Strangers in the Family Guo-Quan Seng,2023-11-15 In *Strangers in the Family* Guo Quan Seng provides a gendered history of settler Chinese community formation in Indonesia during the Dutch colonial period 1816 1942 At the heart of this story lies the creolization of patrilineal Confucian marital and familial norms to the colonial legal moral and sexual conditions of urban Java Departing from male centered narratives of Ooverseas Chinese communities *Strangers in the Family* tells the history of community formation from the perspective of women who were subordinate to and alienated from full Chinese selfhood From native concubines and mothers creole Chinese daughters and wives and matriarchs to the first generation of colonial educated feminists Seng showcases women s moral agency as they negotiated manipulated and debated men in positions of authority over their rights in marriage formation and dissolution In dialogue with critical studies of colonial Eurasian intimacies this book explores Asian centered inter ethnic patterns of intimate encounters It shows how contestations over women s place in marriage and in society were formative of a Chinese racial identity in colonial Indonesia

Neoliberal Morality in Singapore Youyenn Teo,2013-11-11 Using the case study of Singapore this book examines the production of a set of institutionalized relationships and ethical meanings that link citizens to each other and the state It looks at how questions of culture and morality are resolved and how state society relations are established that render paradoxes and inequalities acceptable and form the basis of a national political culture The Singapore government has put in place a number of policies to encourage marriage and boost fertility that has attracted much attention and are often taken as evidence that the Singapore state is a social engineer The book argues that these policies have largely failed to reverse demographic trends and reveals that the effects of the policies are far more interesting and significant As Singaporeans negotiate various rules and regulations they form a set of ties to each other and to the state These institutionalized relationships and shared meanings referred to as neoliberal morality render particular ideals about family natural Based on

extensive field work the book is a useful contribution to studies on Asian Culture and Society Globalisation as well as Development Studies *Research Handbook on Family Property and the Law* Margaret Briggs, Andy Hayward, 2024-06-05

This pivotal Research Handbook analyses the interconnectedness of family property and the law through historical contemporary comparative and jurisdiction specific lenses Authors analyse some of the most well known contested and politicised legal developments in the field of family property law **A History of Human Rights Society in Singapore** Jiyoung Song, 2017-05-08 To celebrate Singapore's fiftieth anniversary for its independence from Malaysia in 2015 35 students academics and activists came together to discuss and write about pioneering Singaporean human rights activists and their under reported stories in Singapore The city state is known for its remarkable economic success while having strict laws on individual freedom in the name of national security public order and racial harmony Singapore's tough stance on human rights however does not negate the long and persistent existence of a human rights society that is little known to the world until today This volume composed of nine distinctive chapters records a history of human rights activists their campaigns main contentions with the government survival strategies and other untold stories in Singapore's first 50 years of state building *Living in Singapore (17th Edition Reference Guide)* Melinda Murphy, Katie Taylor, Available for pre order now For half a century the Living in Singapore Reference Guide has been a go to resource for newcomers and long time residents of the island alike In celebration of its 50th anniversary in print this special edition brings the past present and future of learning about Singapore to life in an entirely new way Through the magic of augmented reality AR the guide redefines the reading experience Using the American Association of Singapore's Living in Singapore app images transform into videos and 3D objects come alive color version only while interactive quizzes offer engaging ways to explore and understand Singapore Beyond the digital experience this edition is packed with fun nostalgia and valuable content including Personal stories and anecdotes from members and family of the American Association of Singapore A timeline of Singapore's historic events spanning the past 50 years Expert advice and insights from knowledgeable authors helping readers navigate settling in cultural nuances and making the most of life in Singapore Chapters include Welcome to Singapore Finding a Home Running the Household Education Food Dining Health Wellness Business Career Getting Around Shopping Life with Kids Life as an Adult Activities Sports Nature Arts Culture Regional Travel Blending tradition with innovation the Living in Singapore Reference Guide continues to be an essential companion for anyone looking to understand explore and thrive in this dynamic city Video and 3D AR features are available on color devices only AR quizzes and QR codes are accessible on devices with both color and black and white display **Family and Population Changes in Singapore** Wei-Jun Jean Yeung, Shu Hu, 2018-04-17 This book depicts the evolution of Singapore's family and population landscape in the last half a century the related public policies and future challenges Since the country gained independence in 1965 family and population policies have been integral to her nation building strategies The chapters discuss the changes in population

