William Decker an orphan who grew up without warmth or companionship from those around him had been a loner all his life preferring solitude loneliness and dark corners to friends anything resembling a spotlight and even love When he met Roxanne Hart his first and only year of college he d found a center he d unconsciously looked for all his life Though Rox loved him deeply as a friend she was in love with another man and he d never really had a shot there despite his relentless loyalty When she announces her wedding William

knows it's long past time for him to stop wishing for the moon but more than that he realizes for the first time that he'd set his heart on an unavailable woman purposely. He's lived his life on the principle of Better to not love and lose what you never had to begin with and You can't be hurt by anything you haven't invested yourself in and he can't deny it's done little beyond keep him lonely. Sapphire Stephenson married, had a child and divorced before she was out of her teens. But starting out life with a newborn and parents who refused to understand why she couldn't forgive her cheating husband even once she'd taken the only job she'd been able to get as a waitress and later a bartender at a rough biker joint in New York City, Sapphire is certain of two things: That being a good role model for her daughter is the most important thing in her life and that there isn't a man alive worth any loyalty. The dudes who come through the bar have no respect for let alone interest in anything that isn't transitory with the women around them. William Decker is the one exception to the rule she's observed and he intrigues her the way no other man ever has. But is even he capable of more than promises in the dark that he'll break without regret by morning light.

Promises in the Dark, Book 4, Angelfire II Quartet Karen Wiesner, 2016-11-04

Heaven's promise desire's flame. Return to Karen Wiesner's award-winning Angelfire Trilogy. There are no scars like those inflicted in childhood and no love like your first. Timeless couples: Diane Hoffmann and Mikey Lund, Roxanne Hart and Jamie Dubois, Cherish Stephenson and Ty Foxx, and Sapphire Stephenson and William Decker seek out the unconditional love and healing of an angel and the scorching heat of unending passion. William Decker has lived his life on the principle of Better to not love what you never had to begin with and You can't be hurt by anything you haven't invested yourself in and he can't deny his life mottoes have done little beyond keep him lonely. Sapphire Stephenson married, had a child and divorced before she was out of her teens. Her entire life is wrapped up in being a good role model for her daughter and not trusting any man living or dead. Decker seems to be the one exception. But is even he capable of more than promises in the dark.

Stories from Candyland Candy Spelling, 2009-03-31

Carole Gene Marer spent her girlhood dreaming of meeting Rock Hudson but when she finally had the chance on her second date with her future husband, television mogul Aaron Spelling, she was so shy she hid all night in the powder room. How Candy morphed from that quiet girl into a seemingly confident, stylish trophy wife, mistress of the largest house in Los Angeles, 70,000 square feet when you count the attic, is at the heart of *Stories from Candyland*. The life Candy created for her family, her husband and children, Tori and Randy, was fabulous over the top and often magical. So what if California Christmases don't come with snow? Let's make some on the tennis court. How do we take a cross-country family vacation with a dad who doesn't fly? By private train car, of course, with an extra for the fifty-two pieces of luggage. The kids want to dress up for Halloween. No problem, why not call in Nolan Miller to design their costumes? Candy had a hand in some of the most beloved television shows of all time; she once stopped production on *Dynasty* because Krystle Carrington's engagement ring was not spectacular enough. She has entertained half of Hollywood in epic fashion and lives an enviable life. But under all the fun and showmanship lies a more interesting character still wrestling with some of the insecurities of her ing

nue self Oprah threw her into a major panic with a discussion of hoarding A lifelong humming habit evolved as a unique coping mechanism And there s nothing like being defined as well you know complicated by your daughter on television and in her own book Stories from Candyland sparkles with glamour and grand gestures But it also satisfies with some more intimate Candy concerns why being a perfect wife and mother was so important to her how cooking and cleaning can keep the home fires burning why collections matter and whether dogs are better judges of people than people are Visit Candyland in these pages and get a glimpse of a generous glittering world revealing many of its surprising and funny secrets for the first time
