Love And Marriage In Chretien De Troyes

Georges Duby

Love And Marriage In Chretien De Troyes:

Love and Marriage in Chrétien de Troyes Peter S. Noble, 1982 **Love and Marriage in the Works of Heloise, Chrétien de Troyes and Marie de France** Mary O'Donnell Levy, 1999 **The Legacy of Chrétien de Troyes: Chrétien et ses contemporains** Norris J. Lacy, Douglas Kelly, Keith Busby, 1987 *A Companion to Chrétien de Troyes* Norris J. Lacy, Joan Tasker Grimbert, 2008 A fine collection an excellent introduction to Chr tien s world and work Highly recommended CHOICE Chr tien de Troyes is arguably the creator of Arthurian romance and it is on his work that later writers have based their interpretations This book offers both crucial information on and a comprehensive coverage of all aspectsof the work of Chr tien de Troyes the literary and historical background patronage his influence on other writers manuscripts and editions of his work and at the heart of the volume major essays on the themes techniques and artistic achievements in each of his compositions the contributions all from leading experts in Chr tien and related studies have been commissioned especially for this volume and are designed to remain accessible to studentswhile also addressing specialists in Arthurian studies and Chr tien de Troyes They reflect the most current critical and scholarly views on one of the greatest of medieval authors CONTRIBUTORS JOHN W BALDWIN JUNEHALL MCCASH LAURENCE HARF LANCNER NORRIS J LACY DOUGLAS KELLY KEITH BUSBY PETER F DEMBOWSKI ROBERTA L KRUEGER DONALD MADDOX SARA STURM MADDOX JOAN TASKER GRIMBERT MATILDA TOMARYN BRUCKNER TONY HUNT RUPERT T PICKENS ANNIE COMBES MICHELLE SZKILNIK EMMANUELE BAUMGARTNER *Love and Marriage in the Middle Ages* Georges Duby, 1996-06-15 The author argues that the structure of sexual relationships took its cue from the family and feudalism both bastions of masculinity as he presents his interpretation of women what they represented and what they were in the Middle Ages

The Romances of Chrétien de Troyes Douglas Kelly, 1985 Love Cures Laine E. Doggett, 2012-04-30 What is love Popular culture bombards us with notions of the intoxicating capacities of love or of beguiling women who can bewitch or heal to the point that it is easy to believe that such images are timeless and universal Not so argues Laine Doggett in *Love Cures* Aspects of love that are expressed in popular music such as love is a drug sexual healing and love potion number nine trace deep roots to Old French romance of the high Middle Ages A young woman heals a poisoned knight A mother prepares a love potion for a daughter who will marry a stranger in a faraway land How can readers interpret such events In contrast to scholars who have dismissed these women as fantasy figures or labeled them witches Doggett looks at them in the light of medical and magical practices of the high Middle Ages *Love Cures* argues that these practitioners as represented in romance have shaped modern notions of love *Love Cures* seeks to engage scholars of love marriage and magic in disciplines as diverse as literature history anthropology and philosophy *The British Sources of the Abduction and Grail Romances* Flint Johnson, 2002 This very uneven book undertakes an analysis of two romances by Chretien de Troyes *Le chevalier de la charrette* and *Le conte du graal* that seeks to uncover Welsh sources for the stories The work was written as a doctoral thesis

we are not told where Annotation copyrighted by Book News Inc Portland OR **Origins of Arthurian Romances** Flint F. Johnson, 2012-09-06 There are three archetypal and widespread Arthurian stories the abduction of Guinevere the Holy Grail and Tristan Through the author's painstaking research of the literature and comparative literature of the stories and by studying the history laws and archaeology of the post Roman period a new methodology was found for approaching sources This led to strong reasons for making a number of groundbreaking conclusions Arthurian literature is a potential wealth of information on Arthur's Britain More importantly the nature of the holy grail has been in the grail literature and related materials all along *The Trials and Joys of Marriage* Eve Salisbury, 2002-05-01 The disparate texts in this anthology produced in England between the late thirteenth and the early sixteenth centuries challenge and in some cases parody and satirize the institution of marriage In so doing according to the Introduction they allow us to interrogate the traditional assumptions that shape the idea of the medieval household The trials of marriage seem to outweigh its joys at times and as some of these texts suggest maintaining a sense of humor in the face of what must have been great difficulty could have been no easy task The texts bridge generic categories Some are obscure written by anonymous authors others are familiar written by the likes of John Lydgate John Wyclif and William Dunbar Taken together they suggest that despite the fact that marriage had become a sacrament in the twelfth century and was increasingly recognized by ecclesiastical and secular authorities as a valuable social institution it was not always a stabilizing and orderly social force Medium Aevum Charles Talbot Onions, Jack Arthur Walter Bennett, 1937 Includes section Reviews *Out of Love for My Kin* Amy Livingstone, 2011-02-23 In *Out of Love for My Kin* Amy Livingstone examines the personal dimensions of the lives of aristocrats in the Loire region of France during the eleventh and twelfth centuries She argues for a new conceptualization of aristocratic family life based on an ethos of inclusion Inclusivity is evident in the care that medieval aristocrats showed toward their families by putting in place strategies practices and behaviors aimed at providing for a wide range of relatives Indeed this care and in some cases outright affection for family members is recorded in the documents themselves as many a nobleman and woman made pious benefactions out of love for my kin In a book made rich by evidence from charters which provide details about life events including birth death marriage and legal disputes over property Livingstone reveals an aristocratic family dynamic that is quite different from the fictional or prescriptive views offered by literary depictions or ecclesiastical sources or from later historiography For example she finds that there was no single monolithic mode of inheritance that privileged the few and that these families employed a variety of inheritance practices Similarly aristocratic women long imagined to have been excluded from power exerted a strong influence on family life as Livingstone makes clear in her gender conscious analysis of dowries the age of men and women at marriage lordship responsibilities of women and contestations over property The web of relations that bound aristocratic families in this period of French history she finds was a model of family based on affection inclusion and support not domination and exclusion *Women and Gender in Medieval Europe* Margaret C.

