Sacred Encounters Spiritual Awakenings During Close Encounters:

Sacred Encounters Janet Colli, 2004 **Sacred Encounters** Janet Colli, 2004-12-01 *Sacred Encounters* is the culmination of 13 years of research bringing together the psychology of close encounters spiritual experience and ultimately enlightenment Already the current surge of subtle realm encounters has unveiled the hidden dimension that surrounds us the realm of angels and aliens Yet few Westerners realize that the same enlightened guru enshrined in ancient lineages communicate with otherworldly beings *Sacred Encounters* reveals startling evidence establishing this connection within Sufi Hindu and Tibetan Buddhist traditions Dr Janet Elizabeth Colli believes that those among us who sense the subtle realms herald a critical stage in human evolution Subtle realm experiences are ushering in an era when close encounters non local instantaneous travel and communication will be unexceptional *Sacred Encounters* prepares the modern world for our next evolutionary leap *Sacred Encounters* presents psychological research and case studies such as Hayley who demonstrates the transition from posttraumatic stress disorder PTSD to Interspecies Communicator Trace her developmental process as she learns to transform her terror into love Discover the pivotal role so called aliens are playing in the transformation of human consciousness from those who are living it firsthand Praise for *Sacred Encounters* A transfixing exploration of the human side of alien encounters Entering into the storied lives of two life long experiencers of alien contact journeying from Dharamsala to the mists of Seattle Dr Colli discovers that the most important lesson for humankind comes not from the beyond but from within the heart that compassion is the foundation for understanding even the most alien of experiences Will Bueche Communications Media Director Program for Extraordinary Experience Research PEER Founded by Harvard Professor of Psychiatry John Mack M D *Sacred Encounters* is a remarkable and well written study of alien encounters Dr Janet Colli a major and well published researcher presents a gripping account of her investigations into alien phenomena This book is a vivid reminder that what we don't know about the universe far exceeds what we do know *Sacred Encounters* is highly recommended reading for anyone interested in alien encounters or spiritual exploration Jeffrey Long M D Founder of Near Death Experience Research Foundation www.nderf.org [Alien Experiences](#) Nadine Lalach, Barbara Lamb, 2020-09-03 Many current and ancient sources suggest that UFOs and extraterrestrial beings have been visiting the earth and interacting with humans for thousands of years If this is true monumental implications arise regarding the origin and evolution of humanity and the future of our planet This book discusses the highly controversial subject of alien contact and abduction recounting twenty five cases of close encounter The cases included have been selected from the files of psychotherapist Barbara Lamb who has been working with abductees since 1991 In her work with 560 individuals more than 1 800 regressions have revealed encounters with what appear to be non human life forms Although extraterrestrial contact is difficult to prove scientifically the events described in this book are accurate in that they have been presented as they were described by the individuals who experienced them These are normal men and women living average responsible lives who have been

subjected to extremely unusual events These individuals display such a compelling sincerity and marked emotional response to their strange experiences there can be no doubt they have experienced some kind of extraordinary event As a reader you may be curious about the subject or you may be a confirmed skeptic You may also be someone who is investigating unusual occurrences in your own life Whatever the case may be if with an open mind you will simply consider the possibilities

inferred by the cases described herein you might find yourself on the road to a greater vision of reality *Fractured Reality*

Jeanne Henderson,2010-02-20 We are each individually and collectively creating the reality we currently find ourselves in Is it working for most people This book is my personal story on how I ended up where I did From my exploration you can also see why you have ended up where you have Our societal systems are fractured and outdated A crisis in consciousness is our problem Free yourself from your limited reality and really be free to explore more expansive solutions **The Omniverse**

