Numbers Jay Sklar, 2023-10-24 A new commentary for today's world. The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so. SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Three easy-to-use sections designed to help readers live out God's story. LISTEN to the Story. Includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story. EXPLAIN the Story. Explores and illuminates each text as embedded in its canonical and historical setting. LIVE the Story. Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students. Praise for SGBC. Pastors and lay people will welcome this new series which seeks to make the message of the Scriptures clear and to guide readers in appropriating biblical texts for life today. Daniel I Block, Wheaton College and Graduate School. An extremely valuable and long overdue series that includes comment on the cultural context of the text, careful exegesis, and guidance on reading the whole Bible as a unity that testifies to Christ as our Savior and Lord. Graeme Goldsworthy, author of *According to Plan*. Engagingly readable, it not only explores the biblical text but offers a range of applications and interesting illustrations. Craig S. Keener, Asbury Theological Seminary. I love the SGBC series. It makes the text sing and helps us hear the story afresh. John Ortberg, Senior Pastor, Menlo Park Presbyterian Church. A perfect tool for helping every follower of Jesus to walk in the story that God is writing for them. Judy Douglass, Cru.

Spirituality Kees Waaijman, 2002 This textbook is a systematic guide to the extensive field of spirituality. Kees Waaijman charts the multiform phenomenon of spirituality: the spirituality of ordinary people, the great spiritual traditions, and the force of counter-movements. From the foundation of this survey, he answers questions like: What exactly is spirituality? What forms can a scholarly approach take? Finally, the book provides methodic access to the study of spirituality, focusing on the following questions: Which are the different forms of spirituality and how can we describe them? How can spiritual texts be given a reliable reading? Which themes can be distinguished in the field of spirituality and what would be a meaningful way to address them? What do we mean by spiritual guidance and what can we learn from it? This textbook has no equal. It is

indispensable to scholars wishing to study the subject but also to others who want to learn about spirituality **Ephesians**

Darrell L. Bock, 2019-06-04 Unlike Paul's letters to the Galatians or the Corinthians the letter to the Ephesians contains almost no clues about the situation and issues its recipients faced yet it vividly depicts how God's will revealed in Christ reorients believers' lives toward new life in Christ In this Tyndale Commentary Darrell Bock shows how this precious jewel of a letter combines gospel doctrine enablement and exhortation to life **The Message Catholic/Ecumenical Edition**

Moore, 2012-04-18 The Prehistory of Home addresses a topic of widely shared interest and provides easy to understand evidence and well argued interpretations Jerry Moore is deft with words phrasing and building arguments shifting effortlessly between antiquity and today while keeping the themes of home and prehistory clear Alongside the rigorous archaeological and scientific research Moore's wit and personality shine throughout Wendy Ashmore coauthor of *Household and Community in the Mesoamerican Past* **The Beauty of the Lord** Jonathan King, 2018-05-30 Why is God's beauty often absent from our theology Rarely do theologians take up the theme of God's beauty even more rarely do they consider how God's beauty should shape the task of theology itself But the psalmist says that the heart of the believer's desire is to behold the beauty of the Lord In *The Beauty of the Lord* Jonathan King restores aesthetics as not merely a valid lens for theological reflection but an essential one Jesus our incarnate Redeemer displays the Triune God's beauty in his actions and person from creation to final consummation How can and should theology better reflect this unveiled beauty The Beauty of the Lord is a renewal of a truly aesthetic theology and a properly theological aesthetics *Being the Church* Edward Rommen, 2017-07-18 If the divine liturgy really is as beautiful as we claim wouldn't more people attend Wouldn't the church grow Driven by our desire for growth we count we analyze we make charts and we strategize but often with few discernible results That is probably the result of focusing on secondary aspects of church life As we know the very existence of a church is a gift of God's presence and not the result of any particular actions taken by human beings For that reason church is primarily about being something rather than doing or achieving something So the growth of the church is not reflected in ever increasing numbers dollars and activities but rather in steadily growing conformity to the divine ideal So in order to evaluate ecclesial growth we will first have to ask what the church is supposed to be One answer to that question is captured in the four marks of the church given in the creed Oneness Holiness Catholicity and Apostolicity These four characteristics serve as a matrix or framework within which we can focus on the primary aspects of ecclesial being and help it grow and become what it was intended to be **Founding Territorial Cults in Early Japan** G. Domenig, 2023-12-11 The first book that deals with the territorial cults of early Japan by focusing on how such cults were founded in ownerless regions Numerous ancient Japanese myths and legends are discussed to show that the typical founding ritual was a two phase ritual that turned the territory into a horizontal microcosm complete with its own

terrestrial heaven inhabited by local deities Reversing Mircea Eliade's popular thesis the author concludes that the concept of the human made horizontal microcosm is not a reflection but the source of the religious concept of the macrocosm with gods dwelling high up in the sky The open access publication of this book has been published with the support of the Swiss National Science Foundation **Divine Revelations and Manifestations** Steven Taga Mapepa,2018-05-26 Do you know the greatest mystery of all mysteries and the greatest secret of all secrets that is concealed in all creation that holds all the sacred secrets and mysteries of life We are all students of life learning life's sacred secrets and mysteries in a universal class We have a lot to learn that we do not know yet The life experience is our greatest teacher who silently speaks to us Life is an adventure filled with explorations investigations and discoveries of new knowledge It is an odyssey toward the Holy Grail
