Quick,2021-02-09 Dress Adornment and the Body in the Hebrew Bible is the first monograph to treat dress and adornment in biblical literature in the English language It moves beyond a description of these aspects of ancient life to encompass notions of interpersonal relationships and personhood that underpin practices of dress and adornment Laura Quick explores the ramifications of body adornment in the biblical world informed by a methodologically plural approach incorporating material culture alongside philology textual exegesis comparative evidence and sociological models Drawing upon and synthesizing insights from material culture and texts from across the eastern Mediterranean the volume reconstructs the social meanings attached to the dressed body in biblical texts It shows how body adornment can deepen understanding of attitudes towards the self in the ancient world In Quick s reconstruction of ancient performances of the self the body serves as the observed centre in which complex ideologies of identity gender sexuality ethnicity and social status are articulated The adornment of the body is thus an effective means of non verbal communication but one which at the same time is controlled by and

dictated through normative social values Exploring dress adornment and the body can therefore open up hitherto unexplored perspectives on these social values in the ancient world an essential missing piece in understanding the social and cultural world which shaped the Hebrew Bible *The World of Ancient Egypt* Peter Lacovara,2016-11-21 This absorbing reference covers everyday life in ancient Egypt spanning a period of more than 5 000 years from the Stone Age to the advent of Christianity The mysteries surrounding ancient Egypt continue to pique interest and prompt study thousands of years later Intriguing questions such as Why were certain Egyptians mummified after death while others were not How were the pyramids constructed and Were sexuality and courtship accurately portrayed in movies about the period incite curiosity and inspire the imagination in the modern world This comprehensive encyclopedia addresses these questions and more revealing fascinating facts about all aspects of daily life in ancient Egypt Starting with the beginning of the First Dynasty to the death of Cleopatra this compendium explores the family life politics religion and culture of the Nile Valley from Aswan to the Delta as well as the peripheral areas of Nubia the Oases the Sinai and the southern Levant Each topical section opens with an introductory essay followed by A Z entries on such topics as food fashion housing politics and community The book features a timeline of events an extensive bibliography of print and digital resources and numerous photographs and illustrations throughout *Private Life in New Kingdom Egypt* Lynn Meskell,2018-06-05 Much of the literature on ancient Egypt centers on pharaohs or on elite conceptions of the afterlife This scintillating book examines how ordinary ancient Egyptians lived their lives Drawing on the remarkably rich and detailed archaeological iconographic and textual evidence from some 450 years of the New Kingdom as well as recent theoretical innovations from several fields it reconstructs private and social life from birth to death The result is a meaningful portrait composed of individual biographies communities and landscapes Structured according to the cycles of life the book relies on categories that the ancient Egyptians themselves used to make sense of their lives Lynn Meskell gracefully sifts the evidence to reveal Egyptian domestic arrangements social and family dynamics sexuality emotional experience and attitudes toward the cadences of human life She discusses how the Egyptians of the New Kingdom constituted and experienced self kinship life stages reproduction and social organization And she examines their creation of communities and the material conditions in which they lived Also included is neglected information on the formation of locality and the construction of gender and sexual identity and new evidence from the mortuary record including important new data on the burial of children Throughout Meskell is careful to highlight differences among ancient Egyptians the ways for instance that ethnicity marital status age gender and occupation patterned their experiences Readers will come away from this book with new insights on how life may have been experienced and conceived of by ancient Egyptians in all their variety This makes *Private Life in New Kingdom Egypt* unique in Egyptology and fascinating to read **The Dictionary of Magic and Mystery** Melusine Draco,2012-04-16 Every good reference book is both a product and a reflection of its time The Dictionary of Magic Mystery is not just another compendium or dictionary of occultism it is a jumping off point

Body as Landscape, Love as Intoxication Brian P. Gault, 2019-09-13 Explore metaphors in the exquisite and enigmatic poetry of Song of Songs One of the chief difficulties in interpreting the Song s lyrics is the unusual imagery used to depict the lovers bodies Why is the maiden s hair compared to a flock of goats 4 1 the man s cheeks likened to garden beds of spice 5 13 and the eyes of both lovers described as doves 4 1 5 12 While scholars speculate on the significance of these images a systematic inquiry into the Song s body metaphors is curiously absent Based on insights from cognitive linguistics this study incorporates biblical and comparative data to uncover the meaning of these metaphors surveying literature in the eastern Mediterranean and beyond that shares a similar form poetry and theme love Gault presents an interpretation of the Song s body imagery that sheds light on the perception of beauty in Israel and its relationship to surrounding cultures Features Exploration of the Song s use of universal themes and culturally specific variations Discussion of the Song s literary structure and unity

Dress Hermeneutics and the Hebrew Bible Antonios Finitis, 2022-05-19. Antonios Finitis and contributors continue their examination of dress and clothing in the Hebrew Bible in this collection of illuminating essays. Straddling the divide between the material and the ideological, this book lends shape and texture to topics including social standing, agency and the motif of cloth and clothing in Esther. Essays also explore the function of dress metaphors in imprecatory Psalms, the symbolic function of headdresses and the divine clothing of Adam and Eve and the hermeneutics of trauma recovery. Together the contributors continue to shape scholarly discourse on a growing body of scholarship on dress in the Bible. By turning their analytical gaze to this primary evidence, the contributors are able to reveal the social, psychological, aesthetic, ideological and symbolic meanings of dress in the Hebrew Bible, thereby producing insights into the literature and cultural world of the ancient Near East.