Alfred Lambremont Webre,2015-11-17 A tour through the new science of the Omniverse its spiritual and physical dimensions and its incalculable intelligent civilizations Reveals the key travel and communication technologies of the Omniverse time travel teleportation and telepathy Unveils newly disclosed state secrets about these technologies about the findings of the NASA Mars rover missions and about a secret colony and life on Mars Explains through science how souls are holographic fragments of God and how they help create planets solar systems galaxies and universes in the multiverse We are all citizens of the Omniverse the overarching matrix of energy spirit and intelligence that encompasses all that exists all universes within the multiverse as well as the spiritual dimensions centered on the divine Source that many call God In this scientific guide to the Omniverse Alfred Lambremont Webre reveals startling replicable evidence about extraterrestrial and extra universal life the intelligent civilizations created by souls in the afterlife top secret alien technology and the existence of a secret base as well as life on Mars The author explains how our souls are holographic fragments of God Source and how souls and Source are co creating planets and galaxies as virtual realities for soul development He addresses Grey alien control over soul reincarnation and also sheds light on the presence of invisible hyperdimensional controllers known as the Archons who feed off negative energy Revealing the key technologies of the Omniverse the author explains how hyperdimensional civilizations communicate telepathically teleport interdimensionally and travel through time He unveils newly disclosed state secrets about government possession of these technologies the findings of the NASA Mars rover missions and the secret Mars colony whose permanent security personnel is age reversed and shot back through time to their specific space time origin points with their memories blocked Integrating science and spirituality this map of the dimensions of the Omniverse sounds the call for scientific inquiry into the holographic origins of the soul the potential of time travel and our role as divine co creators with Source *Spiritual and Galactic Awakening* Judith L. Cameron Ph.D.,2019-09-16 This book by Judith L Cameron Ph D is the continuation of her true story of her ongoing encounters with benevolent extraterrestrials and the education that she has received from them throughout her life She began sharing her story in her first book Caught Between Two Worlds A Journey

Through Time She had a lucid dream that told her that part of her life's work was to train to be an ambassador a liaison between Earth humans and extraterrestrials when the star visitors come en masse on their first contact mission Follow Judy's continuing adventure from being a child of six and meeting her first extraterrestrials to her present day encounters which have occurred in many different ways Judy talks about the remarkable things she has learned from these benevolent beings disclosure and the awakening of the masses She will take you around the world sharing with you the stargates that are present and who is assumed to have built them Traveling around the globe to exotic places such as Bora Bora Orpheus Island Australia on the Great Barrier Reef Hawaii the great American Southwest Mecca Saudi Arabia Cairo Egypt and Dubai United Arab Emirates Judy's story will enchant and at times captivate you Working as a public school teacher for forty years teaching all grade levels and at NASA the National Aeronautics and Space Administration as an educational consultant along with her work as a doctor of clinical hypnotherapy have given Judy the background and credibility that she needs to carry out her mission Follow Judy now as you learn of the wonderful possibilities for our future Earth

Awakening The Universal Heart Serge Beddington-Behrens, 2013-09-11 A guide to improving your quality of life and changing the world for the better I invite you to come on a journey with me into one of the most important yet often most neglected dimension of yourself your heart I want to help you discover as I have slowly been

discovering that our hearts not only hold the key to our being able to live a fuller and more meaningful life but also to our being able to play a part in helping heal our planet The change needed is a shift out of our primarily head focus into becoming increasingly heart centered where we are connected to our hearts and are potentially capable of moving mountains We are only going to be good activists if we have plenty of heart in our lives if we are big hearted with a well activated Heart A culture of Heart is vital if we are to heal the many wounds and splits that exist between different classes religions tribes and nations The book has been written from a place of great hope and joy based on knowledge that our world is changing and that the planetary heart is at last awakening Praise for *Awakening the Universal Heart* If you want to open and develop your heart to create a better world for everyone then read this passionate and inspiring book William Bloom author educator and activist We need practical visionaries to show us the way towards a culture of love and of the heart Serge is one such visionary David Lorimer Programme Director of the Scientific and Medical Network *Shadows of the Sacred* Frances E. Vaughan, 2005 A brilliant and groundbreaking exploration of the promises and pitfalls of the spiritual path written by one of the pioneers of transpersonal psychology A must for every serious spiritual seeker students of consciousness and all those concerned about the future of our planet Stanislav Grof M D Regardless of one s religious preferences this pioneering classic eloquently and objectively addressees the spiritual issues of our time Angeles Arrien Here presented with clarity and courage are the foundations for a transpersonal psychotherapy that respects the multileveled richness of the human psyche Ram Dass

