Rylands Footsteps:

Pathways and Patterns in History Peter J. Morden, 2020-10-06 Professor David Bebbington is a highly regarded historian. He holds a chair at the University of Stirling, has been President of the Ecclesiastical History Society, and has delivered numerous endowed lecture series as well as being deeply involved in the Dr Williams's Dissenting Academies Project. He is both a popular and influential academic historian whose writings have significantly shaped our thinking about the history of evangelicalism, Baptist life, and political developments. In *Pathways and Patterns*, colleagues, former research students, and friends who are indebted to Professor Bebbington and value his contribution to scholarship join together to pay tribute to his outstanding work. Not only has he stimulated academic endeavour, he has also given much personal support, not least to those in the Baptist Historical Society and in Colleges among them Spurgeon's College and Baylor University USA, where he is a Distinguished Visiting Professor. This volume reflects his wide involvements and the grateful esteem in which he is held. Among Professor Bebbington's achievements has been both instituting and masterminding the very important International Conference on Baptist Studies (ICOBBS) held every three years in different parts of the world. It is appropriate then that this volume was presented to him at the Seventh ICOBBS Conference held in Manchester, July 2015. *Master of Rylands* Mrs. G. Lewis Leeds, 1900 *Growing Up Joyfully* Christel D. Preik, 2012 *Growing Up Joyfully* is a collection of short stories. It is meant to inspire and encourage children to grow in confidence, courage, and forgiveness. Unforeseen circumstances force three children to realize that on their own they cannot get out of particular situations. The children must make the decision to rely and depend on God to see them through. Enjoy the adventure of these character-building stories.
