The Voiceless Soul Kelly Tallaksen, 2021-02-17 Most of the world is stuck in a trap due to fears of nonlove From a newly fertilized egg birthed into the world of grown ups the incoming soul is challenged by the unconscious fears and suppressed emotions of the grown ups who will be its teachers at the beginning phases of life The fear consciousness developed and reinforced over time has created a world that lacks the necessary self awareness for true spiritual growth The letters throughout the book written by the soul of a wounded and disconnected child challenge the reader to face their own rejected and disowned parts as the reader is led into a deeper understanding of human consciousness and finally a healing process that reaches the level of the soul The book provides an understanding of and universal need for authentic forgiveness and compassion not only for the wounded inner child of the reader but also the wounded inner child parts within the disconnected grown ups that polluted the reader's self esteem The

book includes relevant research client cases and the author's own challenges of being raised by grown ups who have failed to grow up keeping her trapped in feelings of unworthiness Treatise on the Love of God Saint Francis of Sales,2007-06-01

among Women Mary F. Thurlkill,2008-01-15 Chosen among Women Mary and Fatima in Medieval Christianity and Shi'ite Islam combines historical analysis with the tools of gender studies and religious studies to compare the roles of the Virgin Mary in medieval Christianity with those of Fatima daughter of the prophet Muhammad in Shi'ite Islam The book explores the proliferation of Marian imagery in Late Antiquity through the Church fathers and popular hagiography It examines how Merovingian authors assimilated powerful queens and abbesses to a Marian prototype to articulate their political significance and at the same time censure holy women's public charisma Mary Thurlkill focuses as well on the importance of Fatima in the evolution of Shi'ite identity throughout the Middle East She examines how scholars such as Muhammad Baqir al Majlisi advertised Fatima as a symbol of the Shi'ite holy family and its glorified status in paradise while simultaneously binding her as a mother to the domestic sphere and patriarchal authority This important comparative look at feminine ideals in both Shi'ite Islam and medieval Christianity is of relevance and value in the modern world and it will be welcomed by scholars and students of Islam comparative religion medieval Christianity and gender studies **The Chronicles of Sekhmet on**

Olmecra Z. P. Foy,2017-11-11 Goddess Sekhmet is a Legendary Lioness Woman tasked with raising the vibrational energies of humans on a specific part of the Earth Without the elevation in vibrations Earth will not be able to ascend with the other planets in the galaxy She is Super Woman rolled up into Mother Nature The Matriarchy of the Kemetic Pantheon and Cosmic Goddesses are the protagonist of the book displaying their best nurturing attributes The story is being told from a divine feminine perspective in a way Goddess Sekhmet is not traditionally typified For those who study the Ancient Egyptians and or Kemet metaphors will develop into myth And for those who are new to the subject matter the interaction of the immortals

with humans will encourage readers to seek what is seeking them This novella is unique in that few stories are dedicated to the African Cosmic Pantheon as compared to books popularized by Greek and Roman mythology Book One is written as the first of a series of seven novellas that chronicle how the Goddess Sekhmet gets Earth to ascend The stories may seem controversial to some but are non confrontational The main antagonist is Systematic Internal Societal Illness SISI And the story line is never meant to accuse anyone or any group of people What is emphasized is the misuse of spirituality and the decline of the human condition Overall the concept of Personal Agency is encouraged so the reader expands their thoughts on their individual journey and how their purpose fits in the Universe
