Holy Living: Confession Paul W. Chilcote, 2020-02-18 While physical training has some value, training in holy living is useful for everything. It has promise for this life now and the life to come. 1 Timothy 4:8 Christians crave a deeper, more intimate relationship with God. Spiritual disciplines are activities and practices that guide you in your daily walk through life, bringing you closer to Christ. They also help you to make a difference in our world. Practicing these spiritual disciplines opens you to God's transforming love and help you experience Holy Living. Confession may be good for the soul, as the saying goes, but most people give little thought to its practice at least on a daily basis. Like prayer, a person's needs tend to trigger a confessional response. As a result, we often have a limited understanding of the true nature of the practice. Confession is so much more than a call to apologize; though that is an integral part, Confession is fundamentally relational, providing the opportunity to experience a much fuller relationship with God. This book provides opportunities both to examine and to practice the many forms that confession takes. It begins by looking at our confession of faith, not sins, and what we affirm about the nature and purposes of God. From there, it moves to exploration and practices of individual confession, mutual confession, and worship, which provides one of the most significant contexts for the people of God to confess their sin before God and one another. This is one of a series of eight books. Each book in this series introduces a spiritual practice, suggests a way of living the practice daily, and provides opportunities to grow personally and in a faith community with others who engage with the practice. Each book consists of an introduction and four chapters and includes questions for personal reflection and group discussion. Other disciplines studied: Celebration, Discernment, Neighboring, Simplicity, Study and Worship.

objections Articulating these objections serves several purposes First it helps Catholics to respect those who do not share their beliefs by identifying intelligent grounds for disagreement Pointing out objections also helps believers respond more persuasively in discussions with non Catholic friends Perhaps most importantly knowing the common objects instills confidence that the Church is committed to the truth and unafraid to engage with those who dispute her teaching After identifying principal objections each discussion continues with a brief summary of relevant Catholic teaching and then responds to each objection in turn In our shrill age that seems ever less capable of rational discourse the method used in Cross Examined can offer a way to remain faithful to our beliefs while acknowledging respecting and responding to alternative points of view

Consuming the Word Scott Hahn, 2013-05-28 From the bestselling author of *The Lamb's Supper* and *Signs of Life* comes an illuminating work that unlocks the many mysteries of the Catholic sacrament of the Eucharist Long before the New Testament was a document it was a sacrament Jesus called the Eucharist by the name Christians subsequently gave to the latter books of the Holy Bible It was the New Covenant the New Testament in his blood Christians later extended the phrase to cover the books produced by the apostles and their companions but they did so because these were the books that could be read at Mass This simple and demonstrable historical fact has enormous implications for the way we read the Bible In *Consuming the Word* The New Testament and the Eucharist in the Early Church Dr Scott Hahn undertakes an examination of some of Christianity's most basic terms to discover what they meant to the sacred authors the apostolic preachers and their first hearers Moreover at a time when the Church is embarking on a New Evangelization he draws lessons for Christians today to help solidify their understanding of the why it is Catholics do what Catholics do Anyone acquainted with the rich body of writing that flows so inspiringly from the hand and heart of Dr Hahn knows that he brings profound personal insight to his demonstrated theological expertise writes Cardinal Donald Wuerl in the foreword to the book *Consuming the Word* continues in that illustrious tradition It brings us a powerful and welcome guide as we take our place in the great and challenging work in sharing the Good News

Sin in the Sixties Maria C. Morrow, 2016-11-04 Confession reached its peak attendance in the early 1950s but by the end of the Second Vatican Council the popularity of the sacrament plummeted While this decline is often noted by historians theologians priests and laity alike all eager to provide possible explanations little attention has been paid to another dramatic shift Coincident with the decreasing popularity of the sacrament of penance in the United States were changes to non sacramental penitential practices including Lenten fasting Ember Days and the year round Friday meat abstinence American Catholics sometimes derisively called *Fisheaters* had assiduously observed Friday abstinence regardless of ethnicity or geographic location
