Looking Through My Fathers Eyes:

Looking Through My Father's Eyes Denise Thomas, 2022-06-10 Looking Through My Father's Eyes A Journey of the Heart is a beautiful guide to deeper wisdom opening us to a greater love Through the artistry of stories from my father's life and my own reflective questioning one is prompted to explore their own life experience and to unlock the guidance of their heart I have had a dream since I was a little girl looking out into the stars that one day we as humanity would awaken to our inner light That we would come to a place where there was no more hatred war anger suffering greed or loss That we would find within ourselves the kindness compassion love and peace that are our natural states of being our true essence of self and our divine nature And we would change the world as we know it It is said that the eyes are the gateway to the soul and through them the divine is experiencing the beauty of this life As we see beyond our physical vision we come to experience the greater purpose that is inscribed on our soul The time is now for us to awaken our inner light and to be the change we are seeking in this world The journey of the heart is the pathway to this change opening us to healing compassion understanding forgiveness joy and love Through courage we can change the world as we embrace the way of the heart Let your heart be your guide as you embark on this journey

Through My Father's Eyes Franklin Graham, 2018-05-01 USA Today Bestseller List Many have written about Billy Graham the evangelist This is the first book about Billy Graham the father written from the perspective of a son who knew him best As a beloved evangelist and a respected man of God Billy Graham's stated purpose in life never wavered to help people find a personal relationship with God through a saving knowledge of Jesus Christ This was a calling that only increased over time and Billy embraced it fully throughout his active ministry and beyond Yet Billy pursued his life's work as many men do amid a similarly significant calling to be a loving husband and father While most people knew Billy Graham as America's pastor Franklin Graham knew him in a different way as a dad And while present and future generations will come to their own conclusions about Billy Graham and the legacy that his commitment to Christ has left behind no one can speak more insightfully or authoritatively on that subject than a son who grew up in the shadow of his father's life and the examples of his father's love This vulnerable book is a look at both Billy Graham the evangelist and Billy Graham the father and the impact he had on a son who walked in his father's steps while also becoming his own man leading ministries around the world all of it based on the foundational lessons his father taught him My father left behind a testimony to God says Franklin a legacy not buried in a grave but still pointing people to a heaven bound destiny The Lord will say to my father and to all who served Him obediently Well done good and faithful servant Matthew 25:21

Marie Vandelly, 2019 An utterly propulsive and unpredictable psychological thriller from stunning new talent T Marie Vandelly She didn't run from her dark past She moved in For the lucky among us life is what you make of it but for Dixie Wheeler the theme music for her story was chosen by another long ago on the day her father butchered her mother and brothers and then slashed a knife across his own throat Only one year old Dixie was spared becoming infamously known as Baby Blue for the song left playing in the aftermath of the slaughter

Twenty five years later Dixie is still desperate for a connection to the family she can't remember. So when her childhood home goes up for sale Dixie sets aside all reason and moves in. But as the ghosts of her family seemingly begin to take up residence in the house that was once theirs Dixie starts to question her own sanity and wonders if the evil force menacing her is that of her father or a demon of her own making. In order to make sense of her present Dixie becomes determined to unravel the truth of her past and seeks out the detective who originally investigated the murders. But the more she learns the more she opens up the uncomfortable possibility that the sins of her father may belong to another. As bodies begin to pile up around her Dixie must find a way to expose the lunacy behind her family's massacre to save her few loved ones that are still alive and whatever scrap of sanity she has left.
