Judged by Love Javan Kienzle, 2004-04 In this era of war mendacity clerical and political scandal and personal disillusion I hoped that the example of Bill s love of the Church his love of the priesthood his love of people and his love of the woman he married could show that life can be lived honestly uprightly fulfilling and with kindness and humor Author Javan Kienzle Author William X Kienzle touched readers both on and off the page His 24 Father Robert Koesler mysteries attracted an ever growing following of faithful and new fans alike while his status as a highly intelligent and thoughtful ex priest sparked curiosity and interest in his unique perspective When Bill died suddenly in December 2001 his readers were crushed as were so many who knew him personally and professionally After much reflection on his life Bill s widow Javan chose to write his biography Judged by Love is a loving but candid portrait of a deeply religious and spiritual person one who dedicated his life to God by becoming a priest then found himself separated from the priesthood he loved because of disagreements with its policies While this is the individual story of Bill Kienzle from his youthful days in the seminary onward it also serves as a reflection on the current examination of faith that much of the Catholic clergy and laity have experienced over the last 50 years Complete with Bill and Javan s singular love story Judged by Love is a moving tale of a remarkable man Readers interested in religion and spiritual topics as well as the faithful fans who purchased more than two million copies of Bill s hardcover and paperback mysteries will be heartened and gratified by the chance to read about this extraordinary human being

Shakespeare, Love and Language David Schalkwyk, 2018-01-25 What is the nature of romantic love and erotic desire in Shakespeare's work? In this erudite and yet accessible study David Schalkwyk addresses this question by exploring the historical contexts, theory and philosophy of love. Close readings of Shakespeare's plays and poems are delivered through the lens of historical texts from Plato to Montaigne and modern writers including Jacques Lacan, Jean-Luc Marion, Ludwig Wittgenstein, Jacques Derrida, Alain Badiou and Stanley Cavell. Through these studies it is argued that Shakespeare has no single or overarching concept of love and that in Shakespeare's work love is not an emotion. Rather it is a form of action and disposition to be expressed and negotiated linguistically.

Imagine being diagnosed with a disease as seemingly minor as melanoma that quickly progresses to stage four cancer, where the chances of survival drop to less than 10% in five years. And the options are only surgery, a handful of tough FDA-approved treatments, and a risky experimental therapy hundreds of miles from home. Usually we think of cancer as an ugly, terrifying disease. But Bob Heffernan's amazing journey against all odds tells an uplifting story of perseverance, hope, and positivity that will inspire all cancer patients. He found that alongside fear and suffering, cancer provides numerous gifts that nourish the human soul. It's a story about how we can find goodness and beauty in even the most terrible challenge life throws at us. **Enduring Love** Kamrynn Bellary, 2023-01-15.
