and new Traversing a vivid landscape from sunblasted hills and canyons to the nighttime streets of America's greatest cities some of Louis L. Amour's most compelling fiction was set in his own time whether in the naked electric glare of boxing rings where men go head to head with their dreams and demons in an underworld rife with corruption or along freight docks where laborers toil to earn just enough to get by or in the penthouses of the rich and arrogant who calculate the odds of how to get even more Here are tales of innocents caught in the schemes of criminals detectives hunting down truths that hide more lies gamblers and beauties wiseguys and cops Here is a world populated by the kinds of people who risk their lives to right a wrong make a buck or save a friend A war veteran makes a journey to visit the man who saved his life in Korea Instead he uncovers a killing and finds his own heroic cause Confronted with an easy chance to steal an honest man gives in to temptation and finds himself ensnared in a web of blackmail and violence An elderly Hawaiian seafarer is found dead with a hand carved figure beside his body Unraveling his murder will mean solving the mystery of a shipwreck and of the forces that drive some to take fatal chances and others to kill Brimming with thought provoking characters and situations from a man who awakens from unconsciousness to find a fortune in a burning house to a man who meets a killer who is supposed to be dead in a seedy diner these thrilling atmospheric stories course with authenticity and bear the mark of a timeless master
