The heart of industrial England. Birmingham and surrounding districts England, 1891 *The Heart of It All* Christian Kiefer, 2023-09-12 Deeply moving and beautifully written I couldn't put it down Jesmyn Ward author of *Sing Unburied Sing* For anyone who believes as I do that the best hope for our fractured country is local not national Christian Kiefer's new novel *The Heart of It All* will provide a welcome balm for the spirit Here are people worth spending time with not because they're perfect but because they're not What's wrong with them isn't nearly as consequential as how hard they fight for a better life and not just for themselves You set the book down and think This is what we're made of Or should be Richard Russo author of *Somebody's Fool* A small declining town in Ohio A family bereaved by terrible loss A searing narrative about how American lives touch each other across divides both real and imagined Set in a failing small town in central Ohio *The Heart of It All* asks how one manages in an America of increasing division to find a sense of family and community Focusing on the members of three families the Baileys a white family who have put down deep roots in the community the Marwats an immigrant family that owns the town's largest employer and the Shaws especially young Anthony an outsider whose very presence gently shakes the town's understanding of itself A gorgeous stirring novel in the classic vein of Richard Ford Marilynne Robinson Richard Russo and Kent Haruf *The Heart of It All* asks the reader to consider an America both divided and bound by its differences
