Breaking the Curses of Slavery: Prayers for African-Americans Pamela Burgess Main,2013-12-03 One hundred prayers for African Americans to use to help spiritually break off generational issues caused by slavery in the United States By turning their wills over to God and choosing to forgive past atrocities in their family s personal history God willing the reader will begin to find release from specific trappings that have plagued their family for years **Me Versus Me** Milola Charles,2022-02-01 As a young girl going to church was the norm for my siblings and me As I began to get older I realized that going to church was no longer just enough because I realized that they were some deep rooted issues I was struggling with that weren t properly addressed in the church if at all With no one to talk to and no resources available at the time I struggled in silence The church needs to return to the place that recognizes the importance of being a hospital to those who are spiritually sick not a place of judgment It should be a place where people can bring their internal struggles and conflicts to receive healing There are too many young Christian youths who are battling with obstacles such as lust masturbation greed loneliness and so much more with no platform to which they feel safe to turn to There are also too many Christian parents who have unintentionally created blinders in their children s lives that they don t realize some of the things that their kids are struggling with This book is not for the faint at heart For those who are too spiritual be warned It s biblical It s the raw and the uncut truth of what your Christian teen or adult goes through Proverbs 28 13 states You will not succeed in life if you try to hide your sins Confess them and give them up then God will show mercy to you In order to be free from anything you must first acknowledge and then confess your secret If you are trying to strengthen your relationship with God but you are still struggling with your trashy fleshly desire to commit sin then this book *Me Versus Me The Struggle to Be Your Better Self* is for you *Church Hurts Can Make You Bitter Or Better* Joyce L. Carelock,2009-08 My prayer is that every hurt you have encountered throughout your life will be released from you as you go through the various chapters Like a person who sets a goal to lose weight you will set a goal in your mind and heart today and you will begin working hard to lose hurts that have been keeping you from your destiny and the land of promise Many of you think because you are walking in the newness of life everyone else is traveling the same road The mind you now have is the mind of Christ and your sole purpose is to please God You do not expect to deal with drama in the church You expect to see a noticeable difference between the

unsaved and those who profess salvation The dreadful cycle of hurt has damaged wounded and killed many people in the church No matter how hard you try to camouflage the pain inside it is not hidden You can cover bruises scars and cuts but hurt to the heart shows in various forms that are noticeable Evangelist Joyce L Carelock is known for her words of encouragement wisdom and her passionate call to motivate others to do the will of God By the mercies of God she has moved out in faith to help others identify and understand their God given abilities She believes that God has her in this place for a time such as this Her motto is If I can have it God can Heal It She is determined to believe God no matter what She has spoken at many women s retreats and conferences etc With joy she now serves as First Lady of Grace and Mercy Cathedral COGIC in Chantilly VA

After the Hurt Hillary Williams,2019-09-06 After the Hurt with God as my therapist is the story of my journey toward uncovering and pursuing my destiny The book contains biblical truths and draws some parallels to some stories from the Bible The hope for this book is for it to reach all the people who are or have been hurt by experiences that life sends to challenge and break the psyche The journey outlined in this book spans over twenty years and started with the end of my first marriage I share experiences from the struggles of single parenthood failed relationships low self realization low self actualization low self regard and a lack of love for myself Many of the experiences that were shared in this book were difficult to put into words but they are my truth I wanted to show every reader of this book that despite the extent of your brokenness there is a God who loves you and will heal you if you let Him My life experiences have taught me that each of us can change and grow It took many years and many failures to realize that I would not find peace in my soul until I allowed God to do the work in me When I turned my life to God s complete control He had to show me the truth about me My truth was ugly it was messy and it seemed insurmountable God had a plan for me My Christian life was not without struggles and heartache but God showed me His plan for me Once I allowed God to break open my secret parts I recognized many faults that I was unaware of Then God showed me His principles that I had to live by Living God s way is not easy but my life was totally revolutionized Through the study of God s word I learned how to conduct myself and live by His word Through heightened education I learned emotional intelligence I became equipped for where God was taking me I am not the person I used to be neither am I finished with my therapy I am better than I was and more determined to equip others for success
