Flipping Patriarchy Man Who Has It All, 2025-03-13 I love this book Fern Britton Laugh out loud funny Kate Bottley An explosive satire of gender stereotypes that flips patriarchy on its head to highlight sexist double standards Exploring subjects like work and comedy history and sport the beauty industry and domesticity anonymous author Man Who Has It All imagines a world in which men are bombarded with the same stereotypical bullshit as women What if men's T-shirts were emblazoned with slogans encouraging them to be smiley positive and kind What if we laughed at jokes about fathers in law male drivers and middle class men of a certain age What if men's history was a niche topic Behind the jokes about crazy cat gentlemen testicular men and the twenty-four hour moustache lies a deeper darker message about language power and control Smart and provocative Man Who Has It All shines a powerful light on the prejudice ingrained in our society Told through fictionalised scenarios and wider cultural analysis this is a feminist handbook that will arm you against the patriarchy Funny and insightful but also fiercely radical Victoria Smith Takes on patriarchy with wit verve and a mighty dose of good old British sarcasm Viv Groskop author of *How to Own the Room* We need to hide copies in every locker room Wetherspoons and B Q Eleanor Morton comedian and actor Man Who Has It All does a remarkable job of channelling anger into humour a galvanising read Rachel Hewitt author of *In Her Nature*

Exposing Lifestyle Television Gareth Palmer, 2016-04-15 In the last decade lifestyle television has become one of the most dominant television genres with certain shows now global brands with formats exploited by producers all over the world What unites these programmes is their belief that the human subject has a flexible malleable identity that can be changed within television friendly frameworks In contrast to the talk shows of the eighties and nineties where modest transformation was discussed as an ideal advances in technology combined with changing tastes and demands of viewers have created an appetite for dramatic transformations This volume presents case studies from across the lifestyle genre considering a variety of themes but with a shared understanding of the self as an evolving project driven by enterprise Written by an international team of scholars the collection will appeal to sociologists of culture and consumption as well as to scholars of media studies and media production throughout the world