Schaus,2006-09-20 From women s medicine and the writings of Christine de Pizan to the lives of market and tradeswomen and the idealization of virginity gender and social status dictated all aspects of women s lives during the middle ages A cross disciplinary resource Women and Gender in Medieval Europe examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE i e from the fall of the Roman Empire to the discovery of the Americas Moving beyond biographies of famous noble women of the middles ages the scope of this important reference work is vast and provides a comprehensive understanding of medieval women s lives and experiences Masculinity in the middle ages is also addressed to provide important context for understanding women s roles Entries that range from 250 words to 4 500 words in length thoroughly explore topics in the following areas Art and Architecture Countries Realms and Regions Daily Life Documentary Sources Economics Education and Learning Gender and Sexuality Historiography Law Literature Medicine and Science Music and Dance Persons Philosophy Politics Political Figures Religion and Theology Religious Figures Social Organization and Status Written by renowned international scholars Women and Gender in Medieval Europe is the latest in the Routledge Encyclopedias of the Middle Ages Easily accessible in an A to Z format students researchers and scholars will find this outstanding reference work to be an invaluable resource on women in Medieval Europe *A Rhapsody of Love and Spirituality* David J. Fekete,2003 Love between a man and a woman is it sacred or sinful A Rhapsody of Love and Spirituality explores Platonic eros Christian mysticism friendship religious ritual and love as people experience it turning up startling ironies and paradoxes and along the way some traditions we may find worth reclaiming The Sociology of Emotions Ann Brooks,2024-10-17 This book offers a comprehensive overview of the field of the Sociology of Emotions incorporating sociological feminist and cultural perspectives Structured around three dimensions conceptualisation theory and analysis of emotions it provides new insights into the field with a particular focus on contemporary social issues such as loneliness depression confidence consumption class intimacy and sexuality The book examines the language of emotions looking at macro and micro framing of emotions in modernity emotional labour public emotions passionate emotions melancholic emotions masculinity and emotions love intimacy and emotions It delves into both positive and negative emotions such as happiness anger fear and sadness The book will be essential reading for researchers and students seeking a current and interdisciplinary resource covering a wide range of international material in the field of Sociology of Emotions Chrétien de Troyes and the German Middle Ages Martin H. Jones,Roy Albert Wisbey,1993 Studies showing the influence of the French Arthurian romances of Chr tien de Troyes on German medieval literature Eleanor of Aquitaine William W. Kibler,2012-03-21 Eleanor of Aquitaine was the wife of two kings Louis VII of France and Henry II Plantagenet of England and the mother of two others Richard the Lionhearted and John Lackland In her eventful often stormy life she not only influenced the course of events in the twelfth century but also encouraged remarkable advances in the literary and fine arts In this book experts in five disciplines history art history music French and English literature evaluate the influence of

Eleanor and her court on history and the arts Elizabeth A R Brown views Eleanor as having played a significant role as parent and politician but not as patron Rebecca A Baltzer takes a new look at the music of the period that was written by and for Eleanor her court and her family Mosh Lazar reexamines her relationship to the courtly love literature of the period Eleanor S Greenhill and Larry M Ayres reassess her influence in the realm of art history Rossell Hope Robbins traces the lines extending from the French courtly literature of Eleanor s period down into fourteenth century Chaucerian England The essays reflect divergent but generally complementary assessments of this remarkable woman s influence on her own era and on future times as well This volume is the result of a symposium held at the University of Texas in 1973 **Andreas**

Capellanus, Scholasticism, and the Courtly Tradition Don A. Monson, 2005-11 This book the first study in English devoted entirely to Andreas Capellanus s *De Amore* presents a comprehensive inquiry into the influence of scholasticism on the structure and organization of the work applying methods of medieval philosophy and intellectual history to an important problem in medieval literary studies *The Curious History of Love* Jean-Claude Kaufmann, 2011-12-12 The one emotion that matters most to many people is the one about which social thinkers rarely speak love For many people love is the thing that matters most in their lives they are searching for love hoping to find in love a kind of happiness that they cannot find in their work or by surrounding themselves with material goods But where does this peculiar and powerful blending together of love and happiness come from and why do we find it such a compelling idea today In this short book Jean Claude Kaufmann offers a fresh account of the history of a feeling unlike any other The modern idea of love as passion was born in the 12th century but it was marginalized by the rise of a kind of instrumental calculating reason that became increasingly central to modern societies As calculating reason began to encroach on the personal domain many individuals sought to escape from it searching for happiness elsewhere As our societies become dominated by calculating reason and selfish individualism we search elsewhere for the kind of happy love that will heal all our wounds This is why we experience so many changes of heart in our personal lives at times we are coldly calculating and then a few moments later we sacrifice ourselves to love without a second thought Written by one of France s leading sociologists this highly readable book sheds new light on love and happiness and will resonate with many readers **To Love, Honor, and Obey in Colonial Mexico** Patricia Seed, 1988 An account of the transformation of cultural assumptions affecting parental authority and children s freedom to choose marriage partners this book traces colonial period changes in ideas about free will love and honor and in the views of the Catholic church
