Understanding Phenomenological Reflective Practice in the Social and Ecological Fields Peter Westoby, 2022-07-21 This book introduces social practitioners community development workers social workers organisational change facilitators social ecological cultural and political activists to a phenomenological tradition of reflective practice Critiquing reductionist linear and ossified thinking in the social and ecological fields the book offers an exciting new alternative that is honouring of the uncertainty of all living and therefore emergent social processes Linking phenomenology and Goethe's delicate empiricism the book challenges practitioners to observe and work with living processes As such the book charts two stories two inquiries One personal and the other social The first is the personal phenomenological inquiry into the author's own practice a search to make sense of the nuanced and

subtle practice that he brings to the social world The second journey is the inquiry into how this social practice shaped as it is by a confluence of three rivers dialogue and community soul and depth psychology Goethe and delicate activism along with other thinkers on observation and aliveness can be understood in the context of a wider phenomenological reflective practice This second journey draws on years of experience and research in Brazil South Africa Australia New Zealand and parts of Europe Presenting a philosophical personal and practical analysis it offers a new approach to observation and action while working with aliveness and complexity within the social and ecological fields It will be of interest to all scholars and students of social work and community development and particularly courses on social complexity **Gifts of Passage Amy**

Glaser,2010-11-01 Glaser is clearly cloaked in Henri s mantle as

he reflects on specific gems from Henri's works. The reader is treated to the enriched nourishment of Henri's thought enhanced by the insights and experience of his long standing friend and colleague. Henri's Mantle is real food for the spiritual journey. Sue Mosteller CSJ, literary Executrix of the Henri Nouwen Estate. Henri's Mantle is a cloak of many colors interwoven with rich seams of theological insight and underlain with a perceptive appreciation of Nouwen's work. Glaser's personal reminiscences of his mentor are particularly compelling, allowing us to look over the author's shoulder and observe the intimate world of a spiritual master. But through these meditations we are given a glimpse into the soul of Glaser himself and sense he too is close to God. Michael Ford, author of *Wounded Prophet: A Portrait of Henri J. M. Nouwen and Father Mychal Judge: An Authentic American Hero*. Henri Nouwen's trapeze troupe trusted the firm grip of God's catching commitment to all of us. You are my beloved, on you my favor rests. In this book Glaser gracefully glides across various spiritual themes to illustrate God's grasp and how much Glaser is a full fledged spiritual acrobat. Laurent Nouwen, Henri's youngest brother. By weaving information about his own life and spiritual journey Glaser shows how Henri's mantle has been gratefully received by him and how eager he is to pass it on. This is a fine addition to the ever expanding Nouwen collection. Wendy Wilson Greer, President, Henri Nouwen Society. In life and death Henri was in the vestibule of an incomplete Church and an unfinished world, welcoming others and their own experiences of God and justice. Glaser brilliantly evokes our own weaknesses, guiding us to keep our faith in the strength and love of the Divine Catcher who will lift us up and carry us home. Walter Sanchez, Universidad de Chile. You Are the Beloved Henri J. M. Nouwen, 2017-10-31. Seven million copies of his books in print. This daily devotional from the bestselling author of such spiritual classics as *The Return of the Prodigal Son* and *The Wounded Healer* offers deep spiritual insight into human experience, intimacy, brokenness, and compassion. Henri Nouwen's timeless and loving words are quiet prayers that will forever live in my heart. Bren Brown, New York Times bestselling author of *Braving the Wilderness*. We are the Beloved. Henri Nouwen famously wrote, "We are intimately loved long before our parents, teachers, spouses, children, and friends loved or wounded us. That's the truth of our lives. That's the truth I want you to claim for yourself." You Are the Beloved empowers readers to claim their central identity as the Beloved of God and live out that truth in their daily lives. Featuring key insights from Nouwen's previously published works along with a selection of never before seen writings, this profound collection of daily readings will appeal to those who know and love Nouwen's work as well as to new readers seeking deeper awareness of their identity as a child of God. The Safest Place on Earth Larry Crabb, 1999-07-29. In today's frenetic society, people rarely develop intimate friendships. Instead, they spend their lives essentially disconnected from others, rushing through life, content with brief visits and casual conversations. But what if one were to develop a community, a spiritual community of people who walked with and supported each other through life's journey? A community of real friends who listened to each other's personal tragedies without merely trying to fix the problems, who encouraged and nurtured each other's strengths and who accepted people for who they really are instead of the image

they try to portray In *The Safest Place on Earth* Larry Crabb explores such a place where God can heal disconnected people and allow them to reconnect with each other and ultimately with Him

The Saints' Guide to Happiness Robert Ellsberg, 2005-09-27 What is happiness and how can I find it may be one of the most frequently asked questions there is Perhaps that's because it is so hard to experience lasting happiness In *The Saints Guide to Happiness* Robert Ellsberg suggests that some of the best people to show us are holy men and women throughout history from St Augustine to Flannery O'Connor Thomas Merton to St Theresa of Avila and Mother Theresa These people weren't saints because of the way they died or their visions or wondrous deeds They were saints because of their extraordinary capacity for goodness and love which in the end makes us happy

The Many Sides of Peace Brayton Shanley, 2013-03-05 *The Many Sides of Peace* comes out of thirty years of living in a Catholic lay community attempting to understand and practice the compelling ideas of gospel centered nonviolent love The book attempts to speak to the signs of these times for those who seek peace and liberation from both war and the looming ecological Armageddon It is a faith based on the revelation of Jesus and the conviction that a love that is nonviolent will save this environmentally threatened planet and its warlike people from an at risk status to a more peaceful and sustainable one This is a message of hope a how to live spiritual manual for human earth survival that can help create a bold and beautiful world
