Sacred Journey Prayers And Songs Of Native America:

The Sacred Journey Peg Streep, Claudia Karabaic Sargent, 1995 A collection of prayers and songs drawn from the traditions of many tribes *Spiritual Gardening* Peg Streep, 2003 Explores the creation of a garden sanctuary with practical advice on plant selection color creating pathways and gates and sharing the space with wildlife **Language of the Heart** Carolyn Pogue, 1998 Funeral or memorial ceremonies are important in meeting the social and emotional needs of survivors They can be important rituals to help us acknowledge a death Ceremonies can help people express pain Rituals can help us remember Ceremonies can help people heal In *Language of the Heart* author Carolyn Pogue offers stories and resources for creating meaningful and healing ceremonies The book answers the questions many of us have about financial and legal matters living wills and ethical wills organ donation and what to expect at a funeral home It also contains sample memorial ceremony outlines prayers and suggested scripture readings Includes unique resources for situations when there has been a death of a child when the relationship was unloving when the death was a suicide **Animals in Religion** Barbara Allen, 2016-06-15 *Animals in Religion* explores the role of animals within a wide range of religious traditions Exploring countless stories and myths passed down orally and in many religious texts Barbara Allen herself a practicing minister offers a fascinating history of the ways animals have figured in our spiritual lives whether they have been Christian Jewish Muslim or any number of lesser known religions Some of the figures here will be familiar such as St Francis of Assisi famous for his accord with animals or that beloved remover of obstacles Ganesha the popular elephant god in the Hindu pantheon Delving deeper Allen highlights the numerous ways that our religious practices have honored and relied upon our animal brethren She examines the principle of ahimsa or nonviolence which has Jains sweeping the pathways before them so as not to kill any insects as well as the similar principle in Judaism of *tsar ba alei chayim* and the notion in some sects of Islam that all living creatures are Muslim From ancient Egypt to the Druids to the indigenous cultures of North America and Australia Allen tells story after story that emphasizes the same message all species are spiritually connected **The Native American Oral Tradition** Lois J. Einhorn, 2000-04-30 Einhorn a rhetorical scholar explores the rich history of the Native American oral tradition focusing on stories orations prayers and songs Because American Indians existed without written language for many generations their culture was strongly dependent on an oral tradition for continuity and preservation Not surprisingly they spent many hours perfecting the art of oral communication and learning methods for committing their messages to memory Einhorn thoroughly examines the important aspects of this unique oral tradition from a rhetorical perspective covering individual speakers nations and time periods In the first half of the book the author examines how the Native American oral tradition has affected their cultural assumptions principles values beliefs and experiences These chapters focus primarily on characteristics of the Native American oral tradition that transcend individual nations The second half of the book includes translated transcripts of representative speeches stories prayers and songs In accessible and compelling

