## **Rx Alibi Rx:**

*Rx for Murder* Dorothy R Kliever, 2001 Rx For Murder Dr Kurt Mason thinks a clinic run by Dr James Howard is just a scam and persuades his wealthy friend Birney Britt former investigative reporter to check into the clinic to find out what is taking place there Dr Howard is murdered and Birney learns that James Howard was a blackmailer and had hidden tapes containing the information he used in his extortion schemes Police Lieutenant Randall O Halloran makes life miserable for Birney as she tries to complete her investigation even threatening prosecution if Birney continues Birney accidentally finds Dr Howard s tapes but she keeps their contents to herself wanting to learn what is on them before turning them over to the police The information on the tapes puts Birney s life in danger as she moves through the maze created by the killer

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008

**A Little Trouble with the Facts** Nina Siegal, 2008-02-26 Valerie Vane was an up and coming lifestyle reporter at a prominent New York City daily Then she stumbled rather publicly and lost it all her column her fiancé her access behind the city s velvet ropes Now she s on the obituary desk writing death notices and it feels like a dead end However when she writes about a recently deceased once famous graffiti artist the phone calls start A mysterious voice on the other end of the line tells her the artist s death was a murder and if she were a real reporter she d investigate But can Valerie trade her stilettos for gumshoes
