Literary Coterie and the Irish Women Writers' Club (1933-1958) Deirdre F. Brady, 2021-06-15 As publishers in private printing presses as writers of dissident texts and as political campaigners against censorship and for intellectual freedom a radical group of twentieth century Irish women formed a female only coterie to foster women's writing and maintain a public space for professional writers This book documents the activities of the Women Writers Club 1933-1958 exploring its ethos social and political struggles and the body of works created and celebrated by its members Examining the period through a history of the book approach it covers social events reading committees literary prizes publishing histories modernist printing presses book fairs reading practices and the various political philosophies shared by members of the Club It reveals how professional women writers deployed their networks and influence to carve out a space for their writing in the cultural marketplace

collaborating with other artistic groups to fight for creative freedoms and the right to earn a living by the pen The book paints a vivid portrait of the Women Writers Club showcasing their achievements and challenging existing orthodoxy on the role of women in Irish literary life *Men and Women Writers of the 1930s* Janet Montefiore, 2003-09-02 *Men and Women Writers of the 1930s* is a searching critique of the issues of memory and gender during this dynamic decade Montefiore asks two principle questions what part does memory play in the political literature of and about 1930s Britain And what were the roles of women both as writers and as signifying objects in constructing that literature Montefiore s topical analysis of 1930s mass unemployment fascist uprising and appeasement is shockingly relevant in society today Issues of class anti fascist historical novels post war memoirs of Auden generation writers and neglected women poets are discussed at length Writers include George Orwell Virginia Woolf W H Auden Storm Jameson Jean Rhys Rebecca West *Louis MacNeice* Peter McDonald, 1991 Since his death in 1963 Louis MacNeice s critical standing has risen steadily This new study addresses the contexts of MacNeice s writings which are of greatest relevance to his place in modern poetry his problematic and still controversial relationship with Ireland and his significance for the understanding of the largely English thirties generation with which he is often identified The influence of these contexts upon the nature of MacNeice s poetic development is studied in detail here together with the important questions of his relation to Yeats and Modernism The book examines MacNeice s conception of parable as key imaginative response to these influences and it includes the first study of the poet s revealing and little known early writings Peter McDonald demonstrates that MacNeice is a central figure in modern Irish and British poetry of greater substantial complexity than is often thought and suggests that his through his work we should see its contexts in a challenging new light **Out of what Began** Gregory A. Schirmer, 1998 The first book of its kind *Out of What Began* traces the development of a distinctive tradition of Irish poetry over the course of three centuries Beginning with Jonathan Swift in the early eighteenth century and concluding with such contemporary poets as Seamus Heaney and Eavan Boland Gregory A Schirmer looks at the work of nearly a hundred poets Considering the evolving political and social environments in which they lived and wrote Schirmer shows how Irish poetry and culture have come to be shaped by the struggle to define Irish identity Schirmer includes a large number of accomplished poets who have been unjustly neglected in standard accounts of Irish literature many of these writers are women whose work has been kept in the shadows cast by that of well known male poets He also emphasizes the importance of political poetry in a country that continues to be torn by sectarian violence With its rich selection of poetic voices *Out of What Began* reveals the political social and religious diversity of Irish culture
