A Love Story-For My Children Ruth Lester,2007-08 A story with a difference this poignant autobiography is filled with real life drama Embark on a nostalgic journey through the harsh Depression era and on through the hardships of the War years to the present day Observe the vast changes that have brought us from the rigid and moralistic society of yesterday to the vastly different liberal mindset of today The universal thread that runs throughout lends an air of familiarity It is difficult not to identify with one of the characters perhaps with the young girl herself in her struggles to persevere or with the woman she ultimately

becomes Here is a story of contrasts from the depths of despair to the pinnacle of joy a story that defies the odds Here is a rendering that tugs at the heartstrings Poignant yet redeeming this uplifting account will serve as an inspiration to all who struggle similarly as well as to those who love them **Adoption Reunion Registries and Screening of Adults Working with Children**

The Soundtrack of My Life Susan Mary Paige, 2022-11-18 I refer to my book as a memoir somewhat autobiographical but also a journal recounting my quest to discover more about those who came before me in my father's family Things grew complicated and I had no intention of writing about any of this until a colleague spoke the fateful words to me You need to write this down If I had not begun writing when I did much of this story would be lost to time and other life factors On the surface this is a mystery story about a cigar box of memorabilia I took possession of in 1977 after my dad died The cigar box was no more than a curiosity so I would look at the contents and put it away Then came personal computers so I could search from the comfort of my home Like so many mysteries I thought the answers were rather straightforward The deeper I searched the more I was frustrated humbled and compelled to keep searching and writing for ten plus years As a Roman Catholic I soon saw this search had a deeper theological meaning for me as I pondered the relationship this journey had to the communion of saints the corporal works of mercy and ultimately forgiveness of self and others I wrote this as a conversation with the reader asking them to ponder these same issues with me I also adopted the Catholic practice of picking a patron saint for this memoir and who is better than Saint Jerome I needed both a muse and a taskmaster and he fills both roles quite ably He is

also the patron saint of archivers and that would certainly be me The music theme is a significant backdrop to my story Just like the movie background music or score kept subtle to set the tone and elicit emotion my lyrics and melody selections are used to express and convey the same As you will learn Emma herself was an accomplished musician In addition science suggests that this universe itself is believed to be finely tuned harmonic from galaxies to DNA As I write about implied realms beyond this one a music soundtrack seems appropriate

Thread of Life Mike Doiron, 2013-04-09 Thread of Life An Adoption Story is the true story of an adopted childs journey to find his birth parents The adoption process can often leave many unanswered questions for the adoptee the adopted parents and even the eventual offspring of an adopted child It has been said that adoption is more like a marriage than a birth with two or more individuals each with their own unique mix of needs patterns and genetic history coming together with love hope and commitment for a future together You become a family not because you share the same genes but because you share love for each other Mike Doirons original intent was to try to fill in some of the gaps genealogically medically and perhaps even mentally as he began his adult life following university The endeavor took him down a path of self discovery and adventure When he began to chronicle what he had learned he decided that he wanted to share his findings with others For him Thread of Life is not meant to be a guidebook for families of adoption but rather a documented true story sharing personal insights from his own journey to answer the questions many adopted children ponder as they become adults
