## **Sabbath Circumcision And Tithing Which Old Testament Laws Apply To Christians:**

*Sabbath, Circumcision, and Tithing* Michael D. Morrison, 2014-03-21 Many Christians have questions about the laws of the Old Testament Many claim to keep the Ten Commandments for example but then ignore one of them the seventh day Sabbath Their Ten means only nine and many can't explain why They may say The Sabbath was an Old Testament law but so were the other nine Why one and not the others As another example many churches teach that Christians should tithe give ten percent of their income to the church But if the seventh day Sabbath does not apply to Christians why should the law of tithing apply Why one Old Testament law but not the other Anyone who reads the Old Testament is likely to wonder In this mix of ceremonial civil and ethical laws how are Christians supposed to know which laws apply today Are there biblical principles we can use to evaluate the laws of the Old Testament We want to see what Scripture says What does the New Testament say about Old Testament laws Which laws are quoted with approval and which are obsolete What principles can we use to evaluate Old Testament laws that the New Testament does not mention We begin with two basic beliefs that Christians should obey God and that the Bible is a reliable guide to the way we should obey **You Mean I Don't Have to Tithe?** David A. Croteau, 2010-02-01 Tithing is a well known church practice in our day and age but do church goers really practice it When did the concept of tithing begin How is it justified What does the Bible say about it You Mean I Don't Have to Tithe is a detailed study on the controversial topic of tithing covering over 2 000 years of well known theologians regarding this topic Dr Croteau's intense tithing investigation will enable you to explore tithing and related topics in depth expounding many misconceptions of tithing as well as aiding in a correct understanding of this popular topic Who Needs a New Covenant? Michael Duane Morrison, 2008-05-01 Although covenant is a major theme in Hebrews Morrison contends all mention of covenant can be deleted without damaging the coherence of the epistle or its christological conclusions What role then does the covenant motif have in the epistle The arguments in Hebrews are aimed at a Jewish audience they ignore the needs and religious options relevant to Gentiles For the readers the Sinai covenant was the only relevant conceptual competitor to Christ First century Jews looked to the Abrahamic and Mosaic covenants as the basis of their obligations to God and God's promises toward them Although most Jewish writers merged these covenants as if they were one the author of Hebrews does not he retains the Abrahamic promises while arguing that the Mosaic covenant is obsolete The covenant concept supports the exhortations of Hebrews in two ways 1 it provides the link between priesthood worship rituals and other laws and 2 it enables the author to argue for allegiance to the community as allegiance to Christ *Encyclopedia of Christianity in the United States* George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major

figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation

**Why Believe It?** John Huffman, 2018-07-26 John has written a book

of Christian apologetics answering questions about the Christian faith through facts of history science and scripture Many people have personal beliefs based on a compilation of religious ideas embedded from day to day experiences and hearsay We need a deliberative theology based on proper hermeneutics of scripture which in no way contradicts facts of the history of the church secular history and science The practical guide used for understanding the Scriptures will be the historical grammatical and literary approach which takes into consideration that our Bible was written by humans at different times cultures and circumstances but always under the superintendence of the Holy Spirit therefore making it God s infallible Word This book endeavors to bring the author s insight and spiritual gifts to its pages to share God s message of grace and hope for all mankind through the reconciling and saving work of Jesus Christ

**Rethinking Constantine** Edward L.

Smither, 2014-02-14 What happens to the church when the emperor becomes a Christian Seventeen hundred years after

