Sabah A Triumph For Democracy:

Sabah, a Triumph for Democracy Chee Khoo Tan, 1986 **The Defeat of Barisan Nasional** Francis E Hutchinson, Lee Hwok Aun, 2019-12-16 The results of Malaysia's 14th General Elections of May 2018 were unexpected and transformative. Against conventional wisdom the newly reconfigured opposition grouping Pakatan Harapan PH decisively defeated the incumbent Barisan Nasional BN ending six decades of uninterrupted dominant one party rule. Despite a long running financial scandal dogging the ruling coalition pollsters and commentators predicted a solid BN victory or at least a narrow parliamentary majority. Yet on the day deeply rooted political dynamics and influential actors came together sweeping aside many prevailing assumptions and reconfiguring the country's political reality in the process. In order to understand the elections and their implications this edited volume brings together contributions from ISEAS Yusof Ishak Institute researchers and a group of selected collaborators to examine the elections from three angles: campaign dynamics, important trends among major interest groups and local level dynamics and developments in key states. This analytical work is complemented by personal narratives from a selection of GE 14 participants.

Constitutional Conflicts in Contemporary Malaysia HP Lee, 2017-02-09 In this book HP Lee explores how the separation of powers doctrine in Malaysia has been adversely affected by a number of major constitutional conflicts among the various important organs of government. The author first analyses the struggle by parliament for supremacy over the Malay Rulers or Sultans by expunging the need for the royal assent to the enactment of legislation and removing royal immunities. Lee then turns to the contemporary role of the Malay Rulers and the reasons for the perceived rejuvenation of these Malay Rulers. The book goes on to examine the series of controversies and scandals which have plagued the judiciary since the tumultuous judiciary crisis of 1988 and the efficacy of the reforms which have been introduced to restore public confidence in the judiciary. These conflicts and a number of statutory enactments are analysed to determine their impact on the state of constitutionalism in Malaysia. The book concludes with the author's thoughts on the trajectory of constitutional development in Malaysia.

Imperial Alchemy Anthony Reid, 2010 Using Southeast Asia as an example this book tests theory about the relation between modernity, nationalism and ethnic identity. The author develops his own typology to better fit the formation of political identities such as the Indonesian, Malay, Chinese, Acehnese, Batak and Kadazan.

Malaysian Politics Under Mahathir Diane K. Mauzy, R. S. Milne, 2002-01-22 A hard hitting and readable book which examines Mahathir's character, his ideas and policies and relates them to the social, economic and political setting inside Malaysia. Up until recently high rates of economic growth and a striking reduction in poverty have been the hallmarks of this vibrant Tiger economy. Mahathir's success has now been placed in jeopardy by the recent economic crisis and his rule is coming under hostile scrutiny. As one of the most controversial political figures in South East Asia, Mahathir's success at managing ethnic tensions, policies of industrialization, modernization and foreign policy are explored, as are his grandiose projects, his human rights record and

approach to corruption Milne and Mauzy leading authors in this field assess Mahathir's rule within this context as well as the abrupt dismissal from office arrest and trial of Anwar Ibrahim Mahathir's deputy in late 1998
