Metaphors for the Spiritual Journey invites new discussions about our spiritual journeys and allows seekers to rethink approaches to Christian spirituality and theology in light of postmodernity Landscape metaphors provide a common and accessible language to articulate one's spiritual journey Spiritual mountains deserts and valleys are dominant landscapes on our journey through life Most people have experienced the joy of a mountaintop spiritual experience the pain of spiritual deserts or perhaps the dreariness too often associated with spiritual valleys There is a tendency however to highlight spiritual mountaintops while avoiding spiritual deserts and ignoring spiritual valleys This leaves many Christians ill equipped either to deal with crises or to integrate God into ordinary life Each landscape offers rich lessons that when combined together lead us toward a maturing faith and into a deeper relationship with God Landscape as Sacred Space is intended to aid those who search for more meaningful ways to articulate their faith journey The book grants permission to struggle with life's landscapes provides safe spaces to reflect on the journey and introduces language that enables exploration and discovery     100 Days Closer to Christ William C. Graham, 2014-03-01 We all have moments of grace in our lives glimpses of

God's presence and God's mystery The Word made flesh God with us inspires these moments and sometimes lets us see and feel that transformation in grace In 100 Days Closer to Christ Father William C. wisdom of camping ministry for Christian education and faith formation examining its rich history and fundamental characteristics with compelling stories groundbreaking research and theological grounding Christian summer camp is an integral part of the ecology of faith formation in North America though it has received surprisingly little attention in the scholarly community until now Camping ministry is often dismissed as simple fun and games or a brief spiritual high that

does not last However camp experiences often serve as deeply relational and immersive faith experiences that have lasting impacts on participants Five fundamental characteristics combine dynamically in the effective camp experience participatory faith centered safe space relational and unplugged from home Together they open the space for participants to consider new understandings of God to have time for deep self reflection and to build intentional Christian community These camp experiences are essential components in a larger ecology of faith formation including the home and congregation The insight and evidence presented in this book demonstrate that the contributions of camping ministry must be taken seriously among scholars Christian educators and ministry professionals      The Catholic Periodical and Literature Index ,2000

**Interpretive Adventures** Phillip Michael Garner,2017-06-27 Interpretive Adventures displays a written synthesis of the biblical scholar and the practicing missionary The first chapters offer theological originality on the Exodus Story deconstructs the story of Solomon s wisdom challenges traditional readings of Ananias and Sapphira and reads stories from Samuel as examples of the construction for a nation state The chapter on a feminist reading of Judges stands out as a formidable challenge for improved gender relations A careful study of the female characters reveals an important theological concern of God and makes a statement about humanity s treatment of women in relation to violence From the vociferous Achsah to the final character the silent concubine the decline of the female voice coincides with the escalation of violence The final theological statement uncovers male treatment of women as a precursor to genocide It can be said that Judges teaches us that once the female voice is silenced in a given society then that society is subject to committing acts of genocide The author s experience as a teacher and missionary contribute to the final chapters that provide the reader with liberative missional practices for various communities of need in the Philippines A few brief stories highlight the author s experiences
