## **Sacred Symbols Of Mu:**

The Sacred Symbols of Mu James Churchward, 2007-10-01 Occultist James Churchward was obsessed with the lost continent of Mu home to the original human civilization after learning of this mysterious and forgotten paradise from an Indian priest who shared several ancient tablets written by the Naacals the inhabitants of Mu Or so Churchward claimed Here in this work first published in 1933 Churchward discusses his contention that all religions from across Earth share a common origin in Mu In particular he explores how symbols of Mu gleaned supposedly from the ancient tablets bear startling resemblances to everything from the Egyptian ankh and Chinese pictograms to Native American calendar glyphs The reality of Mu aside students of comparative mythology and fans of esoterica will find this a fascinating book British inventor engineer and author COLONEL JAMES CHURCHWARD 1851 1936 the elder brother of mystic author Albert Churchward also wrote *The Lost Continent of Mu* Motherland of Man 1926 *The Children of Mu* 1931 *The Lost Continent of Mu* 1931 *Cosmic Forces of Mu* 1934 and *Second Book of Cosmic Forces of Mu* 1935

**The Sacred Symbols of Mu** James Churhward, 2001 *Sacred Symbols of Mu* James Churchward, 2017-12-29 Mu was a lost continent in the Pacific Ocean which was destroyed in a global cataclysm tens of thousands of years ago Mu was the original home of mankind and all subsequent civilizations descended from it The Pacific islands and their inhabitants are supposed to be the last survivors of this primordial motherland Churchward s Mu was a huge continent which stretched from Micronesia in the West to Easter Island and Hawaii in the East He also believed in a literal mid Atlantic Atlantis He proposed a global network of huge gas filled caverns which if vented could cause large areas of land to be submerged He claimed that while posted in India he befriended a priest Rishi who revealed to him ancient tablets written in an otherwise unknown language The Rishi taught him how to read this language Naacal The tablets described the land of Mu the Lemuria of the Theosophists He also claimed that he was able to discern writing from Mu on a mysterious set of tablets discovered in Mexico by an explorer named William Niven

**The Sacred Symbols of Mu** James Churchward, 2011-05-26 Mu as a lost Pacific Ocean continent was later popularized by James Churchward 1851 1936 in a series of books beginning with *Lost Continent of Mu* the *Motherland of Man* 1926 re edited later as *The Lost Continent* Mu 1931 Other popular books in the series are *The Children of Mu* 1931 and *The Sacred Symbols of Mu* 1933 Churchward claimed that more than fifty years ago while he was a soldier in India he befriended a high ranking temple priest who showed him a set of ancient sunburnt clay tablets supposedly in a long lost Naga Maya language which only two other people in India could read Having mastered the language himself Churchward found out that they originated from the place where man first appeared Mu The 1931 edition states that all matter of science in this work are based on translations of two sets of ancient tablets the clay tables he read in India and a collection 2 500 stone tablets that had been uncovered by William Niven in Mexico p 7 Churchward gave a vivid description of Mu as the home of an advanced civilization the Naacal which flourished between 50 000 and 12 000 years ago was dominated by a