Constantine's victory at Milvian Bridge scholars and students of history continue to debate the life and impact of the Roman emperor who converted to faith in the Christian God and gave peace to the church This book joins that conversation and examines afresh the historical sources that inform our picture of Constantine the theological developments that occurred in the wake of his rise to power and aspects of Constantine's legacy that have shaped church history      **Perspectives on Tithing** David A. Croteau,2011-04-14 David A Croteau Ken Hemphill Bobby Eklund Reggie Kidd and Gary North debate the varying views on how Christians are to give of their financial resources addressing the myriad of questions surrounding the complex issue      *The African Christian vs. God's Word* Jacob Oyerinde,2025-08-19 What does the black African Christian consider to be the meaning and purpose of life Can a believer in Jesus Christ afford to be law averse and romanticise with tribal culture Can a believer subject the teachings of the Bible to the dictates of tribal culture and still hope to go to heaven What is the black African Christian's understanding of the role of the Bible in a believer's life Has Spirit baptism any meaning and significance to the black African Christian The author delves in to these and many other questions in this inspiring guide for Christians and potential believers of Jesus Christ whether of African origin or not who are seeking guidance in the way they come to faith in Christ      **A Declaration of Christian Truth** Randy Gingrich,2022-11-21 Truth Repentance Glory RevivalThis book takes the reader on an adventure of intriguing theological thought as it explores over fifty topics relevant to the Christian life The author's teaching is to the point yet comprehensive enough to answer a range of questions as it articulates the truth of God's Word The value of understanding the Bible blossoms in the beauty of God's glory as the wisdom of the Lord applies his truth to our everyday life A much needed systematic theology is established as doctrine is taught with originality in the power of the Holy Spirit with dynamic revelation It builds solid truth in a structural style and should resonate with any believer as prophetic personal and inspirational Theologically it is equivalent to a four year Bible College Biblical truth is taught to equip the Christian and minister with significant knowledge and wisdom on over fifty topics Many false beliefs and misconceptions are dealt with while God's Word is taught in clarity The book shares breakthrough insight on many subjects of the Bible that are hard to understand Also there is significant teaching on the born again experience the constitution of the Christian or who we are in Christ the baptism with the Holy Spirit authentic worship and much more This is a textbook for the Christian life Many will see it as a great source of sermons curriculum and position papers The titles of the forty four chapters should strike the interest of any God fearing truth loving Christian You will not be disappointed as the Holy Spirit articulates God's will sorts out ideas clears away confusion and builds solid beliefs and practice You will see a consistency of relationship The Bible is a unified masterpiece of truth it's all related Most chapters start fresh with new topics and developing themes There are studious sections that dig deep for the purpose of benefiting everyone with greater appreciation and knowledge of God's Word while attempting to satisfy the Bible College graduate There is much teaching today that has obscured the true meaning and application of Scripture placed a veil over the heart of believers and deprived

Christians of its complete relevant impact upon them Therefore it was necessary to write a book which establishes a systematic theology based upon the full counsel of God Acts 20 27 without imposing agendas nor being controlled by any religious group

**Old Covenant, New Covenant** Jesse Acuff, 2011-07 Who are we then to tell God that he cannot suspend or abolish laws that he has enacted previously Who are we to decide that we can tell God what laws are binding or not binding on us as Christians Who are we to say that law and grace must go hand in hand under the New Covenant and that we cannot commend ourselves to God unless we mix the two What sort of arrogance is it that says to God despite clear evidence to the contrary in scripture You cannot possibly have suspended the Old Covenant Law in order to bring in the New Covenant of grace So you want to be under the Law Do you think that the Law of Moses the Old Covenant should be binding for Christians today Do you believe that Christians should be slaves to the legalism fostered largely by Sabbatarians and observe the festivals new moons kosher food laws sabbaths and tithing outlined in Leviticus and Deuteronomy If you want to discover the truth read Old Covenant New Covenant The Case Against Legalism Author Jesse Acuff shows that the Old Covenant rules and regulations were only shadows of the good things to come which pointed to Christ and his redeeming grace He further demonstrates that Christ abrogated the Old Covenant by his death on the cross and instituted a new and better covenant Join Jesse as he demonstrates beyond doubt that it makes far more sense to accept the New Covenant teachings originally delivered by Jesus and the Apostles than adhering to the rules and regulations of the Old Covenant which places one in bondage and does nothing toward attaining salvation After reading Old Covenant New Covenant The Case Against Legalism you will never again come down on the side of legalism

**The New Testament ...** , 1817 The Journey Shirley Borgialli, 2003-04 Do you desire freedom from religious bondage Are you frustrated with rules The Journey is a true story that chronicles an extraordinary search for the existence of God The story begins with her ancestors from whom she has received blessings and cursings She discovers that dark unseen forces have her under surveillance watching for an opportune time to bring her into temptation and deception Her carnal nature falls prey to the influence of ungodly temptations and she is lured into the world of fleeting pleasure and sin Seeking relief from her dilemma catapults her into a smorgasbord of erroneous religious groups As she adheres to the rules and rituals of religion she realizes that keeping rules does not tame the carnal beast within She exchanges her life of sin for one of self righteousness false humility and counterfeit Christianity Family casualties become a byproduct of her journey and they are left behind in the tumultuous aftermath Who can rescue her Only One Jesus Christ Discovering the truth her journey takes a sharp turn She realizes she has not been following God's true path but man's interpretation of it She undergoes spiritual surgery that removes the false belief systems she had embraced and she finds the true freedom that Christ proclaimed You shall know the truth and the truth shall set you free *Galatians*
