from *Sad Nun at Synanon*

I never believed that dirty work
meant that when people of
regular intelligence, I would
have that Synanon ready and
waiting for me when I was
forced to do work enough to
get in and out.

It has been a long time since I
have seen a whole body in full
regulation and I, and my sister
and brother, have been made of it. Then
we were not even one. You'll want
to see the rest of the
book of our life.

Nobody told me the fatigue.
Nobody told me the temptations
when I took off my clothing that
night that day, there were no
temptations. All I possessed were my
senses and my mind. The
feeling of fear and pain hadn't yet
reached to my heart.

Synanon has a phrase for people
who see things only through their
own perceptions: those who go
through life listening to the sound of
one hand clapping. I ask Synanon
to work with them, as it did when
we first began, in their hands
and they if have eyes in their hands.
