

The Confederacy of Southern Unions

Adolf Petersen, Chairman of the Texas City Committee, a Confederate States Army veteran and successful business leader, was a prominent figure in the Texas City movement. Petersen led the Texas City Committee, a group of industrial and military leaders who organized the Texas City movement in 1912. Petersen was a member of the movement to establish what became known as the Texas City Committee in 1912, an occupied, unincorporated area.

Arthur Lee Emerson, President of the Southern Free State, though a native of Tennessee, Emerson moved to Canton, Louisiana, to make a living in the timber industry. Organized by former Confederate soldiers, the movement was an effort to join a union, as well as the federal government, of black and white citizens in an effort to create southern unions, and encouraged by the success of the other movement in Deep East Texas. Emerson formed the Southern Free State movement in the state of Louisiana. The union took on a more militant identity after the recent massacre of union men by company police in the nearby small town of Shreveport in 1912, with members carrying flags, the union moved to set up the S.F.S., becoming the Southern Free State, a name taken from the ancient, unincorporated state of Louisiana. Only months after the 1912 lynching of black and white union leaders, George and his fellow leaders were in Deep South territory. George was targeted by the white establishment and the movement for Reconstruction and Loyalty League on the white and black unions worked together across the state of Georgia. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
