Love For A Stranger:

Love for a Stranger Daisy Hicks Thomson,1966 Love for a Stranger Jane Donnelly,1978 **For the Love of a Stranger** Erin Pizzey,1996 Here are the unforgettable life journeys that take two fascinating women from the serene countryside of Ireland to the nightclubs of New York and the life threatening dangers of war ravaged Europe Together and apart Anna and Mary Rose travel a tumultuous road through the pains and joys of love and marriage romance and passion and the search for true friendship **A Stranger's Love** Laura Martin,2011-07-15 You may be sweet but you re not innocent Bethany told herself she didn t care what Chad Alington thought of her He was a perfect stranger too perfect in fact a tall dark handsome millionaire with a stubborn streak which matched Bethany s So who would win the battle of wills Bethany had tried life as a rich man s plaything and now she was determined to live the simple life No frills or fuss and definitely no men But Chad had other ideas Love and Politics Jeffery L. Nicholas,2021-06-07 In Love and Politics Jeffery L Nicholas argues that Eros is the final rejection of an alienated life in which humans are prevented from developing their human powers Eros in contrast is an overflowing of acting into new realities and new beauties a world in which human beings extend their powers and senses Nicholas uniquely interprets Alasdair MacIntyre s Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value However this account cannot address alienation in the form of the oppression of women or people of color Importantly it fails to acknowledge the domination of nature that blackens the heart of alienated life Alienation must be seen as a separation of the human from nature Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature then to reconstruct the essential elements of Aristotle s metaphysics to defend a philosophical anthropology based on Eros Love and Politics Persistent Human Desires as a Foundation for Liberation presents a critical theory that synthesizes MacIntyre s Revolutionary Aristotelianism Frankfurt School Critical Theory and Social Reproduction Theory It will be of great interest to political theorists and philosophers

Atonement and Ethics in 1 John Christopher Armitage,2021-06-17 Christopher Armitage considers previous theological perception of 1 John as a text advocating that God abhors violence contrasted with biblical scholarship analysis that focuses upon the text's birth from hostile theological conflict between insiders and outsiders with immensely hostile rhetoric directed towards antichrists and those who have left the community Armitage argues that a peace oriented reading of 1 John is still viable but questions if the commandment that the community loves each other is intended to include their opponents and whether the text can be of hermeneutic use to advocate non violence and love of one's neighbour This book examines five key words from 1 John hilasmos sfazo anthropoktonos agape and adelphos looking at their background and use in the Old Testament in both Hebrew and the LXX arguing that these central themes presuppose a God whose engagement with the world is not assuaging divine anger nor ferocious defence of truth at the expense of love but rather peace and avoidance of hatred that inevitably leads to violence and death Armitage concludes that a peacemaking hermeneutic is not only viable but integral to reading the epistle