Encounter with Enlightenment Robert E. Carter, 2012-02-01 In *Encounter with Enlightenment* Robert E Carter puts forth the East and specifically Japan as a source of possible solutions to the world s social economic and environmental problems Not only is the book a sustained scholarly analysis of both the religious and philosophical roots of Japan s distinctive ethical approach to life but it also provides the Western reader with a context for understanding Eastern values values that although familiar to the West tend to be deemphasized *Encounter with Enlightenment* begins a horizontal fusion between East and West and establishes a common ground for mutual understanding and for working toward an ethical approach that could resolve some of the earth s difficulties *In the Realm of Hungry Ghosts* Gabor Maté, MD, 2011-06-28 A groundbreaking look at addiction and recovery from the bestselling author of *The Myth of Normal* the modern self help classic that reframes everything you were taught about trauma and substance abuse Addictions always originate in pain whether felt openly or hidden in the unconscious In *In the Realm of Hungry Ghosts* world renowned physician and trauma expert Dr Gabor Maté offers a frame changing approach to understanding substance abuse and recovery and challenges us to rethink everything we thought we knew about how addiction happens who s labeled an addict and why our social systems and government structures fail to support real healing and wholeness This 1 international bestseller advocates for humane approaches to treatment and recovery and explores substance use disorder as an outcome of unhealed developmental trauma Through case studies cutting edge neuropsychiatric research and clear eyed analysis Maté reveals the root causes of addiction Personal

history Emotional development Brain chemistry Social conditions Structural factors The unhealed traumas we may not even realize we carry He convincingly makes the case for solutions grounded in real whole person whole culture healing not the punishment stigma isolation and criminalization that actually lead to worse outcomes Since its original publication in 2010 this book has been essential reading for anyone seeking to understand addiction It reframes substance use disorder as a response to suffering not a choice or a moral failure For readers struggling with substance abuse for those looking to better understand their loved ones and for anyone who wants to make sense of the twin epidemics of trauma and addiction In the Realm of Hungry Ghosts offers a radical authoritative path toward understanding hope and societal repair and lights the way for true recovery

Encounters with God GIACOMO MIOTTO, NOAH BENNET, 2025-02-27 Are you ready to embark on a journey that challenges the laws of science while immersing you in the depths of the spirit Encounters with God Between Science and Faith is a work that unites the magnificence of the divine mystery with the incredible beauty of scientific research It is not just a theoretical reflection but a narrative nourished by real stories lived experiences and profound transformations involving science faith and spirituality What will you find in the book A Transformative Journey The pages of this book will guide you through moving experiences that testify to encounters with the divine You will discover how people in times of suffering rediscover hope in the Resurrection of Christ a message that is not only historical but a living reality that calls us to new life These stories invite reflection on the possibility of a divine encounter that is present today in our daily lives The Convergence of Science and Faith Each chapter explores how the connections between the scientific understanding of the universe and Christian faith can be harmonized You will uncover the hidden beauty behind every atom every subatomic particle and how these cosmic laws speak of an intelligent and mysterious Creator Chemistry for example offers a perspective to reflect on a creative principle that gave life to the universe Chemical laws such as the conservation of mass and thermodynamics emerge as order that arises from chaos similar to divine principles that create harmony in the universe Even the laws of the macrocosm such as Newton's law of universal gravitation or Einstein's theory of relativity show an ordered universe a tangible sign of a Creator The dance of galaxies and planets which follows rigorous physical laws could be the reflection of a divine design Stories of Everyday Miracles You will find inspiring stories of people who through dreams visions and small everyday miracles encountered the divine in extraordinary ways Each story is a window into a world we often ignore yet one that is full of meaning Science and faith intertwine showing that the spiritual dimension can manifest even in a scientific world Every miracle big or small can be seen as an interaction between physical chemical and macrocosmic laws and a spiritual reality that transcends them The Power of Forgiveness and Healing A central theme in the book is the transformative power of forgiveness which through the Resurrection of Christ brings spiritual and physical healing The stories of those who find peace through forgiveness are powerful and moving Science confirms how forgiveness has positive effects on health improving the quality of life The laws of biochemistry show us that emotions influence chemical

processes in our bodies and forgiveness can bring tangible benefits to our health
