## **Sacred Shroud:**

**The Blood and the Shroud** Ian Wilson, 1998 The discussion of the Turin shroud and the literary industry that surrounds it is a subject that attracts much sceptical attention However Wilson's detailed account of the story of the shroud and the numerous attempts to ascertain the truth of its origins covers all the major areas of controversy and is compelling even for non believers

**The Brotherhood of the Holy Shroud** Julia Navarro, 2011-02-04 One of History's Most Sacred Treasures An Age Old Secret Conspiracy Now the Truth Is Revealed Marco Valoni chief of Italy's Art Crimes Department is convinced that a fire in the Cathedral of Turin that leaves a strangely mutilated unidentifiable body on the scene was no accident It is only the last in a long line of mishaps going back over a hundred years that have occurred in the church which happens to be home to what millions of the faithful believe is that authentic burial shroud of Jesus Christ Valoni and his crack team of specialists embark on an investigation that soon leads them into dangerous territory territory controlled by some of the most powerful men in the world Not only do they discover evidence of a secret Christian sect that traces its priests to the very disciples of Jesus himself but also that the Knights Templar supposedly destroyed forever when Philip the Fair of France watched their last Grand Master Jacques de Molay burn at the stake in 1314 may not have disappeared at all and may indeed be very much alive and active in the 21st century Julia Navarro skillfully weaves the Italians thrilling present day investigation with the spine tingling history of the Holy Shroud itself and with a chilling tale of ancient rivals equally devoted to the relic and equally willing to sacrifice anything perhaps even their immortal souls to possess it From communities of the Middle East founded by Jesus himself to medieval Byzantium to the highest councils of the Vatican and the boardrooms that run the world today The Brotherhood of the Holy Shroud is a provocative page turner of the highest order one that will challenge you to believe The screams of the tortured men echoed within the thick walls of the dungeons How many days had passed since they were arrested The Templars had lost count A man his face concealed by a hood watched the suffering of the knights from the shadows these knights who had once wielded their swords and risked their very lives to defend the Cross Reveling in their torment sick with avarice and cruelty Philippe signaled the torturers to go on Broken and bloodied Jacques de Molay could hardly see but he sensed who it was beneath the hood A smile came to the Grand Master's lips when the king demanded that he confess where he had hidden the holy shroud of Jesus At last Philippe saw that it was futile to continue De Molay would not yield Fire began to burn the Templars ravaged flesh Jacques de Molay's eyes remained fixed on Philippe and before him and the people of Paris the Grand Master proclaimed his innocence and called down divine justice on the king of France and Pope Clement summoning them to stand with him before the judgment of God within the year A shiver ran down Philippe's spine as de Molay's words rang out No God could not be on the side of these Templars these heretics He Philippe king of France was obeying the laws of the Church But was he obeying the laws of God From The Brotherhood of the Holy Shroud

sweeping narrative history of Athens telling the three thousand year story of the birthplace of Western civilization Even on the most smog bound of days the rocky outcrop on which the Acropolis stands is visible above the sprawling roof scape of the Greek capital Athens presents one of the most recognizable and symbolically potent panoramas of any of the world s cities the pillars and pediments of the Parthenon the temple dedicated to Athena goddess of wisdom that crowns the Acropolis dominate a city whose name is synonymous for many with civilization itself It is hard not to feel the hand of history in such a place The birthplace of democracy Western philosophy and theatre Athens importance cannot be understated Few cities have enjoyed a history so rich in artistic creativity and the making of ideas or one so curiously patterned by alternating cycles of turbulence and quietness From the legal reforms of the lawmaker Solon in the sixth century BCE to the travails of early twenty first century Athens as it struggles with the legacy of the economic crises of the 2000s Clark brings the city s history to life evoking its cultural richness and political resonance in this epic kaleidoscopic history **Lucy's Bones, Sacred**
