World War II Of that number 523 Allied aviators could claim that distinction after crashing their aircraft into the sea and  
being saved by a submarine operating in the Lifeguard League The remaining number were a collection of other military and  
civilian personnel each with a story to tell and now able to tell their grand children Some of those rescued went on to retire

human life Driven by only greed these pirates take for profit and have no concern for human life Pirates still roam the seas  
The South Pacific is almost a haven for these vandals They intercept shipping steal the cargo they can leave the ship in
