

Russian Revolution 1917 1921

William Henry Chamberlin

Russian Revolution 1917 1921:

The Russian Revolution Ronald Kowalski, 2005-08-09 The collapse of the Soviet Union in 1991 has provided fresh perspectives from which to view the Revolution out of which it grew *The Russian Revolution 1917 1921* by Ronald Kowalski reviews the ever changing debate on the nature of the Russian Revolution This collection of documents and sources includes newspapers memoirs and literature commentary and background information of each source a narrative of the major events of the period new material made available since the policy of glasnost a re examination of World War One and the Revolution focus on thematic issues such as the actions of peasants and workers For students of European history this will provide interesting and informative reading on this major event in Russia s turbulent past *The Russian Revolution, 1917-1921* William Henry Chamberlin, 1952 Lenin's Revolution David R. Marples, 2014-06-06 This study examines one of the key events in history the Russian Revolution Since the late Gorbachev period a wealth of new material has become available to historians that has triggered intense scholarly debate on the nature of revolution This timely new book takes account of the new scholarship including for example the role of Lenin It is argued that the initial flexibility of Lenin and the Bolshevik party allowed them to take power but that the conduct of both changed considerably once they were obliged to take steps to maintain their authority This book charts the February Revolution the October Revolution the Civil War and the main individuals involved giving a remarkable degree of clarity to the tumultuous events in Russia whose consequences the world lived with for the rest of the twentieth century **The Russian Revolution and Civil War 1917-1921** Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature *The Russian Revolution and Civil War 1917 1921* offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state **The Russian Revolution** William Henry Chamberlin, 1987 *The Russian Revolution and the Soviet State 1917-1921* Martin McCauley, 1980-04-24 *The Russian Revolution* William H. Chamberlin, 1957 The Russian Revolution, 1917-1921: From the civil war to the consolidation of power William Henry Chamberlin, 1987 **Russian Revolution, 1917-1921. Vol. 1 1917-1918** William Henry Chamberlin, 1965 **The Russian Revolution, 1917-1921: From the overthrow of the Tzar to the assumption of power by the Bolsheviks** William Henry Chamberlin, 1987 Russian Revolution, 1917-1921. Vol. 1 1917-1918 William Henry Chamberlin, 1965 The Russian Revolution, 1917-1921 William Henry Chamberlin, 1965 **The Russian Revolution, 1905-1921** Mark D.

Steinberg, 2016-11-17 *The Russian Revolution 1905-1921* is a new history of Russia's revolutionary era as a story of experience of people making sense of history as it unfolded in their own lives and as they took part in making history themselves. The major events, trends and explanations reaching from Bloody Sunday in 1905 to the final shots of the civil war in 1921 are viewed through the doubled perspective of the professional historian looking backward and the contemporary journalist reporting and interpreting history as it happened. The volume then turns toward particular places and people: city streets, peasant villages, the margins of empire, Central Asia, Ukraine, the Jewish Pale, women and men, workers and intellectuals, artists and activists, utopian visionaries and discontents of all kinds. We spend time with the famous Vladimir Lenin, Lev Trotsky, Alexandra Kollontai, Vladimir Mayakovsky, Isaac Babel, and with those whose names we don't even know. Key themes include difference and inequality, social, economic, gendered, ethnic, power and resistance, violence and ideas about justice and freedom. Written especially for students and general readers, this history relies extensively on contemporary texts and voices in order to bring the past and its meanings to life. This is a history about dramatic and uncertain times and especially about the interpretations, values, emotions, desires, and disappointments that made history matter to those who lived it.

The Russian Revolution, 1917-1921 William Henry Chamberlin, 1987 *The Russian Revolution, 1917-1921: 1918-1921. From the Civil War to the consolidation of power* William Henry Chamberlin, 1965 **The Russian revolution, 1917-1921, by William Henry Chamberlin ...** William Henry Chamberlin, 1935 *The Russian Revolution, 1917-1921* William Henry Chamberlin, 1965 **Die russische Revolution, 1917-1921 (The Russian revolution, 1917-1921, dt.).** William Henry Chamberlin, 1958 **The Russian Revolution, 1917-1921** James D. White, 1994 *The Russian Revolution 1917-1921* William Henry Chamberlain, 1965