prose Einhorn discusses the sanctity of the spoken word to Native Americans concluding that their oral tradition helps to account for the survival of their people and their culture *Indigenous Journeys, Transatlantic Perspectives* Anna M Brígido-Corachán, 2023-11-01 Writing from a vantage point that respects tribal specificities and Indigenous sovereignty the essays in this volume consider the relational place worlds crafted by the Native American authors Louise Erdrich Leanne Betasamosake Simpson Gordon Henry Jr Louis Owens James Welch Heid E Erdrich Ofelia Zepeda and Simon J Ortiz Each is set in conversation with kindred writers and larger sociopolitical debates in the Americas Africa and Europe The shared aim is to decolonize academic methodologies and disciplines across the Atlantic by tracing the creative spiritual and intellectual networks that Native writers have established with other communities at home and around the world Key issues to arise include Native American Indigenous theories and literary practices that center on relationality the planetary turn grounded normativity trans Indigeneity transborder identities movement journeying migration multilingualism genomic research futurity ecology and justice *Reference Encyclopedia of the American Indian* Barry T. Klein, 2005 [The Rebirthing of God](#) John Philip Newell, 2014-06-06 Dare to imagine a new birth from deep within Christianity a fresh stirring of the Spirit The walls of Western Christianity are collapsing In many parts of the West that collapse can only be described as seismic There are three main responses or reactions to this collapse The first is to deny that it is happening The second is to frantically try to shore up the foundations of the old thing The third which I invite us into is to ask what is trying to be born that requires a radical reorientation of our vision What is the new thing that is trying to emerge from deep within us and from deep within the collective soul of Christianity from the Introduction In the midst of dramatic changes in Western Christianity internationally respected spiritual leader peacemaker and scholar John Philip Newell offers the hope of a fresh stirring of the Spirit among us He invites us to be part of a new holy birth of sacred living Speaking directly to the heart of Christians those within the well defined bounds of Christian practice and those on the disenchanted edges as well as to the faithful and seekers of other traditions he explores eight major features of a new birthing of Christianity Coming back into relationship with the Earth as sacred Reconnecting with compassion as the ground of true relationship Celebrating the Light that is at the heart of all life Reverencing the wisdom of other religious traditions Rediscovering spiritual practice as the basis for transformation Living the way of nonviolence among nations Looking to the unconscious as the wellspring of new vision Following love as the seed force of new birth in our lives and world *Indian Pilgrims* Michelle M. Jacob, 2016-10-04 In 2012 Kateri Tekakwitha became the first North American Indian to be canonized as a saint by the Roman Catholic Church an event that American Indian Catholics have awaited for generations Saint Kateri known as the patroness of the environment was born in 1656 near present day Albany New York to an Algonquin mother and a Mohawk father Tekakwitha converted to Christianity at age nineteen and took a vow of perpetual virginity Her devotees have advocated for her sainthood since her death in 1680 Within historical Catholic writings Tekakwitha is portrayed as a model of pious submissive

femininity Indian Pilgrims moves beyond mainstream narratives and shows that Saint Kateri is a powerful feminine figure who inspires decolonizing activism in contemporary Indigenous peoples lives Author Michelle M Jacob examines Saint Kateri s influence on and relation to three important themes caring for the environment building community and reclaiming the Native feminine as sacred and brings a Native feminist perspective to the story of Saint Kateri The book demonstrates the power and potential of Indigenous decolonizing activism as Saint Kateri s devotees claim the space of the Catholic Church to revitalize traditional cultural practices teach and learn Indigenous languages and address critical issues such as protecting Indigenous homelands from environmental degradation The book is based on ethnographic research at multiple sites including Saint Kateri s 2012 canonization festivities in Vatican City and Italy the Akwesasne Mohawk Reservation New York and Canada the Yakama Reservation Washington and the National Tekakwitha Conferences in Texas North Dakota and Louisiana Through narratives from these events Jacob addresses issues of gender justice such as respecting the autonomy of women while encouraging collectivist thinking and strategizing and seeks collective remedies that challenge colonial and capitalist filters

Native American DNA Kim TallBear,2013-09-01 Who is a Native American And who gets to decide From genealogists searching online for their ancestors to fortune hunters hoping for a slice of casino profits from wealthy tribes the answers to these seemingly straightforward questions have profound ramifications The rise of DNA testing has further complicated the issues and raised the stakes In **Native American DNA** Kim TallBear shows how DNA testing is a powerful and problematic scientific process that is useful in determining close biological relatives But tribal membership is a legal category that has developed in dependence on certain social understandings and historical contexts a set of concepts that entangles genetic information in a web of family relations reservation histories tribal rules and government regulations At a larger level TallBear asserts the markers that are identified and applied to specific groups such as Native American tribes bear the imprints of the cultural

racial ethnic national and even tribal misinterpretations of the humans who study them TallBear notes that ideas about racial science which informed white definitions of tribes in the nineteenth century are unfortunately being revived in twenty first century laboratories Because today s science seems so compelling increasing numbers of Native Americans have begun to believe their own metaphors in our blood is giving way to in our DNA This rhetorical drift she argues has significant consequences and ultimately she shows how Native American claims to land resources and sovereignty that have taken generations to ratify may be seriously and permanently undermined
