Russias Evil Plan:

Prophecy Wayne J. Bentley, 2022-08-25 Prophecy Now through End Times starts with the Great Apostasy a falling away and continues to explain the events of Revelation in order up to the Return of Jesus If Jesus did not return the events explained in this text would lead to the extinction of humanity Jesus said No flesh shall be saved Humanity ends it is an extinction event The events leading up to Jesus s return have the days shortened and the Earth tilting four times killing off most of humanity Everyone in Asia dies except the two hundred million man army that is attacking Israel when Jesus returns Here in the United States the coastlines will be destroyed by an object from outer space that hits the Earth and sends tidal waves around the globe The heartland will survive with the help of the Church of Philadelphia There is little to zero trade between the countries of the world because the object from space destroys the ships The Antichrist rules in the revived Holy Roman Empire and declares himself god He kills every Catholic in his empire and attacks Israel Jesus said Watch that you may be accounted worthy to escape all these things <https://www.prophecynowtoendtimes.com> *Russia's Hawaiian Adventure, 1815-1817* Richard A. Quainoo,2016-10-14 Democracy has seemingly outward appeal but inward characteristics of evil and deception because God Yahweh has no place in it It is about the rule of man s laws and not God s law therefore there is no absolute truth that exists in democracy but absolute truth in God s law In a democratic view since no one possesses absolute truth all side to an argument or discussion must be given free expression because no truth is so certain that it may not be challenged not even the truth of democracy itself In the end when tension looms then there is an unending appeal for tolerance With time democracy has developed from a largely northern European style of governance to a worldwide phenomenon in the 21st century Consequently almost everybody today consider democracy to be the ideal form of government under a widely accepted consensus that it is a government of choice in the global market place of social systems but how true is it As you read this book I pray that you will be enlightened in the knowledge of God so as you are not tossed about by any wind of doctrines of men but by God **Alexander Bestuzhev-Marlinsky and Russian Byronism** Lewis