compositions family structures relations and values among major ethnic groups They also discuss policies for vulnerable populations such as female headed households cross cultural families same sex partnering the elderly and low income families **Suid-Afrikaanse Hofverslae** ,1996 Singapore , *Asia-Pacific Trusts Law, Volume 2* Ying Khai Liew,Ying-Chieh Wu,2022-12-15 This book brings together leading legal scholars and practitioners from across the Asia Pacific region to probe the ways in which trusts law has been adapted by various jurisdictions and to analyse their causes and effects The contributions discuss how the trust structure with its inherent malleability has been adapted to meet a diverse set of local needs including social religious economic commercial or even historical needs But in most instances those needs and the ways in which trusts law has been adapted to meet them are not unique to a single jurisdiction they often coincidentally or otherwise find much in common with others By making its readers aware of the commonality of needs in Asia Pacific this book also aims to encourage coordination and cooperation in utilising trusts law to address shared concerns across the region **The Contemporary Family in Singapore** Eddie C. Y. Kuo,Aline K. Wong,1979 Twelve essays on the sociology of the family in Singapore in the modern period **New Directions and Trends in Parenting Research** Nicolette Vanessa Roman,Yosi Yaffe,Dorit Alt,2024-08-28 For many decades parenting has been at the center of interest for practitioners and researchers interested in child social and psychological development The body of research on children s socialization has primarily focused on traditional parenting styles and their related practices in the spirit of Baumrind s and others conceptualization of parental control and power assertion e g authoritative authoritarian and permissive This research has revealed many domains of children s and adolescents adjustment and wellbeing that are affected by and affecting parenting quality but intriguing new parental approaches and types have recently emerged in research literature such as digital parenting transcendent parenting parental alienation overparenting helicopter parenting tiger parenting and several others about which more is yet to be learned Likewise in recent years our understanding of the role played by factors such as culture ethnicity environmental and familial background in the relationship between parenting styles and children s psychological wellbeing and mental health has greatly improved However the question of whether or not there is a global uniform optimal parenting remains controversial as more studies are required to better understand the varying impacts of parenting on the child s well being within different demographic and familial contexts This is especially true for families with special needs children i e children and adolescents with developmental and psychological disabilities where research on parenting styles in particular is understudied Additionally in the present digital era there is growing interest in relatively new behavioral outcomes in children and adolescents such as sedentary behaviors including eating and nutrition habits online behaviors and digital activity vs physical activity These and other important contemporary aspects in children s functioning and behaviors contribute to developmental mental health and further establishing our knowledge regarding the parental role in these contexts is essential *Sex, Family, and the Culture Wars* Mark J. Cherry,2016-07-31 Extraordinary

social and moral shifts have taken place in Western societies Sex is no longer the exclusive province of husband and wife set within monogamous married family life The world is awash in sex advertising books magazines movies sex clubs internet pornography etc Parents traditionally responsible for guiding their children s moral and social development have been effectively sidelined by commercial and governmental interests This volume pursues a detailed study of how changes in social life dating from the sexual revolution of the 1960s have affected the family Cherry shows that attempts to redefine the family away from the marital union of husband and wife come with real costs social emotional psychological and financial He argues that while political campaigns have fueled attempts to undermine the traditional family to pretend it possesses no basic biological social or moral reality such ideologically driven undertakings are injurious to society Acting as if there are no consequential differences between traditional marriage and other sexual lifestyles ignores significant data demonstrating the importance of the traditional biological family to the well being of men and women and the successful raising of children The family possesses a biological and moral being that is foundational an essential building block of society Cherry argues that the family is the most incontrovertible field of conflict in the culture wars others might conclude that it is the decisive battleground

A Kaleidoscope of Malaysian Indian Women's Lived Experiences Premalatha Karupiah, Jacqueline Liza Fernandez, 2022-10-22 This book presents a compilation of chapters relating to the socio cultural experiences of Malaysian Indian women It includes a historical background covering Indian women s migration to Malaya and explores the lived realities of contemporary Indian women who are members of this minority ethnic group in the country The authors cover a wide range of issues such as gender inequality poverty the involvement of women in performing arts work inter personal relationships and well being and happiness drawing on substantial empirical data through a gendered lens This book addresses the gap in the intersectional gender studies literature on minority groups of women in Malaysia while simultaneously highlighting the multiple forms of subordination minority women particularly Indian women experience in society including those that arise from gender ethnic intersectionality In examining the case of Indian women in Malaysia it also speaks to and enriches existing literature on the lives of minority groups of women in the Global South more broadly This anthology is beneficial to researchers and students in the social sciences particularly in disciplines related to gender studies and minority studies In addition it is also useful for policy makers and social activists working with minority women in the Global South

Sg Marriage And Family Exp: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. Sg Marriage And Family Exp : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Sg Marriage And Family Exp : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
