becomes unbearable how can she trust Liam enough to let him save her Clarity 3 After many years of darkness Winter never thought that she d be happy or safe again Her whole world changed when she met Liam Larson a charming young doctor determined to be her knight in shining armor When a brutal night unleashes vicious reminders of her past Winter must struggle to hold on to the little bit of happiness she has found When everything begins to fall apart Liam s strength and kindness might not be enough to save her Battling with the betrayal of her family terrifying nightmares and frequent reminders of her enemy that make daily life difficult Winter s first instinct is to run away She is tired of being the victim and living in a cruel crowded city where she doesn t feel like she belongs But Liam promises her that if she only trusts him he can change everything And that s exactly what he attempts to do starting with an operation to heal her eyes and then her heart
