Louis Braille the Inventor Laura Brown, Elly Kramer, 2022-08-07. **Louis Braille** Theresa Marrama, 2023-03-15. Louis Braille is known today as one of the most celebrated people in history. Although the work of many others contributed to his accomplishment, Louis Braille's invention of a tactile six-dot reading and writing system revolutionized the way blind people perceive and contribute to the world. Before his invention, Louis was an intelligent boy who was determined to learn. He overcame many challenges, including learning how to live in a world full of darkness because he was blind. He didn't let anything stop him, and his determination to read led to his invention of Braille, which continues to exist today as the universal reading system for the blind.
