Hill,2010 The 26th Ohio Veteran Volunteer Infantry The Groundhog Regiment is the gripping story of the men and boys who valiantly fought to preserve their country s glory during the Civil War These brave souls were among the first to answer the Union s call to duty and among the last to be mustered home They proudly adopted the nickname The Groundhog Regiment as the rodent s agility and determination epitomized their strengths The Old 26th played a pivotal role in numerous major western theater campaigns and battles from the early conflicts in western Virginia and Shiloh to the bloody fields of Stones River Chickamauga Missionary Ridge Kennesaw Spring Hill Franklin and Nashville After the war s end the veterans yearned

to write their regiment's history as so many other units had done. Regrettably the high price of publishing proved to be too steep for the soldiers and their dream of telling their story died with them. The descendant of two veterans of the 26th Ohio, Jeffrey A. Hill, resurrected their dream and brought it to fruition. Meticulously researched, this history is based on over three hundred primary source documents from the soldiers. From the daily struggles of the privates to the internal anguish of Colonel Fyffe and the other senior commanders, the history offers an intriguing insight into the men who preserved the Union. The book chronicles the involvement of the 26th Ohio from the initial fervor following Fort Sumter throughout the War and the post-war activities of the veterans. The appendices include an updated roster list of burial sites and a photo gallery. The history is a lasting tribute to the men who so bravely fought to protect what they held most dear: their country. At long last here is their story.

Look Away Dixieland James B. Twitchell, 2011-03-18. As a boy, James Twitchell heard stories about his ancestors in Louisiana and even played with his great grandfather's Civil War sword, but he never appreciated the state and the events that influenced a pivotal chapter in his family history. His great grandfather, Marshall Harvey Twitchell, a carpetbagger from Vermont, had settled in upstate Louisiana during Reconstruction, married a local girl, and encountered much success until a fateful day in August 1874. The dramatic story of the elder Twitchell's life and near assassination fuels the author's pursuit of his family's history and a true understanding of the South. In *Look Away Dixieland*, Vermont native Twitchell sets out from his current home in Florida on the inauguration day of America's first black president to find the real South and to try to understand the truth about his illustrious ancestor. He travels in an RV from Georgia's Okefenokee Swamp across Alabama and Mississippi to Coushatta, Louisiana. As he drives through the heart of Dixie, Twitchell sorts through the prejudices he learned from his northern rearing. In searching for the culture he had held at arm's length for so long, he tours small town southern life in campgrounds, cotton gins, churches, country fairs, and squirrel dog kennels, and uncovers some fundamental truths along the way. Notably, he discovers that prejudices of race, class, and ideology are not limited by geography. As one man from Georgia mockingly summed up North versus South stereotypes, "Y'all are rude and we're stupid." Unexpectedly, Twitchell also uncovers facts about his great grandfather and sheds new light on his family's past. An enlightening, humorous, and refreshingly honest search, *Look Away Dixieland* reveals some of the differences and similarities that ultimately define us as a nation.
