges and previous efforts to deal with them will it be possible to understand the trajectory for Russia Well written and clearly organized this text is an indispensable guide for anyone wanting to understand contemporary Russia      **Routledge Handbook of Russian Politics and Society** Graeme Gill, 2022-12-23

This second edition of the highly respected Routledge Handbook of Russian Politics and Society both provides a broad overview of the area and highlights cutting edge research into the country Through balanced theoretical and empirical investigation each chapter examines both the Russian experience and the existing literature identifies and exemplifies research trends and highlights the richness of experience history and continued challenges inherent to this enduringly fascinating and shifting polity Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook answers questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption the development of a market economy and Russia's likely place in the emerging new world order Providing a comprehensive resource for scholars students and policy makers alike this book is an essential contribution to the study of Russian studies politics Eastern European studies politics and International Relations      *Russian Politics and Society* Richard Sakwa, 2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and

sophisticated analysis on Russian politics and society New to this edition extended coverage of electoral laws party development and regional politics new chapter on the phoney democracy period 1991-93 historical evaluation of Yeltsin's leadership full coverage of Putin's presidency discussion of the development of civil society and the problems of democratic consolidation latest developments in the Chechnya conflict more on foreign policy issues the re-introduction of the Russian Constitution as an appendix an updated Select Bibliography more focus on the challenges facing Russia in the twenty-first century Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult transformation This makes it the best available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society     [Return to Putin's Russia](#) Stephen K. Wegren, 2013 Now in a thoroughly revised expanded and updated edition this classic text provides the most authoritative and current analysis available of the challenges facing Putin as he resumes the presidency Leading scholars explore the daunting domestic and international problems confronting Russia today Evaluating the regime's continued efforts to rebuild a country once on the verge of collapse the contributors consider a comprehensive array of economic political foreign policy and social issues Clearly written and organized this text is an indispensable guide for anyone wanting to understand Russia today     **Putin's Russia** Darrell Slider, 2022-07-20 Thoroughly revised expanded and updated the new edition of this classic text provides the most authoritative and current analysis of contemporary Russia Leading scholars explore the domestic and international problems Russia confronts including political economic societal and foreign policy issues The new edition provides an analysis from multiple perspectives on the major challenges facing Russia and Putin's regime Updates include new sections on corruption Russia's conflicts with Ukraine and Georgia Russia's response to Only by understanding these challenges and previous efforts to deal with them will it be possible to understand the trajectory for Russia Well written and clearly organized this text is an indispensable guide for anyone wanting to understand contemporary Russia     *Russia and Europe in the Twenty-First Century* Jackie Gower, Graham Timmins, 2009-02-01 There has never been a more important time to understand Russia's relationship with Europe and it is the subsequent sense of unease both in Russia and Europe which provides the focus for this investigation and which will make it of use to specialist and general readers alike     [Putin's Russia](#) Dale Roy Herspring, 2007 A fifth edition of this book is now available This thoroughly revised and updated edition of the classic text provides the most current and authoritative assessment of Russia available Distinguished scholars offer a full scale assessment of Putin's leadership exploring the daunting domestic and international problems facing Russia today Evaluating the regime's continued efforts to rebuild a country in shambles the contributors consider a comprehensive array of economic political and social issues In addition to updated core chapters the book includes new essays on Putin's leadership law foreign policy and the decline of democracy The book concludes that Putin will continue to address his country's problems in an incremental and centralized manner as he moves toward his goal of restoring Russia to the status of

a world power      *Contemporary Russia as a Feudal Society* V. Shlapentokh, Joshau Woods, 2007-11-26 The book offers a theoretical discussion of the feudal model and a preliminary application of the model to post Soviet Russia In addition to a review of the feudal model as an ideal type the author explains the analytical benefits of drawing comparisons between countries and across historical contexts Specifically contemporary Russia is compared to Western European countries during the Middle Ages and to the Soviet period in Russian history The book is devoted to illuminating the most important political social and economic characteristics of contemporary Russian society

## Russian Politics Under Putin Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russian Politics Under Putin has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Politics Under Putin has opened up a world of possibilities. Downloading Russian Politics Under Putin provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Politics Under Putin has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Politics Under Putin. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Politics Under Putin. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Politics Under Putin, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Politics Under Putin has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Russian Politics Under Putin Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Politics Under Putin is one of the best book in our library for free trial. We provide copy of Russian Politics Under Putin in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Politics Under Putin. Where to download Russian Politics Under Putin online for free? Are you looking for Russian Politics Under Putin PDF? This is definitely going to save you time and cash in something you should think about.