white race p 48 and was superior in many respects to our own p 17 At the time of its demise about 12 000 years ago Mu had 64 000 000 inhabitants and many large cities and colonies in the other continents Churchward claimed that the landmass of Mu was located in the Pacific Ocean and stretched east west from the Marianas to Easter Island and north south from Hawaii to Mangaia He claimed that according to the creation myth he read in the Indian tablets Mu had been lifted above sea level by the expansion of underground volcanic gases Eventually Mu was completely obliterated in almost a single night p 44 after a series of earthquakes and volcanic eruptions the broken land fell into that great abyss of fire and was covered by fifty millions of square miles of water p 50 Churchward claimed that Mu was the common origin of the great civilizations of Egypt Greece Central America India Burma and others including Easter Island and was in particular the source of ancient megalithic architecture As evidence for his claims he pointed to symbols from throughout the world in which he saw common themes of birds the relation of the Earth and the sky and especially the Sun Churchward claims the king of Mu was Ra and he relates this to the Egyptian god of the sun Ra and the Rapanui word for Sun ra a which he incorrectly spells raa 8 p 48 He claimed to have found symbols of the Sun in Egypt Babylonia Peru and all ancient lands and countries it was a universal symbol 8 p 138 Churchward attributed all megalithic art in Polynesia to the people of Mu He claimed that symbols of the sun are found depicted on stones of Polynesian ruins such as the stone hats pukao on top of the giant moai statues of Easter Island Citing W J Johnson Churchward describes the cylindrical hats as spheres that seem to show red in the distance and asserts that they represent the Sun as Ra p 138 He also incorrectly claimed that some of them are made of red sandstone 8 p 89 which does not occur in the island The platforms on which the statues rest ahu are described by Churchward as being platform like accumulations of cut and dressed stone which were supposedly left in their current positions awaiting shipment to some other part of the continent for the building of temples and palaces p 89 He also cites the pillars erected by the Maori of New Zealand as an example of this lost civilization s handiwork p 158 In Churchward s view the present day Polynesians are not descendants of the dominant members of the lost civilization of Mu responsible for these great works but survivors of the cataclysm that adopted the first cannibalism and savagery in the world *The Sacred Symbols of Mu, Etc. *Vimana Aircraft of Ancient India & Atlantis* David Hatcher Childress,1991 Did the ancients have the technology of flight In this incredible volume on ancient India authentic Indian texts such as the Ramayana and the Mahabharata are used to prove that ancient aircraft were in use more than four thousand years ago Included in this book is the entire Fourth Century BC manuscript Vimaanika Shastra by the ancient author Maharishi Bharadwaaja translated into English by the Mysore Sanskrit professor G R Josyer Also included are chapters on Atlantean technology the incredible Rama Empire of India and the devastating wars that destroyed it Also an entire chapter on mercury vortex propulsion and mercury gyros the power source described in the ancient Indian texts Not to be missed by those interested in ancient civilizations or the UFO enigma Tons of illustrations *The Sundisk* Gail Logan,2005-11 There is a legend that if one gazes at the horizon from the summit of the mountain he will glimpse the land from whence we came The writings of Colonel James Churchward and his lifetime search for the lost land of Mu were the inspiration for *The Sundisk* In her debut novel Gail Logan takes her characters on an emotional and spiritual quest for this lost world where Eden like splendor melds with the grandeur of a golden age Through their quest for the forgotten island a remnant of the fabulous continent of Mu the characters reach deep within themselves to make a spiritual discovery of the place Logan s work suggests that the fabulous lost continent may emerge again when men mend their differences live in peace with themselves and respect the beauty of the natural world Contesting Earth's History in Transatlantic Literary Culture, 1860-1935 Richard Fallon,2025-02-14 By the mid nineteenth century geologists and palaeontologists had reconstructed an authoritative narrative of Earth s deep history from the planet s molten origins to the rise of humanity Many figures in transatlantic science across subsequent decades however had problems with this narrative it was too secular inhuman and evolutionary or controlled too exclusively by elite scientists Speaking from palaeoscience s unevenly professionalized and controversy racked borders Christian fundamentalists charismatic psychics and respected scholars alike voiced their objections Until now no study has brought their work together for detailed comparative analysis

Spanning from the 1860s to the interwar decades *Contesting Earth's History* examines the fascinating stories of five significant examples of fringe or borderline palaeoscience: old and young earth creationism, hollow earth theory, clairvoyant time travel and sunken continent catastrophism. Innovatively combining methods from literary studies with the history of science, this book attends not just to the conceptual content of these strange sciences but also to their proponents' communication of truth claims through diverse genres ranging from the scientific textbook and the technical monograph to the lost world romance and the epic poem. By paying close attention to the hitherto overlooked textual forms and literary strategies of these works of pseudoscience, this volume throws into relief the variant conceptions of audience, evidence and method that jostled and competed in wider scientific culture during this period. It also demonstrates that for all their diversity, authors of borderline palaeoscience shared the desire to shift the balance of power, creating textual spaces where exclusive hierarchies of scientific expertise could be levelled away. These conjurors of lost worlds often captivated wide audiences, and many of their bizarre, astonishing and iconoclastic ideas remain with us to this day. Some even inspired early science fiction: by the likes of H. P. Lovecraft and Edgar Rice Burroughs. Hijacking geologists and palaeontologists' longstanding effort at making the prehistoric past visible, authors on the borderlines of palaeoscience asserted their right to scientific authority and encouraged readers to gaze into time's abyss with bold new eyes.
